Project Review

.1 Federal Grant Applications Being Transmitted to the State Clearinghouse

Sonoma

Applicant:	City of Healdsburg, Department of Public Works				
Program:					
Project:	Healdsburg Wastewater Treatment/Urban Reuse of Recycled Treated Wastewater (Application for Federal Assistance)				
Descriptiom	The City of Healdsburg is in critical need of this wastewater recycling project. The city's wastewater treatment facility is operated in conformance with Waste Discharge Requirements and a National Pollutant Discharge Elimination System Permit issued by the California State North Coast Regional Water Quality Control Board. The Regional Board issued an NPDES permit on October 6, 2004 (Order R1-2005-084). These permits and their requirements reflect the Russian River Basin Plan, which require Advanced Wastewater Treatment (AWT) for any municpal wastewater discharged to the Russian River.				
Cost:	Total $15,000,000.00	Federal	$14,000,000.00	State:	$0.00
		Applicant	$1,000,000.00	Local	$0.00
				Other	$0.00
