Disclosure Category

Consultant*

(The following positions are performed by consultants: General Counsel, Administrator, Claims Manager, and Insurance Broker. Other duties may be performed by consultants, as needed.)

* Consultants shall be included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code subject to the following limitation:

Such written determination shall include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The [agency head's] determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code (Gov. Code Section 81008).

An individual holding one of the above listed positions may contact the Fair Political Practices Commission for assistance or written advice regarding their filing obligations if they believe that their position has been categorized incorrectly. The Fair Political Practices Commission makes the final determination whether a position is covered by section 87200.
