Would add that criterion to the list of potential criteria, until January 1, 2017.</p> <p>Sustainable communities: would give local governments' extra credit for creating new housing that meets the sustainable community model (close to places of work or regional transportation hubs).</p>
*AB 1112 Huffman	Oil Spill Prevention and Administration Fee: State Lands Commission (Oil Spill Preparedness Act)	ASM Appropriations Com.	Support Support SF Bay Area Estuary Partnership		<p>Amended 4/13: This bill adjusts the Oil Spill Prevention Administration Fund revenues to current inflation levels and requires the state's oil spill prevention agency to increase its oversight of vessels conducting oil transfers; requires a financial report on the state's oil spill prevention program; and require the State Lands Commission to submit safety recommendations to the Legislature</p> <p>--Would require the Administrator for oil spill response to develop a screening mechanism and conduct a risk assessment of vessels engaged in bunkering and lightering operations and determine the highest risk transfers. Would specify requirements regarding monitoring and inspections of oil transfer operations.</p>
*AB 1220 Alejo	Land Use and Planning: Cause of Actions—Time Limitations	ASM Local Government Committee	Oppose LCC Oppose CSAC Oppose APA Oppose		<p>Revises the statute of limitations and remedies for specified housing-related challenges:</p> <p>Requires a specified notice to be filed with the local government within five years after an action to adopt, amend, or revise a housing element, actions relating to housing development approval, annual limits on housing permits, and the adequacy of a density bonus ordinance.</p> <p>2) Excludes from the types of challenges that may be brought during this time period any action related to the Housing Accountability Act, the Subdivision Map Act, or the application of a Density Bonus ordinance to a particular project, all of which are project-specific actions.</p> <p>3) Requires a challenging party to first serve the legislative body of the city, county, or city and county with a notice identifying the deficiencies in the housing element, and allows the city or county 60 days to correct the deficiency, following which a dissatisfied party may file an action in court.</p> <p>4) Provides that in any action or proceeding brought to challenge the items listed in #1 no remedy, and no injunction pursuant to those prescribed by a court during a challenge regarding the validity of a general plan, shall abrogate, impair, or otherwise interfere with the full exercise of the rights and protections granted to: a) A completed tentative map application; or, b) A developer under a vested tentative map or</p>

					<p>a development agreement.</p> <p>5) Provides that if a third party challenges the adequacy of a housing element in court and the court finds that the housing element substantially complies with all of the requirements of housing element law, the element shall be deemed to be in compliance for purposes of state housing grant programs.</p> <p>6) Provide that a housing element from a prior planning period may not be challenged if the city or county has adopted a revised housing element for the new planning period.</p> <p>7) States that it is the intent of the Legislature in enacting Section 2 of the bill to modify the court's opinion in <i>Urban Habitat Program v. City of Pleasanton (2008) 164 Cal.App.4th 1561</i>, with respect to the interpretation of Section 65009 of the Government Code.</p>
<p>*AB 1430 Com. on Local Government</p>	<p>The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 Omnibus Bill</p>	<p>ASM Local Government Committee</p> <p>Hearing 5/11/11</p>	<p>Watch</p>		<p>Existing law <u>defines various terms</u> for purpose of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. This bill would revise some of the definitions within this Local Government Reorganization act; terms being revised include the following: “affected city, affected county, affected district, affected local agency, certificate of termination, change of organization, conducting authority, contiguous, district, independent special district, landowner, and legal representative.” Other related conforming and technical changes will also be proposed.</p>
<p>*SB 184 Leno</p>	<p>Land Use: Zoning Regulations (Inclusionary Housing Requirements)</p>	<p>SEN Transportation & Housing Com.</p>	<p>Support</p> <p>LCC Support CSAC Support</p>		<p>Would additionally authorize the legislative body of any city or county to adopt ordinances to establish, as a condition of development, inclusionary housing requirements and would declare the intent of the Legislature in adding this provision.</p>
<p>*SB 286 Wright</p>	<p>Redevelopment</p>	<p>SEN Governance and Finance</p> <p>Testimony taken with further hearing to be set.</p>	<p>Support</p> <p>LCC Support CSAC Concerns</p>		<p>Comprehensive Redevelopment Reform: Would impose tough new reforms to increase accountability and limit the size and cope of redevelopment in California to improve the operations, transparency and accountability of redevelopment agencies statewide.</p> <p><i>Specifically,</i> would tighten the definition of blight; prohibit agencies from collecting the school share of local property tax or tax increment in new project areas starting in 2010; limit the percentage of total land area of a jurisdiction which may be included in redevelopment project areas; and prohibit use of tax increment for specific purposes such as golf courses and race tracks. Would strengthen agency reporting and accountability requirements; and focus redevelopment activities on priorities such as job creation, cleaning up contaminated property, basic infrastructure needs, and affordable housing.</p>

*SB 419 Simitian	Solid Waste: Home-generated Sharps	ASM Environmental Safety and Toxic Materials	Support LCC Watch CSAC Support		This bill requires pharmaceutical manufacturers to provide their annual reports on disposal of sharps waste to the Department of Resources Recycling and Recovery (DRRR) electronically and make them readily available on their website. Addresses implementation challenges learned after first round of reports required pursuant to SB 486.
*SB 515 Corbett	Recycling: Product Stewardship—Batteries—Universal Waste Management Facilities	SEN Appropriations Com Hearing 5/9	Support Support LCC Support CSAC		SB 515 will require battery manufacturers to design, fund and operate a stewardship program to properly manage household batteries in order to sell their products in California. SB 515 will also require battery manufacturers to meet collection goals each year (25% by 1/1/15; 45% by 1/1/17; by 1/1/18 meaningful improvement annually thereafter in collection rate). Require report data to Dept. of Resources Recycling and Recovery DRRR who will oversee the implementation of each manufacturer's stewardship plan. This bill is similar to the author's SB 1100 of 2010. Sponsor: Stopwaste.org (Alameda County)
SB 555 Hancock	Local Government: Community Facilities District	SEN Third Reading	Support		Would authorize Mello-Roos community facilities districts to finance and refinance the acquisition, installation, and improvement of energy efficiency, water conservation, and renewable energy improvements to or on real property and in buildings. Would include in the provisions that a bond secured by a special tax on property levied by specified community facilities districts be included in what is defined as PACE bonds.
*SB 582 Emmerson	Commute Benefit Policies	SEN Environmental Quality Committee	Support LCC Watch		This bill would authorize, until January 1, 2017, a metropolitan planning organization and an air district to adopt jointly a regional commute benefit ordinance that requires certain employers located within their common area of jurisdiction to offer their employees specified commute benefits with the goal of reducing single-occupant vehicle trips. Sponsored by MTC and BAAQMD
*SB 653 Steinberg	Local Taxation: Counties—School Districts—General Authorization	SEN Re-referred to Appropriations Com	Watch Support CSAC LCC Watch		<i>The California Constitution prohibits the Legislature from imposing taxes for local purposes, but allows the Legislature to authorize local governments to impose them.</i> This bill would authorize the governing board of any county or city and county and any school district, subject to specified constitutional and voter approval requirements, to levy, increase, or extend a local personal income tax, transactions and use tax, vehicle license fee, and excise tax, including, but not limited to, an alcoholic beverages tax, a cigarette and tobacco products tax, a sweetened beverage tax, and an oil severance tax, as provided. This bill would require the State Board of Equalization, the Franchise Tax Board, or the Department of Motor Vehicles to

					<p><i>--Require the owner or operator of commission-regulated gas pipeline facilities to maintain a record of tests on all pipelines to substantiate their current maximum allowable operating pressure. If complete records are not available, the owner or operator shall reduce the maximum operating pressure and report the condition to the commission. Before restoring the pipeline pressure to its maximum operating pressure the facility shall be inspected using the most effective and appropriate inspection technology.</i></p>
AB 57 Beall	Metropolitan Transportation Commission	ASM Appropriations	Watch LCC Watch	SUPPORT	<p>This bill would, instead, require the Metropolitan Transportation Commission to consist of 21 members, including one member appointed by the Mayor of the City of Oakland and one member appointed by the Mayor of the City of San Jose. The bill would require the initial term of those 2 members to end in February 2015. The bill would, effective with the commission term commencing February 2015, prohibit more than 3 members of the commission from being residents of the same county, as specified. By imposing new requirements on a local agency, this bill would impose a state-mandated local program.</p>
AB 184 Swanson	Contractual Assessment Programs: Seismic Safety Improvements	SEN Read first time; to Com. on Rules for assignment	Support LCC Watch CSAC Pending	SUPPORT	<p>This bill would enact the Seismic Safety Finance Act, which would expand these provisions to also authorize contractual assessments to finance the installation of seismic strengthening improvements that are permanently fixed to real property, as specified. The bill would define “public agency,” for purposes of financing the installation of seismic strengthening improvements, to mean a city, county, or city and county.</p>
AB 913 Feuer	Environment: Certified Green Business Program	ASM Appropriations	Support LCC Watch	SUPPORT	<p>This bill would establish a California certified green business program that would provide for the voluntary certification of businesses that adopt environmentally preferable business practices including, but not limited to, increased energy efficiency, reduced greenhouse gas emissions, and reduced waste generation. The bill is not a state-mandated local program.</p> <p>Requires the Department of Toxic Substances Control (DTSC) to develop a California Green Business Program. Specifically,</p> <p>1) Requires, as part of implementing the source reduction program, DTSC to develop a California Green Business Program that provides for the voluntary certification of businesses that adopt environmentally preferable business practices, including, but not limited to, increased energy efficiency, reduced greenhouse gas emissions, promotion of water conservation, and reduced waste generation.</p>

					<p>2)Requires the California Green Business Program to do all of the following:</p> <ul style="list-style-type: none"> a) Assist the network of statewide local government programs in implementing guidelines and structures that establish and promote a level of consistency among green business programs across the state; b) Support, through staffing and contracts, the development and maintenance of a statewide database to register businesses and track measurable pollution reductions and cost savings; c) Solicit participation of additional local programs and facilitate the startup of new local programs; and, d) Develop technical guidance on pollution prevention measures, conduct industry studies and pilot projects, and provide policy coordination for participating local programs.

The Delta Reform Act of 2009 requires the Delta Stewardship Council to consider the BDCP for inclusion in a specified Delta Plan, and authorizes the incorporation of the BDCP into the Delta Plan if the BDCP meets certain requirements. This bill would require any state agency that is responsible for authorizing or implementing any action in implementation of the BDCP to ensure that the action is consistent with specified requirements prescribed by the bill. The bill would make related legislative findings and declarations.</p> <p>(Originally) This bill would prohibit the construction of a new Delta conveyance facility, as defined, unless specified conditions are met, including (A) the adoption of an agreement by the Department of Water Resources and the Department of Fish and Game that specifies the stages of construction of the new Delta conveyance facility and (B) the establishment plans and agreements for the construction of specified water facilities and implementation of specified water programs meeting prescribed conditions as part of the state Central Valley Project.</p> <p>The bill would prohibit the transportation of water for the federal Central Valley Project through state project facilities, with specified exceptions, unless certain conditions are met. The bill would require the Department of Water Resources to enter into contracts with specified Delta agencies for purposes of recognizing the right of users to make use of the waters of the Delta and establishing criteria for minimum water quality in the Delta. The bill would require differences between the state and the Delta agencies to be resolved by arbitration if contracts have not been executed by January 1, 2012.</p>

The bill would authorize existing corporations and other forms of business entities to merge into or convert into a flexible purpose corporation upon completion of specified requirements, including approval of the transaction by a supermajority 2/3 vote of shareholders, or a greater vote if required in the articles, as specified. The bill would also authorize a flexible purpose</p>

					<p>corporation to convert into a nonprofit corporation, a corporation, or a domestic other business entity, upon satisfaction of equivalent conditions. <i>Under current law, companies can be sued by shareholders or investors for taking environmental or social measures that negatively affect shareholders' financial returns. This legislation would enable a new form of for-profit corporation, expressly allowing companies to pursue other things besides simply making money. Maryland and Vermont recently enacted measures to allow "for-benefit" companies to exist.</i></p>
