Implementing Energy Efficiency Projects and Developing Climate Action Plans

Thursday, April 27, 2006

9:00 am — 4:00 pm

Moss Landing Marine Laboratories

8272 Moss Landing Road

Moss Landing, CA

This FREE workshop is designed to provide valuable information and resources to elected officials, city managers, personnel in planning, public works, and engineering departments as well as facility managers and staff.

Topics will include:

- Developing Climate Action Plans for small cities and counties
- Utility bill tracking and analysis
- Strategies to implementing energy efficiency projects
- Financing options for energy efficiency projects
- AMBAG's Energy Plan

Featuring Expert Speakers:

- John Deakin, *Local Government Energy Partnership*
- Abby Young, *ICLEI USA*
- Leslie Kramer, *Local Government Energy Partnership*
- Danielle Dowers, *City of San Francisco*
- Mary Arman, *City of Santa Cruz*
- Bruce Chamberlain, *Local Government Energy Partnership*

Resources, including case studies and success stories will be provided in a valuable workshop CD.

Bring your questions for a panel Q&A. Lunch and beverages will be provided.

RSVP required. To register for this workshop, contact Kate Merrill at **katem@energy-solution.com** or at 510.482.4420 x 223.
