A nighttime photograph of the Golden Gate Bridge in San Francisco, California. The bridge's towers and suspension cables are illuminated with a warm, golden light, contrasting with the dark blue and black sky. The water in the foreground is dark, with some reflections of the bridge lights. The overall mood is serene and iconic.

Bay Area Integrated Regional Water Management Plan

**Presented to the
ABAG-CALFED Task Force
September 29, 2004**

**by the
Technical Coordinating Committee
Bay Area IRWMP**

Presentation overview

A night-time photograph of the Golden Gate Bridge in San Francisco. The bridge's towers and suspension cables are illuminated with a warm, golden light, contrasting with the deep blue and black of the night sky and the dark water of the bay. The bridge spans across the frame from left to right, with the water in the foreground reflecting some of the lights.

- **Background – Bay Area activities**
- **Letter of Mutual Understandings**
- **Bay Area IRWMP**
- **Status**
- **Schedule**
- **Q & A**

Bay Area activities

- **Northern and Coastal California Water Bond Coalition**
- **CALFED-ABAG Task Force**
- **BAWAC and other water agencies**
 - **Developed the Letter of Mutual Understandings**
 - **Started to prepare the Water Supply & Water Quality Section of the IRWMP**

LOMU – Letter of Mutual Understandings

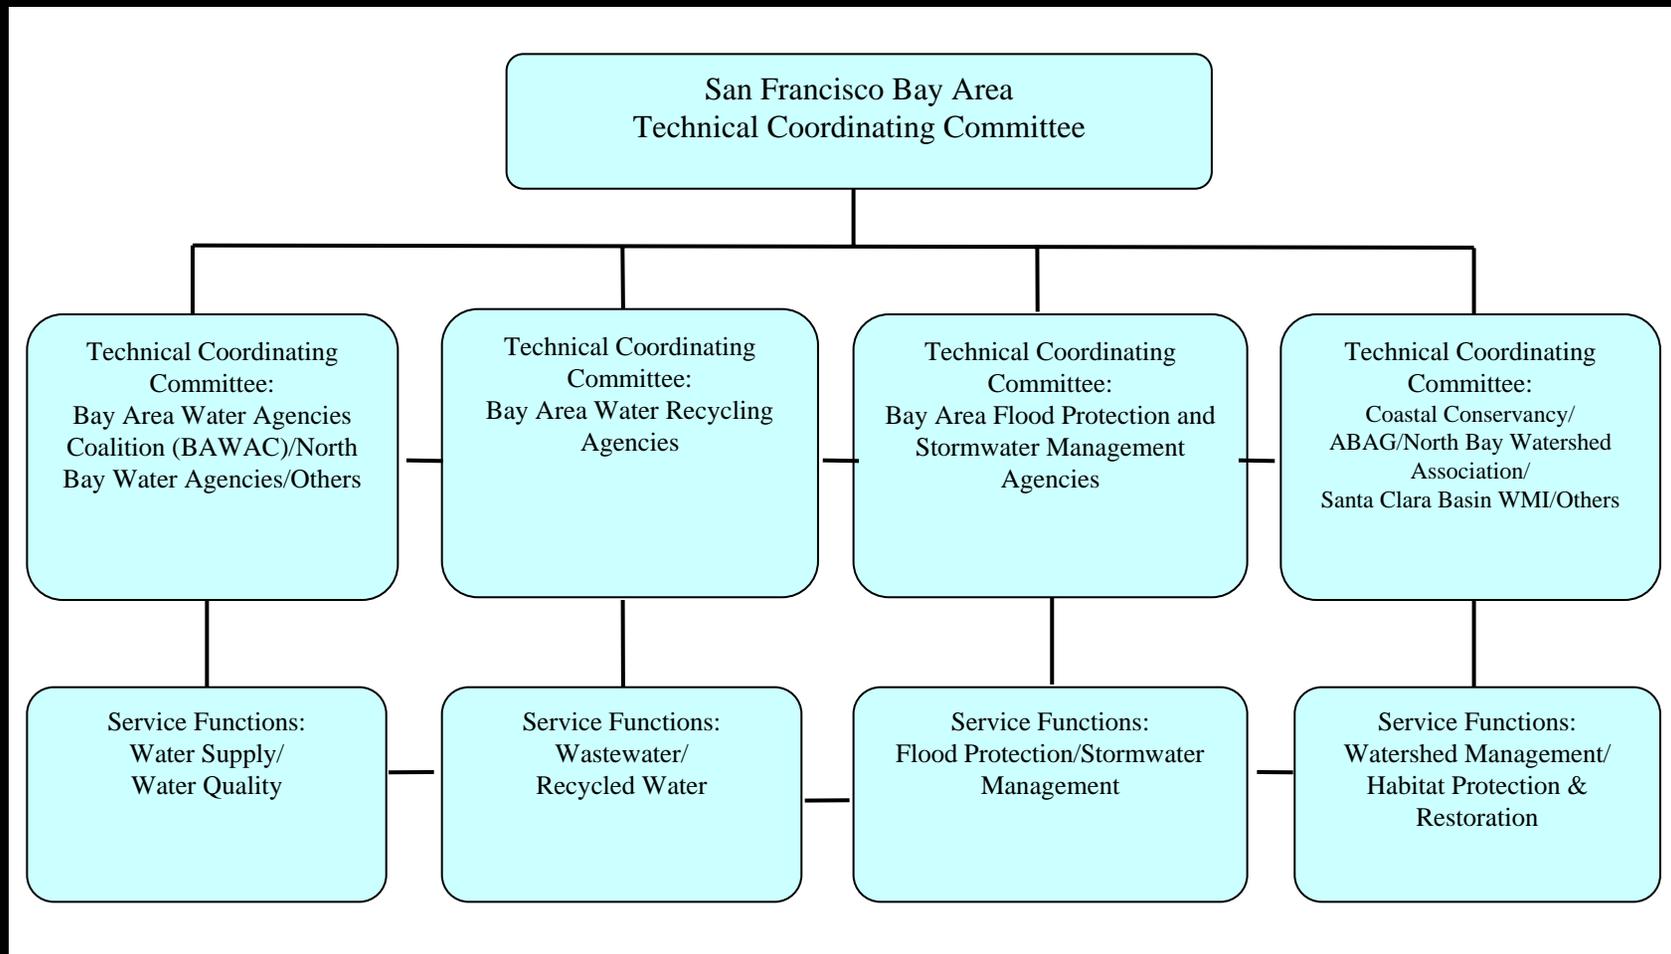

LOMU goals

- 1. Develop a comprehensive Integrated Regional Water Management Plan**
- 2. Foster coordination, collaboration and communication between Bay Area agencies**
- 3. Improve regional competitiveness for state and federal grant funding**

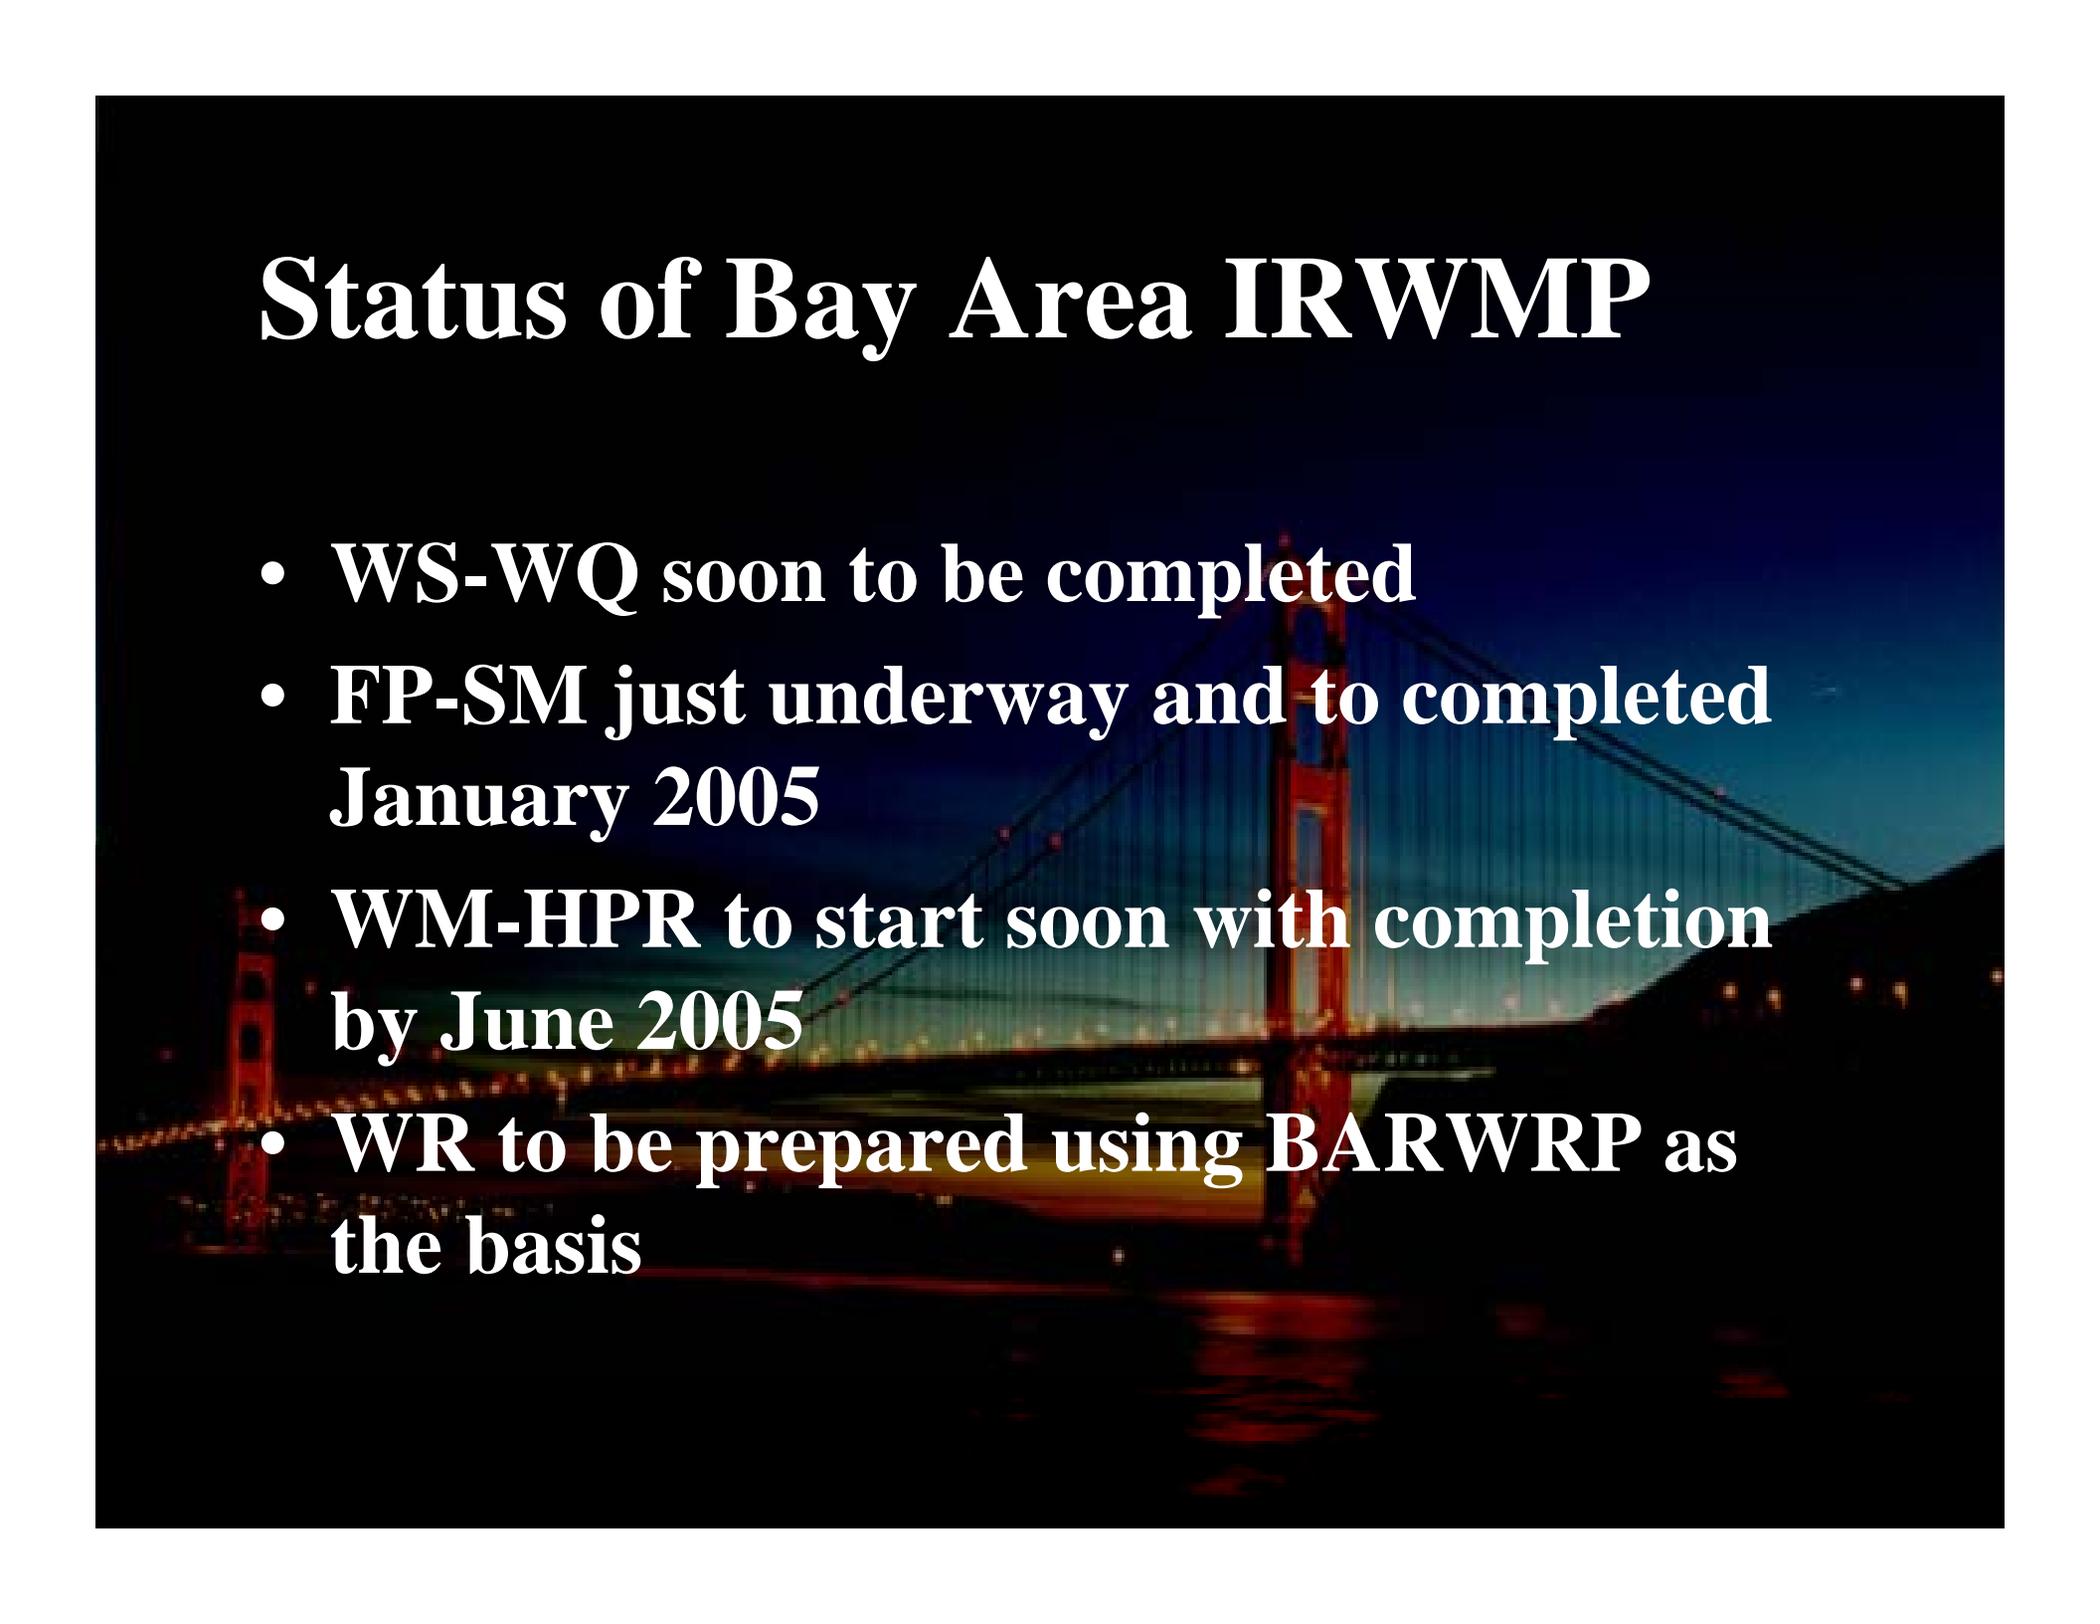

SF Bay Area IRWMP

- **Four functional area Technical Coordinating Committees (TCCs)**
 - **Water Supply & Water Quality**
 - **Clean Water & Recycled Water**
 - **Flood Protection & Stormwater Management**
 - **Watershed Management & Habitat Protection & Restoration**
- **SF Bay TCC**

IRWMP organizational chart

Status of Bay Area IRWMP

A nighttime photograph of the Golden Gate Bridge in San Francisco, California. The bridge's towers and suspension cables are illuminated with a warm, golden light, contrasting with the dark blue and black sky. The water in the foreground is dark, with some reflections of the bridge lights. The overall scene is serene and iconic.

- **WS-WQ soon to be completed**
- **FP-SM just underway and to completed January 2005**
- **WM-HPR to start soon with completion by June 2005**
- **WR to be prepared using BARWRP as the basis**

Timeline

- **Late 2004/early 2005 – Functional area IRWMP sections completed**
- **Feb 2005 – First cycle grant applications submitted**
- **May 2005 – Grants awarded**
- **2005 – Bay Area IRWMP completed**
- **Feb 2006 – Second cycle grant applications submitted**
