

In the opinion of Hawkins Delafield & Wood LLP, San Francisco, California, Bond Counsel to the Authority, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants as described herein, (i) interest on the Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and (ii) interest is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax imposed on such corporations. Interest on the Bonds is exempt from present State of California personal income taxes. See "TAX MATTERS" herein.

THE BONDS

General Provisions

The Bonds will be issued in fully registered form only and, when initially issued, will be registered in the name of Cede & Co., as nominee of DTC. DTC will act as securities depository for the Bonds. Purchasers of the Bonds will not receive physical certificates representing their beneficial ownership interests in the Bonds purchased. Payments of principal, premium, if any, and interest on the Bonds will be paid by the Trustee to DTC, which is obligated in turn to remit such principal, premium, if any, and interest to its DTC Participants for subsequent disbursement to the beneficial owners of the Bonds. See "APPENDIX C – BOOK-ENTRY ONLY SYSTEM" herein.

Terms of the Bonds

The Bonds will initially bear interest in the Weekly Mode, and interest will be calculated based on a 365 or 366 day year, as applicable, for the number of days actually elapsed during an Interest Period. Interest on the Bonds will be payable on the first Business Day of each month, commencing April 2, 2007. The Bonds will continue to bear interest at a Weekly Rate until the conversion thereof to a Term Mode or Fixed Rate Mode. Interest on the Bonds in a Term Mode or a Fixed Rate Mode will be calculated based on a 360-day year, consisting of twelve 30-day months. Ownership interests in the Bonds while in the Weekly Mode will be in denominations of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000. Ownership interests in the Bonds while in the Term Mode or the Fixed Rate Mode will be in denominations of \$5,000 or any integral multiple thereof.

Weekly Mode

Determination of Weekly Rate. When the Bonds are in the Weekly Mode, the Bonds will bear interest at the Weekly Rate, which will be determined by the Remarketing Agent not later than 2:00 p.m. (California time) on each Wednesday, or if Wednesday is not a Business Day, the following Business Day at 9:00 a.m. (California time) (the "Rate Determination Date" with respect to Bonds in the Weekly Mode). The Weekly Rate will be the rate determined by the Remarketing Agent (on the basis of examination of obligations comparable to the Bonds known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell the Bonds on such day at a price equal to the principal amount thereof plus accrued interest; provided, however, that if for any reason the Weekly Rate cannot be determined, the Weekly Rate for the next succeeding Weekly Rate Accrual Period is required to remain at the then-existing rate, and if the Weekly Rate cannot be determined for a second Weekly Rate Accrual Period then the Alternate Rate will be effective as provided in the Indenture. The Weekly Rate will in no event exceed the Maximum Rate (12%).

Adjustment to Weekly Mode. The Corporation, by written direction to the Trustee and the Remarketing Agent, and with the written consent of the Bank, may elect to adjust the Mode for the Bonds from a Term Mode to a Weekly Mode. Such direction will specify the effective date of such adjustment to a Weekly Mode, which will be (a) the final Interest Payment Date of the then current Term Rate Period not less than 30 days following the date of receipt by the Trustee of such direction, or (b) any date on which such Bonds may be optionally redeemed at a Purchase Price of 100% of the principal amount thereof, plus accrued interest, pursuant to the Indenture not less than 30 days following the date of receipt by the Trustee of such direction.

Notice of Adjustment to Weekly Mode. The Trustee is required to give notice by mail of an adjustment of the Bonds to a Weekly Mode to the Owners of such Bonds, with copies to the Bank and the Corporation, not less than 15 days prior to the effective date of such Weekly Mode. Such notice is required to state (1) that the interest rate on the Bonds will be adjusted to a Weekly Rate, (2) the effective date of such Weekly Mode, (3) the day by which the Weekly Rate will be determined and the manner by which such Weekly Rate may be obtained, (4) the Interest Payment Dates after such effective date, (5) that the Bonds are required to be purchased on such effective date pursuant to the Indenture, (6) the procedures for such purchase as provided in (5) above, (7) that, subsequent to such effective date, the DTC Participants or the Owners of Bonds will have the right to tender and demand purchase of Bonds upon not less than seven days notice, (8) the procedures for a demand for tender and purchase as provided in (7) above, (9) the redemption provisions that will pertain to the Bonds during such Weekly Mode, (10) the ratings that are expected to be assigned to the Bonds on such date, and (11) that such portion of Bonds not in Authorized Denominations on such Mode Change Date will be purchased as provided in the Indenture.

Term Mode

Determination of Term Rate. When the Bonds are in the Term Mode, the Bonds will bear interest at the Term Rate, which is required to be determined by the Remarketing Agent not later than 2:00 p.m. (California time) at least one Business Day prior to the first day of a Term Rate Period. The Term Rate for each Term Rate Period will be the rate determined by the Remarketing Agent (on the basis of examination of obligations comparable to the Bonds known to the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell the Bonds at a price equal to the principal amount thereof; provided, however, that if for any reason the Term Rate cannot be determined for any Term Rate Period, the interest rate on the Bonds is required to convert to a Weekly Rate. In no event is the Term Rate allowed to exceed the Maximum Rate (12%).

Adjustment to and Continuation of a Term Rate Period. The Corporation, by written direction to the Trustee and the Remarketing Agent, and with the written consent of the Bank, may elect to adjust the Mode for the Bonds from a Weekly Mode to a Term Mode or continue in the Term Mode and designate a new Term Rate Period. Such direction (1) will specify the effective date of such Term Rate Period, which is required to be (a) in the case of an adjustment from a Weekly Mode, an Interest Payment Date on which interest is payable for the Weekly Mode from which the adjustment is to be made, which Interest Payment Date will not be earlier than 30 days following the date of receipt by the Trustee of such direction and (b) in the case of a continuation of a Term Mode, the last Interest Payment Date of the then current Term Rate Period not less than 30 days following the date of receipt by the Trustee of such direction, and (2) will specify the last day of such new Term Rate Period, which is required to be a day immediately preceding a Business Day. At least 30 days prior to the last day of any Term Rate Period, the Corporation will elect whether the Bonds will bear interest at a Weekly Rate or a Term Rate after the then effective Term Rate Period.

Notice of Term Rate Periods. The Trustee is required to give notice by mail of each Term Rate Period to the Owners of the Bonds in such Term Mode, with copies to the Bank and the Corporation, not less than 15 days prior to the effective date of such Term Rate Period. Such notice is required to state (1) that the interest rate on the Bonds will be adjusted to or continue to be a Term Rate, (2) the effective date of such Term Rate Period, (3) the day by which the Term Rate for such Term Rate Period will be determined, (4) the manner by which such Term Rate may be obtained, (5) the Interest Payment Dates after such effective date, (6) the Bonds will be purchased on such effective date pursuant to the Indenture, (7) the procedures of such purchase, (8) the redemption provisions that will pertain to the Bonds during such Term Rate Period, and (9) the ratings which are expected to be assigned to the Bonds on such date.

Fixed Rate Mode

Determination of Fixed Rate. When the Bonds are to be converted to the Fixed Rate Mode, the Bonds will bear interest at the Fixed Rate, which is required to be determined by the Remarketing Agent not later than 2:00 p.m. (California time) on date determined by the Remarketing Agent which shall be at least one Business Day prior to the Mode Change Date. The Fixed Rate will be the rate determined by the Remarketing Agent (on the basis of

examination of obligations comparable to the Bonds known to the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell the Bonds at a price equal to the principal amount thereof; provided, however, that if for any reason the Fixed Rate cannot be determined, the interest rate on the Bonds is required to convert to a Weekly Rate. In no event is the Fixed Rate allowed to exceed the Maximum Rate (12%).

Adjustment to the Fixed Rate Mode. The Corporation, by written direction to the Trustee and the Remarketing Agent, and with the written consent of the Bank and the Authority, may adjust the Mode for the Bonds to a Fixed Rate. Such direction will specify the effective date of such Fixed Rate Mode, which is required to be (a) in the case of an adjustment from a Weekly Mode, an Interest Payment Date on which interest is payable for the Weekly Mode from which the adjustment is to be made, which Interest Payment Date may not be earlier than 30 days following the date of receipt by the Trustee of such direction and (b) in the case of an adjustment from a Term Mode, the last Interest Payment Date of the then current Term Rate Period not less than 30 days following the date of receipt by the Trustee of such direction.

Notice of Conversion to Fixed Rate Mode. The Trustee is required to give notice by mail of the conversion of the Bonds to the Fixed Rate Mode to the Owners of such Bonds, with copies to the Bank and the Corporation, not less than 15 days prior to the effective date of such Fixed Rate Mode. Such notice is required to state (1) that the interest rate on the Bonds will be adjusted to a Fixed Rate, (2) the effective date of such Fixed Rate Mode, (3) the day by which the Fixed Rate will be determined, (4) the manner by which such Fixed Rate may be obtained, (5) the Interest Payment Dates after such effective date, (6) the Bonds will be purchased on such effective date pursuant to the Indenture, (7) the procedures of such purchase, (8) the redemption provisions that will pertain to the Bonds during such Fixed Rate Mode, and (9) the ratings which are expected to be assigned to the Bonds on such date.

Alternate Rate for Interest Calculation. If (a) the Remarketing Agent fails or is unable to determine the interest rate(s) with respect to the Bonds for two consecutive Weekly Rate Accrual Periods as provided in the Indenture, or (b) the method of determining the interest rate(s) with respect to the Bonds is held to be unenforceable by a court of law of competent jurisdiction, the Bonds will thereupon bear interest at the Alternate Rate in a Weekly Mode from the last date on which such rate was determined. The Bonds may resume to bear interest at a Weekly Rate or a Term Rate at such time as the Remarketing Agent is able to determine the interest rates with respect to the Bonds or an Opinion of Bond Counsel is delivered to the effect that the method of determining interest hereunder is legally enforceable, as applicable.

Interest Rate Conclusive. The determination of the interest rate on the Bonds by the Remarketing Agent will be conclusive and binding upon the Owners of the Bonds, the Authority, the Tender Agent, the Bank, and the Trustee.

Credit Facility Coverage. The Corporation may not convert the Bonds to a Term Mode or a Weekly Mode unless (i) the Credit Facility provides, or has been modified to provide, coverage sufficient to maintain the rating on the then current Bonds and (ii) in the case of conversion of the Bonds to a Term Mode, the remaining term of the Credit Facility is at least equal to the length of the initial Term Rate Period.

Mandatory Redemption from Sinking Fund Payments. Prior to conversion to a Term Rate or a Fixed Rate, the Bonds are not subject to mandatory sinking fund redemption.

After conversion to a Term Rate or a Fixed Rate, the Bonds will be subject to mandatory sinking fund redemption, at 100% of the principal amount thereof, plus accrued interest to the redemption date, without premium, in accordance with a mandatory sinking fund schedule to be submitted by the Corporation to the Trustee.

Redemption Procedures

Selection of Bonds for Redemption. Whenever less than all of the Outstanding Bonds are to be redeemed on any one date, the Trustee shall select the Bonds to be prepaid by lot in any manner that the Trustee deems fair and appropriate, which decision shall be final and binding upon the Authority, the Corporation and the Owners. Notwithstanding the foregoing, all Bank Bonds shall be redeemed prior to the redemption of any other Bonds. The Trustee will promptly notify the Authority in writing of the numbers of the Bonds so selected for redemption on such date. For purposes of such selection, any Bond may be redeemed in part in Authorized Denominations.

Notice of Redemption. Notice of redemption is required to be given by the Trustee as provided in the Indenture to (i) the respective Holders of any Bonds designated for redemption at their addresses appearing on the Bond registration books of the Trustee (*i.e.*, Cede & Co., as nominee for DTC so long as the Bonds are subject to the DTC book-entry system), with a copy to the Bank, (ii) the Information Services and (iii) the Securities Depositories. Each notice of redemption is required to state the date of such notice, the redemption date, the redemption price (including any premium), the place or places of redemption (including the name and appropriate address or addresses of the Trustee), the CUSIP number (if any) of the maturity or maturities (provided that the Corporation will supply the CUSIP numbers and to the extent a Bond is redeemed or not because the CUSIP number designations of redeemed bond was incorrect, such event will not, under any circumstances, result in any liability to the Trustee in identifying a Bond by its CUSIP number) and, if less than all the Bonds of any maturity of a particular Bond are to be redeemed, the distinctive certificate numbers of the Bonds of such maturity to be redeemed and, in the case of the Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice will also state that on said date there will become due and payable on each of said Bonds the redemption price thereof or of said specified portion of the principal amount thereof in the case of a Bond to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such redemption date interest thereon will to cease to accrue, and will require that such Bonds be then surrendered at the address or addresses of the Trustee specified in the redemption notice. Conditional notice of optional redemption may be given at the direction of the Corporation. Prior to or contemporaneously with any withdrawal or rescission of any notice of redemption, the Trustee and the Tender Agent will receive written confirmation from the Bank of the full reinstatement, if any, of the Credit Facility.

Any notice of redemption is required to be mailed by first-class mail, postage prepaid, to Bondholders and the Bank not less than 15 days or more than 60 days prior to the date fixed for redemption. Notices to the Information Services is required to be mailed by the Trustee by

certified, registered or overnight mail at the time of the mailing of notices to Bondholders. Notices to the Securities Depositories are required to be given by telecopy or by certified, registered or overnight mail at least one Business Day before the mailing of notices to Bondholders.

Failure by the Trustee to give notice pursuant to the Indenture, or the insufficiency of any such notice, will not affect the sufficiency of the proceedings for redemption.

Effect of Redemption. Moneys for payment of the Redemption Price of, together with interest accrued to the redemption date on, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so called for redemption will become due and payable at the Redemption Price specified in such notice and interest accrued thereon to the redemption date, interest on the Bonds so called for redemption will cease to accrue from and after the redemption date, said Bonds (or portions thereof) will cease to be entitled to any benefit or security under the Indenture, and the Holders of said Bonds will have no rights in respect thereof except to receive payment of said Redemption Price. All Bonds redeemed pursuant to the provisions of the Indenture will be cancelled upon surrender thereof.

Optional and Mandatory Tender

Demand Purchase of Bonds. While the Bonds are in the Weekly Mode, the Beneficial Owner (or if the Bonds are not Book-Entry Bonds, the Holder) of any Bond may elect to tender such Bonds, or portion thereof in an Authorized Denomination, for purchase at a purchase price equal to 100% of the principal amount of such Bond (or portion thereof to be tendered), plus accrued and unpaid interest thereon to but not including the date of purchase, on any Business Day (the "Optional Tender Date"), but only upon (i) receipt by the Remarketing Agent by not later than 9:00 a.m. (California time) at least seven (7) calendar days, but not more than thirty (30) days, prior to such Optional Tender Date of telephonic (followed by written or facsimile confirmation delivered to the Remarketing Agent no later than the close of business on the next succeeding Business Day) or written notice from the DTC Participant through whom such Beneficial Owner holds such Bonds (or if the Bonds are not Book-Entry Bonds, the Holder) stating (1) the principal amount of the Bond (or portion thereof) to be tendered, (2) the Bond number or other identification satisfactory to the Remarketing Agent, and (3) the Optional Tender Date on which such Bond will be tendered; and (ii) if the Bonds are not Book-Entry Bonds, delivery of such Bond (with an appropriate instrument of transfer duly executed in blank) to the Tender Agent by 9:30 a.m. (California time) on such Optional Tender Date. Upon receipt by the Remarketing Agent of a notice of optional tender for purchase, the Remarketing Agent shall give prompt telephonic notice thereof to the Trustee (and written notice to the Tender Agent if the Bonds are not Book-Entry Bonds).

Mandatory Tender Upon Failure to Renew Credit Facility. The Bonds shall be purchased pursuant to a mandatory tender as provided in the Indenture, in the event that (a) a notice of renewal of the Credit Facility or a notice of expected delivery of an Alternate Credit Facility is not delivered by the Bank or the provider of the Alternate Credit Facility, as applicable, to the Trustee at least fifteen (15) days prior to the scheduled expiration of the Credit Facility or (b) the Credit Facility is not actually renewed or such Alternate Credit Facility is not

actually delivered on a Business Day at least seven (7) days prior to such expiration date. Upon the occurrence of an event described in (a) or (b) of this paragraph, the Trustee shall promptly mail a notice to all Holders of the Bonds stating that the Bonds will be subject to mandatory tender on a purchase date selected by the Trustee that is a Business Day at least five (5) days preceding the expiration date of the Credit Facility (provided that no such tender shall occur if the Bonds are converted to the Fixed Rate Mode and successfully remarketed on a Business Day at least five (5) days prior to such expiration date).

Mandatory Tender for Purchase of Bonds. The Bonds will be purchased pursuant to a mandatory tender (i) on each Mode Change Date, (ii) on the Business Day next succeeding the last day of a Term Rate Period and (iii) during a Weekly Mode, on the effective date of an Alternate Credit Facility, (iv) on any Business Day within five days after receipt by the Trustee of written notification from the Bank that an event of default under the Reimbursement Agreement has occurred and is continuing and instructing the Trustee to call for a mandatory tender of the Bonds and (v) on a Business Day at least five days preceding the expiration date of the Credit Facility pursuant to a failure to renew or replace the Credit Facility as provided in the Indenture (each a "Purchase Date"), and the Owner or Direct Participant of such Bond is required to tender such Bond for purchase as provided below and such Bond will be purchased or deemed purchased at a Purchase Price equal to the principal amount thereof plus accrued interest thereon. Payment of the Purchase Price of such Bond is required to be made by 1:30 p.m. (California time), in the same manner as payment of interest on the Bonds, to the Direct Participant with respect to Book-Entry Bonds (or the Owner of record if the Bonds are not Book-Entry Bonds), on the Record Date. If the Bonds are Book-Entry Bonds, the tendering Direct Participant is required to transfer, on the registration books of DTC, the beneficial ownership interests in such Bonds tendered for purchase to the account of the Trustee or a Direct Participant acting on behalf of the Trustee. If the Bonds are not Book-Entry Bonds, the Owner is required to deliver such Bonds no later than 9:30 a.m. (California time) on the Purchase Date to the Tender Agent at its corporate trust office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, with the signature guaranteed in accordance with the guidelines set forth by one of the nationally recognized medallion signature programs.

Purchase and Remarketing of Bonds

Bonds Delivered for Purchase. Except as provided in the Indenture, the Trustee (or the Tender Agent if the Bonds are not Book-Entry Bonds) will purchase, but only from the sources listed below, Bonds required to be purchased by the Trustee (or the Tender Agent if the Bonds are not Book-Entry Bonds) not later than the close of business (California time) on the date such Bonds are required to be purchased at the Purchase Price. Funds for the payment of such Purchase Price by the Trustee (or the Tender Agent if the Bonds are not Book-Entry Bonds) will be derived from the following sources in the order of priority indicated:

- (1) the remarketing proceeds of the sale of the Bonds as are received from purchasers of the Bonds pursuant to the Indenture; and
- (2) moneys furnished to the Trustee representing the proceeds of a draw under the Credit Facility.

If moneys sufficient to pay the Purchase Price of Bonds to be purchased pursuant to the Indenture shall be held by the Trustee, the Tender Agent or the Remarketing Agent, as applicable, on the date such Bonds are to be purchased, any Bonds to be so purchased will be deemed to have been transferred on the registration books of DTC or delivered for purchase, as applicable, on such date and to have been purchased. The DTC Participants with respect to Book-Entry Bonds or former holders with respect to the Bonds that are not Book-Entry Bonds, will thereafter have no rights with respect to such Bonds except to receive payment of the Purchase Price therefor.

Delivery of Remarketed Bonds and Bank Bonds. The Trustee and the Tender Agent, as applicable, are required to each hold all Bonds delivered to it in trust for the benefit of the DTC Participants who have transferred their interests in the Book-Entry Bonds or the respective Owners which will have so delivered such Bonds until moneys representing the Purchase Price of such Bonds will have been delivered to or for the account of or to the order of such DTC Participants or Owners. The Trustee and the Tender Agent are required to each hold all moneys for the purchase of Bonds uninvested in trust for the benefit of the person or entity which will have so delivered such moneys until Bonds purchased with such moneys will have been delivered to or for the account of such person or entity. Neither the Authority nor the Corporation will have any right, title, or interest in or to any remarketing proceeds held by the Trustee, the Tender Agent or the Remarketing Agent.

Book-Entry Bonds purchased with remarketing proceeds pursuant to an optional tender or mandatory tender are required to be transferred on the registration books of DTC on the date of such purchase or the date the ownership interest will be transferred to the new DTC Participants on the books of DTC, against payment to the Remarketing Agent in immediately available funds or evidence of immediately available funds in the form of a federal reserve wire number.

Bonds purchased with moneys obtained by a drawing on the Credit Facility ("Bank Bonds") are required to be registered in the name of the Bank or its nominee on the registration books of DTC, with respect to Book-Entry Bonds, or held by the Tender Agent as directed in writing by the Bank. The Remarketing Agent is required to seek to remarket any Bank Bonds prior to remarketing any other Bonds tendered for purchase. The proceeds of any remarketing of Bank Bonds are required to be delivered to the Trustee and transferred to the Bank. Upon receipt by the Trustee of funds representing the proceeds of the remarketing of Bank Bonds, Bonds in place of such Bank Bonds so purchased will be made available for pick-up by the Remarketing Agent for subsequent delivery to the purchasers thereof, or the ownership interest will be transferred to the new DTC Participants on the books of DTC. Prior to or contemporaneously with such delivery, the proceeds of such remarketing will have been or will be delivered to the Trustee and transferred to the Bank, and the Trustee and the Tender Agent will have received written confirmation from the Bank of the reinstatement of the Credit Facility.

If any Bond is tendered after a notice of redemption for such Bond has been given, the Remarketing Agent will give the redemption notice to any purchaser of such Bond or to DTC if a Book-Entry Bond.

Draws Upon the Credit Facility. The Trustee is required to draw on the Credit Facility prior to 8:30 a.m. (California time) on the Purchase Date in the amount necessary to provide to the Trustee or the Tender Agent the balance of the funds needed to purchase tendered Bonds on the Purchase Date, such balance will be determined based upon notification provided to the Trustee by the Remarketing Agent. Such moneys will be used only to pay the Purchase Price as provided in the Indenture, and if not so used are required to be promptly returned to the Bank. In the event that the Bonds are not Book-Entry Bonds, all amounts received from a draw under the Credit Facility will be transferred immediately by the Trustee to the Tender Agent to purchase tendered Bonds on the Purchase Date.

Delivery of Proceeds of Sale Held by Remarketing Agent. So long as the Bonds are Book-Entry Bonds, if the Remarketing Agent has received from the purchasers thereof remarketing proceeds for the remarketing of all Bonds to be remarketed pursuant to an optional tender on an Optional Tender Date, the Remarketing Agent will promptly forward by not later than the close of business (California time) on the Purchase Date such remarketing proceeds by wire transfer (or in such other manner as is acceptable to the Remarketing Agent) to the Beneficial Owners tendering such Bonds for purchase. Until such transfer, all such remarketing proceeds are required to be deposited in a separate, segregated account of the Remarketing Agent and until so applied will be held uninvested in trust for the benefit of the Beneficial Owners tendering such Bonds for purchase.

If the Remarketing Agent has not received remarketing proceeds with respect to all of the Bonds to be remarketed on a Purchase Date or the Bonds are not Book-Entry Bonds or the Bonds are Bank Bonds, the proceeds of the remarketing of such Bonds received by the Remarketing Agent will be transferred by the Remarketing Agent to the Tender Agent or the Trustee, as applicable, no later than 9:00 a.m. (California time) on the Purchase Date and, upon receipt thereof, the Tender Agent or the Trustee, as applicable, is required to immediately apply such proceeds to the payment of the Purchase Price of Bonds to the Beneficial Owners or Owners or, in the case of the remarketing of Bonds which constitute Bank Bonds, to the Bank. In making payments to the Bank, the Trustee may conclusively assume that the Bank has not been repaid from any other sources.

Notices Upon Delivery of Alternate Credit Facility. Whenever the Corporation has delivered to the Trustee notice of delivery of an Alternate Credit Facility pursuant to the Loan Agreement, the Trustee will mail a notice to all Holders of the Bonds stating: (i) the name of the issuer of the Alternate Credit Facility, (ii) the date on which the Alternate Credit Facility will become effective, (iii) the rating expected to apply to the Bonds after the Alternate Credit Facility is delivered, and (iv) if the Bonds is in the Weekly Mode, notice that such Bonds will be subject to mandatory tender for purchase on the effective date of the Alternate Credit Facility. Such notice will be mailed at least fifteen (15) days prior to the effective date of the Alternate Credit Facility.

REMARKETING AGREEMENT

The Corporation has entered into a Remarketing Agreement for the Bonds, dated as of March 1, 2007 (the "Remarketing Agreement"), with Stone & Youngberg LLC as the Remarketing Agent (the "Remarketing Agent"). Under the Remarketing Agreement, the Remarketing Agent has agreed to use its best efforts to offer for sale all Bonds tendered in accordance with the provisions of the Indenture.

SECURITY FOR THE BONDS

General

The Bonds are being offered solely on the basis of the Letter of Credit and the financial strength of the Bank and not the operations, financial strength or condition of the Corporation or any other security. This Official Statement does not describe the financial condition of the Corporation. The rating assigned to the Bonds is based primarily on the creditworthiness of the Bank. Prospective purchasers of the Bonds that wish to make a full evaluation of the financial status of the Bank are advised to obtain financial statements of the Bank.

The Bonds are limited obligations of the Authority payable solely from and secured by certain Revenues pledged under the Indenture, consisting primarily of Loan Payments made by the Corporation under the Loan Agreement and certain other funds as provided by the Indenture. Pursuant to the terms of the Indenture, subject only to the provisions of such Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, there are pledged to secure the payment of the principal of and premium, if any, and interest on the Bonds in accordance with their terms and the provisions of such Indenture, all of the Revenues and other amounts (including proceeds of the sale of Bonds) held in certain funds or accounts established pursuant to such Indenture (other than the Rebate Fund under the Indenture). "Revenues" is defined under the Indenture to include all payments received by the Authority or the Trustee from the Corporation with respect to the Bonds (except Additional Payments paid by the Corporation pursuant to the Loan Agreement and any amounts paid by the Corporation pursuant to the indemnification provisions of the Loan Agreement), including, without limiting the generality of the foregoing, Loan Payments (including both timely and delinquent payments, any late charges, and whether paid from any source), prepayments of all or any part of the Loan Payments and all interest, profits or other income derived from the investment of any money in any fund or account established pursuant to the Indenture (except with respect to the Bonds to the extent such interest, profits or other income is required to be transferred to or retained in the Rebate Fund pursuant to the Indenture or the Tax Agreement). See "APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – Indenture – Pledge and Assignment of Revenues and Rights under the Loan Agreement; Revenue Fund" herein.

THE BONDS ARE SPECIAL OBLIGATIONS OF THE AUTHORITY, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGE OF REVENUES PURSUANT TO THE INDENTURE. NEITHER THE AUTHORITY, THE ASSOCIATION OF BAY AREA GOVERNMENTS ("ABAG") OR THE MEMBERS OF THE AUTHORITY OR ABAG SHALL BE DIRECTLY OR INDIRECTLY OR CONTINGENTLY OR MORALLY

OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS OF THE AUTHORITY, ABAG OR ANY OF ITS MEMBERS TO PAY ALL OR ANY PORTION OF DEBT SERVICE DUE ON THE BONDS. THE BONDS AND THE OBLIGATION TO PAY PRINCIPAL OF AND INTEREST THEREON AND ANY REDEMPTION PREMIUM WITH RESPECT THERETO DO NOT CONSTITUTE AN INDEBTEDNESS OR AN OBLIGATION OF THE AUTHORITY OR ABAG, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION, OR A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWERS OF ANY OF THEM, BUT SHALL BE PAYABLE SOLELY FROM THE REVENUES DESCRIBED HEREIN. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE TAXING POWER OF THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO PAY ANY PRINCIPAL OF, PURCHASE PRICE, PREMIUM, IF ANY, OR INTEREST ON THE BONDS. NEITHER THE AUTHORITY NOR ABAG HAS ANY TAXING POWER.

See "APPENDIX A – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS" herein for a summary of certain provisions of the Indenture and the Loan Agreement.

Assignment

Pursuant to the Indenture, the Authority transfers in trust, grants a security interest in and assigns to the Trustee, for the benefit of the Holders from time to time of the Bonds, and to the Bank, all of the Revenues and other amounts pledged under such Indenture and all of the right, title and interest of the Authority in the Loan Agreement (except for any deposits to the Rebate Fund, and except for the right to receive any Administrative Fees and Expenses payable to the Authority, the right of the Authority to receive any indemnification and the right to receive any notices and reports). Under the Indenture, the Trustee is entitled to and is required to collect and receive all of the Revenues, and any Revenues collected or received by the Authority will be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and is required to forthwith be paid by the Authority to the Trustee without any set-off whatsoever.

Enforceability of Remedies

The remedies available to the Trustee or the Bondholders upon an Event of Default under the Indenture or the Loan Agreement are in many respects dependent upon judicial actions that are often subject to discretion and delay, and such remedies may not be readily available or may be limited. In particular, under the United States Bankruptcy Code, a bankruptcy case may be filed with respect to the Authority or the Corporation. In general, the filing of any such petition operates as a stay against enforcement of the terms of the agreements to which the bankrupt entity is a party, and, in the bankruptcy process, executory contracts such as the Loan Agreement or the Indenture may be subject to assumption or rejection by the bankrupt party. In the event of any such rejection, the non-rejecting party or its assigns may become an unsecured claimant of the rejecting party. The various legal opinions to be delivered concurrently with the Bonds (including Bond Counsel's approving opinion) will be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or

other similar laws affecting the rights of creditors generally and by general principles of equity applied in the exercise of judicial discretion.

Amendment of Indenture and Loan Agreement

So long as the Credit Facility is outstanding and the Bank is not wrongfully dishonoring any draws thereunder, the Indenture and the Loan Agreement may be amended with Bank consent and without Bondholder consent.

THE LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT

The Letter of Credit

The Letter of Credit will be issued pursuant to the Letter of Credit and Reimbursement Agreement (the "Reimbursement Agreement"). Although certain provisions of the Letter of Credit are summarized below, this summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full terms of the Letter of Credit. See "APPENDIX D – FORM OF LETTER OF CREDIT."

The Letter of Credit is an irrevocable direct pay letter of credit issued by the Bank in an amount not exceeding \$11,426,313, of which, subject to the terms and conditions of the Letter of Credit, (a) up to \$11,300,000 may be drawn on to pay principal or the portion of the purchase price corresponding to principal of the Bonds (the "Principal Component"), and (b) up to the amount of \$126,313 may be drawn to pay interest on or the portion of the purchase of the purchase price of Bonds corresponding to thirty four (34) days of interest on the Bonds computed at a maximum rate of twelve percent (12%) per annum and computed on the basis of the actual number of days elapsed over a year of 365 days (the "Interest Component").

The Letter of Credit will permit the Trustee to draw thereunder (a) to pay the principal and interest on and Redemption Price of the Bonds as provided for under the Indenture, (b) to pay the Purchase Price upon an optional or a mandatory tender of all or a portion of the Bonds as provided for under the Indenture, (c) to pay the Purchase Price upon an optional or mandatory sinking fund redemption of all or a portion of the Bonds as provided for under the Indenture, or (d) to pay the maturing principal amount of and interest on the Bonds, whether by acceleration, defeasance or stated maturity.

The Stated Amount (as defined in the Letter of Credit) of the Letter of Credit will be reduced automatically by the amount of any Interest Component drawn thereunder; provided, however, that the amount of any Interest Component drawn thereunder shall be immediately and automatically reinstated effective after the Bank's honoring of such draw, or under some circumstances, such earlier time when and to the extent the Bank is reimbursed by or on behalf of the Corporation for such Interest Component drawn. The Stated Amount of the Letter of Credit will also be reduced automatically by the amount of the Principal Component drawn pursuant to a mandatory or optional tender of all or a portion of the Bonds; provided, however, that such amount shall be automatically reinstated, when and to the extent the Bank is reimbursed by or on behalf of the Corporation for such Principal Component drawn. Notwithstanding the foregoing, the Letter of Credit will not apply to the payment of principal and interest payable with respect to the Bonds which are held in the name of the Corporation or the Trustee on behalf of the Corporation, or to the payment of principal and interest with respect to any Bonds held in the name of the Bank as Bank Bonds.

The termination date of the Letter of Credit will be the earliest of (i) March 29, 2010, or such later date as extended by the Bank; (ii) the date when the final draw is honored and paid by the Bank; (iii) the date on which the Bank receives from the Trustee a certificate confirming that (a) the Trustee surrenders the Letter of Credit to the Bank, in accordance with the Indenture, (b) the Letter of Credit is terminated in accordance with its terms, and (c) no payment is required of

the Bank in connection with the Trustee's surrender of the Letter of Credit; (iv) 2 Business Days after the first date on which the interest rate with respect to the Bonds is converted to a Term Rate or a Fixed Rate pursuant to the Indenture; or (v) 30 days after the Bank sends a notice of the occurrence of an event of default under the Reimbursement Agreement.

The Letter of Credit and Reimbursement Agreement

The Bank has certain rights and the Corporation has certain obligations under the Reimbursement Agreement. These rights of the Bank do not extend to the Bondholders. In addition, the Corporation's compliance with its obligations under the Reimbursement Agreement can be waived solely at the behest of the Bank. The Reimbursement Agreement provides for, among other things, repayment by the Corporation of amounts drawn under the Letter of Credit. Although certain aspects of the Reimbursement Agreement are summarized herein, this summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full terms of the Reimbursement Agreement.

The occurrence of any of the following events is an Event of Default under the Reimbursement Agreement:

(a) The Corporation fails to pay any amount payable under the Reimbursement Agreement or under the Letter of Credit, the Bonds, the Indenture, the Loan Agreement, or any other agreement or instrument relating to the documents (collectively, the "Related Documents"); or

(b) The Corporation or anyone acting on its behalf makes a representation, warranty, certification or statement that is false, misleading or incomplete in any material respect and the Bank relied upon such representation, warranty, certification or statement to its detriment; or

(c) The Corporation fails to perform or observe its covenants under the Reimbursement Agreement and any such failure remains unremedied for a period of 30 days after the date upon which written notice of such failure, requiring the same to be remedied, was given to the Corporation by the Bank; or

(d) The Corporation fails to perform or observe any other material term, covenant or agreement in the Reimbursement Agreement and such failure remains unremedied for a period of 30 days after the Bank provides written notice of such failure to the Corporation, or if such failure cannot be cured within 30 days, within a reasonable time after written notice, provided such cure is diligently commenced and pursued to completion, but in no event longer than 90 days; or

(e) The Corporation fails to pay any Indebtedness when due in excess of Two Hundred Fifty Thousand Dollars (\$250,000), in the aggregate, or any interest or premium thereon, and after any applicable grace period relating to the Indebtedness; or any other default under any agreement or instrument relating to any such Indebtedness; or any other event occurs and continues after the applicable grace period, if the effect of such default or event is to accelerate, or to permit the acceleration of the maturity of the Indebtedness; or any such Indebtedness is due and payable, or required to be prepaid, prior to the stated maturity thereof; or

(g) Filing of an involuntary petition against the Corporation in bankruptcy or seeking reorganization, arrangement, readjustment of its debts or for any other relief under the bankruptcy or insolvency laws, now or hereafter existing; or the involuntary appointment of a receiver, a trustee or a custodian of the Corporation or for all or a substantial part of its property; the issuance of a warrant of attachment, execution or similar process against any substantial part of the property of the Corporation and the continuance of any of such events for sixty (60) days undismissed, undischarged or unstayed; or

(h) Any material provision of the Reimbursement Agreement ceases to be valid and binding on the Corporation for any reason, or is declared null and void, or the validity or enforceability thereof is contested by the Corporation, or a proceeding is commenced by any governmental agency or authority having jurisdiction over the Corporation seeking to establish the invalidity or unenforceability thereof, or the Corporation denies that it has any or further liability or obligation under the Reimbursement Agreement; or

(i) Any "event of default" by the Corporation under and as defined in the Related Documents occurs and is not waived; or

(j) The Bonds are determined to be invalid for any reason or the Indenture, Loan Agreement, or Remarketing Agreement ceases to be in full force and effect for any reason and all applicable cure periods have expired; or

(k) Any Plan Termination Event (as defined in the Reimbursement Agreement) with respect to a Plan which the Bank determines in good faith might constitute grounds for the termination of any Plan or for the appointment of a trustee to administer any Plan occurs, and, after the expiration of no less than 30 days after notice is given to the Borrower by the Bank, (i) such Plan Termination Event (if correctable) is not corrected, and (ii) the then present value of such Plan's vested benefits exceeds the then current value of assets accumulated in such Plan; or

If an Event of Default occurs and unless such Event of Default is waived by the Bank or cured to the satisfaction of the Bank, the Bank is entitled to: (i) declare all unreimbursed drawings under the Letter of Credit or any other obligation of the Corporation to be due and

immediately payable; or (ii) enforce any and all of the Bank's rights under the Reimbursement Agreement and Related Documents, including the right to set-off; or (iii) direct the Trustee to draw on the Letter of Credit in accordance with the Indenture and to accelerate the Bonds or to direct a mandatory tender of the Bonds, as provided in the Indenture. These remedies are not exclusive of any other available remedy or remedies under the Reimbursement Agreement or Related Documents, or now or hereafter existing at law or in equity or by statute. If an Event of Default occurs and continues, and there is outstanding all or any part of any unreimbursed Letter of Credit payment(s) or any other obligation under the Reimbursement Agreement, the Corporation agrees that the Bank will be subrogated to the Corporation's rights against the beneficiary of the Letter of Credit.

Alternate Credit Facility

Pursuant to the terms of the Indenture, the Corporation may elect to replace any Credit Facility with an Alternate Credit Facility conforming to the requirements of the Indenture. The Corporation will promptly notify the Trustee of its intention to deliver an Alternate Credit Facility. Upon receipt of such notice, the Trustee will deliver a notice of mandatory tender of the Bonds in accordance with the terms of the Indenture.

THE CORPORATION

INVESTMENT CONSIDERATIONS

The following information should be considered by prospective investors in evaluating the Bonds. However, the following does not purport to be an exclusive listing of risks and other considerations that may be relevant to investing in the Bonds, and the order in which the following information is presented is not intended to reflect the relative importance of any such risks and considerations.

Security for the Bonds

The Bonds are being offered solely on the basis of the Letter of Credit and the financial strength of the Bank and not the operations, financial strength or condition of the Corporation or any other security. This Official Statement does not describe the financial condition of the Corporation. The rating assigned to the Bonds is based primarily on the creditworthiness of the

Bank. Prospective purchasers of the Bonds that wish to make a full evaluation of the financial status of the Bank are advised to obtain financial statements of the Bank.

Except as noted herein under "THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT," the Bonds are payable solely from payments made pursuant to the Loan Agreement. No representation or assurance can be made that revenues will be realized by the Corporation in amounts sufficient to make payments required by the Loan Agreement and thus to pay maturing principal, mandatory sinking fund requirements and interest on the Bonds. Future economic and other conditions, including economic trends and events, technological developments and demographic changes, increases in insurance claims, as well as increased costs and changes in government regulations, including Internal Revenue Service (the "IRS") policy regarding tax exemption, may adversely affect the future financial condition of the Corporation and, consequently, its ability to make payments of the principal of and premium, if any, and interest on the Bonds.

Expiration of the Letter of Credit

The initial Letter of Credit expires on March 29, 2010, subject to extension or earlier termination in certain circumstances as described therein. If the Letter of Credit is not extended or an Alternate Credit Facility is not obtained by the Corporation, the Bonds will be subject to mandatory redemption. There can be no assurance that the Corporation will be able to obtain an extension of the Letter of Credit or an Alternate Credit Facility. The Bank is under no obligation to extend the Letter of Credit beyond the scheduled expiration thereof.

Bank's Obligations Unsecured

The ability of the Bank to honor draws upon the Letter of Credit is based solely upon the Bank's general credit and is not collateralized or otherwise guaranteed by the United States of America or any agency or instrumentality thereof. No provision has been made for replacement of or substitution for the Letter of Credit in the event of any deterioration in the financial condition of the Bank. Neither the Authority, the Corporation or the Bank assumes any liability to any purchaser of the Bonds as a result of any deterioration of the financial condition of the Bank. Upon any insolvency of the Bank, any claim by the Trustee against the Bank would be subject to bank receivership proceedings.

General Factors Affecting the Bank

The Bank is subject to regulation and supervision by various regulatory bodies. New regulations could impose restrictions upon the Bank which would restrict its ability to respond to competitive pressures. Various legislative or regulatory changes could dramatically impact the banking industry as a whole and the Bank specifically. The banking industry is highly competitive in many of the markets in which the Bank operates. Such competition directly impacts the financial performance of the Bank. Any significant increase in such competition could adversely impact the Bank.

Prospective purchasers of the Bonds should evaluate the financial strength of the Bank based upon the information contained and referred to herein under the caption "THE BANK",

and other information available upon request from the Bank and should not rely upon any governmental supervision by any regulatory entity.

Tax-Exempt Status

Tax-Exempt Status of Interest on the Bonds. The Internal Revenue Code of 1986, as amended (the "Code") imposes a number of requirements that must be satisfied for interest on state and local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of Bond proceeds, limitations on the investment earnings of Bond proceeds prior to expenditure, a requirement that certain investment earnings on Bond proceeds be paid periodically to the United States and a requirement that the issuers file an information report with the IRS. The Authority and the Corporation have covenanted in certain of the documents referred to herein that they will comply with such requirements. Failure by the Corporation to comply with the requirements stated in the Code and related regulations, rulings and policies may result in the treatment of interest on the Bonds as taxable, retroactively to the Date of Delivery of the Bonds.

Tax-Exempt Status of the Corporation. The tax-exempt status of interest on the Bonds presently depends upon the maintenance by the Corporation of its status as an organization described in Section 501(c)(3) of the Code. The maintenance of such status is contingent upon compliance with general rules promulgated in the Code and related regulations regarding the organization and operation of tax-exempt entities, including their operation for charitable purposes and their avoidance of transactions which may cause their earnings or assets to inure to the benefit of private individuals. As these general principles were developed primarily for public charities which do not conduct large-scale technical operations and business activities, they often do not adequately address the myriad of operations and transactions entered into by modern tax-exempt organizations.

Tax-exempt organizations such as the Corporation are subject to scrutiny from ongoing IRS audit programs. The primary penalty available to the IRS under the Code with respect to a tax-exempt entity engaged in unlawful, private benefit is the revocation of tax-exempt status. Although the IRS has not frequently revoked the tax-exempt status of nonprofit Corporations or trusts, it could do so in the future. Loss of tax-exempt status by the Corporation would most likely result in loss of tax exemption of interest on the Bonds and of future tax-exempt debt of the Corporation, if any, and defaults in covenants regarding the Bonds and existing and future tax-exempt debt, if any, would likely be triggered. Loss of tax-exempt status of the Corporation would also have material adverse consequences on the financial condition of the Corporation.

Bond Audit. The IRS has an ongoing program of examining tax-exempt obligations to determine whether, in the view of the IRS, interest on such obligations is properly excluded from gross income for federal income tax purposes, and it is possible that the Bonds may be selected for examination under such program. If an examination is commenced, under current procedures, the IRS will treat the Authority as the relevant taxpayer under the Code, and the holders of the Bonds may have no right to participate.

The Corporation has not sought to obtain a private letter ruling from the IRS with respect to the Bonds, and the opinion of Bond Counsel as to the tax-exempt status of the Bonds (see

"TAX MATTERS" herein) is not binding on the IRS. An IRS examination of the Bonds could adversely affect the market value and liquidity of the Bonds or result in the loss of the tax-exempt status of the Bonds

Unrelated Business Income. In recent years, the IRS and state, county and local taxing authorities have been undertaking audits and reviews of the operations of tax-exempt organizations with respect to their exempt activities and the generation of unrelated business taxable income ("UBTI"). The Corporation has not historically generated any significant amount of UBTI. The Corporation may participate in activities which generate UBTI in the future. Management believes it has properly accounted for and reported UBTI; nevertheless, an investigation or audit could lead to a challenge which could result in taxes, interest and penalties with respect to unreported UBTI and in some cases could ultimately affect the tax-exempt status of the Corporation as well as the exclusion from gross income for federal income tax purposes of the interest on the Bonds and other future tax-exempt debt of the Corporation, if any.

State Income Tax Exemption. The State of California has not been as active as the IRS in scrutinizing the income tax exemption of organizations. However, it is likely that the loss by the Corporation of federal tax exemption would also trigger a challenge to the State tax exemption of the Corporation. Depending on the circumstances, such an event could be adverse and material.

Exemption from Property Taxes. In recent years, State, county and local taxing authorities have been undertaking audits and reviews of the operations of tax-exempt Corporations with respect to their real property tax exemptions. The management of the Corporation believes that its real property and the planned improvements thereon are and will continue to be exempt from California real property taxation.

THE AUTHORITY

The Authority is a joint exercise of powers authority duly organized and existing under the laws of the State of California. The Authority was formed pursuant to the terms of a Joint Powers Agreement, dated as of April 1, 1990, as amended as of September 18, 1990 and June 9, 1992, and the Act in order to assist nonprofit corporations and other entities to obtain financing for projects located within the several jurisdictions of Authority members with purposes serving the public interest.

THE BONDS ARE SPECIAL OBLIGATIONS OF THE AUTHORITY, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGE OF REVENUES PURSUANT TO THE INDENTURE. NONE OF THE AUTHORITY, THE ASSOCIATION OF BAY AREA GOVERNMENTS ("ABAG") OR THE MEMBERS OF THE AUTHORITY OR ABAG SHALL BE DIRECTLY OR INDIRECTLY OR CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS OF THE AUTHORITY, ABAG OR ANY OF ITS MEMBERS TO PAY ALL OR ANY PORTION OF DEBT SERVICE DUE ON THE BONDS. THE BONDS AND THE OBLIGATION TO PAY PRINCIPAL OF AND INTEREST THEREON AND ANY REDEMPTION PREMIUM WITH RESPECT THERETO DO NOT CONSTITUTE AN INDEBTEDNESS OR AN OBLIGATION OF THE AUTHORITY OR ABAG, THE STATE OF CALIFORNIA OR ANY POLITICAL

SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION, OR A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWERS OF ANY OF THEM, BUT SHALL BE PAYABLE SOLELY FROM THE REVENUES DESCRIBED HEREIN. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE TAXING POWER OF THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO PAY ANY PRINCIPAL OF, PURCHASE PRICE, PREMIUM, IF ANY, OR INTEREST ON THE BONDS. NEITHER THE AUTHORITY NOR ABAG HAS ANY TAXING POWER.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Authority, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Authority, the Corporation and others in connection with the Bonds, and Bond Counsel has assumed compliance by the Authority and the Corporation with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code. In addition, in rendering its opinion, Bond Counsel has relied on the opinion of counsel to the Corporation regarding, among other matters, the current qualifications of the Corporation as an organization described in Section 501(c)(3) of the Code.

In addition, in the opinion of Bond Counsel to the Authority, under existing statutes, interest on the Bonds is exempt from present State of California personal income taxes.

Bond Counsel expresses no opinion regarding any other Federal or state tax consequences with respect to the Bonds. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the Bonds, or under state and local tax law.

Certain Ongoing Federal Tax Requirements and Covenants

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not

limited to, requirements relating to use and expenditure of gross proceeds of the Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Authority and the Corporation have covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Bonds.

Prospective owners of the Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Information Reporting and Backup Withholding

Information reporting requirements will apply to interest paid after March 31, 2007 on tax-exempt obligations, including the Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, "Request for Taxpayer Identification Number and Certification", or unless the recipient is one of a limited class of exempt recipients, including corporations. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding", which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's Federal income tax once the required information is furnished to the Internal Revenue Service.

Legislation

Legislation affecting municipal bonds is regularly under consideration by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status or market price of the Bonds.

A copy of the proposed form of opinion of Bond Counsel is attached hereto as Appendix B.

APPROVAL OF LEGALITY

The validity of the issuance of the Bonds under California law is subject to the approval of Hawkins Delafield & Wood LLP, San Francisco, California, acting as Bond Counsel. The proposed form of the legal opinion of Bond Counsel is attached hereto as Appendix B. Certain legal matters will be passed upon for the Authority by Nixon Peabody LLP, San Francisco, California, for the Bank by Frandzel Robins Bloom & Csato, LC, Los Angeles, California, and for the Corporation by Heller Ehrman LLP, San Francisco, California.

ABSENCE OF MATERIAL LITIGATION

The Authority

There is no litigation that has been served on the Authority or, to the best knowledge of the Authority, that is otherwise pending or threatened seeking to restrain or enjoin the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceeding of the Authority taken with respect to the issuance or sale thereof, the pledge or application of any moneys or security provided for the payment of the Bonds, or existence or powers of the Authority, or the authority of the Authority to enter into any document relating to the Indenture or the Bonds.

The Corporation

There is no material litigation of any nature now pending against the Corporation or, to the knowledge of its officers, threatened, which seeks to restrain or enjoin the issuance or the sale of the Bonds, which in any way contests or affects the validity of the Bonds or any proceedings of the Corporation taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, the use of the Bond proceeds or the existence or powers of the Corporation relating to the issuance of the Bonds. The Corporation will furnish a no-litigation opinion of its counsel related to the foregoing at the time of delivery of the Bonds.

UNDERWRITING

The Bonds will be purchased from the Authority by Stone & Youngberg LLC, as the Underwriter. The Underwriter has agreed to purchase the Bonds from the Authority at a purchase price equal to the principal amount of the Bonds, less an Underwriter's discount of \$107,350.

The purchase contract between the Authority and the Underwriter provides that the Underwriter will purchase all of the Bonds, if any are purchased. Bonds may be offered and sold by the Underwriter to certain dealers and others at prices lower than the public offering prices set forth on the inside cover page of this Official Statement, and such public offering prices may be changed by the Underwriter from time to time without notice.

RATINGS

Standard & Poor's Ratings Services ("S&P") has assigned ratings of "AA+/A-1+" to the Bonds. Such ratings are based on the Letter of Credit issued for the benefit of the Bonds. See "THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT" herein. Such ratings reflect only the view of the agency assigning such rating, and any explanation of the significance of such ratings should be obtained from the assigning rating agency. The Corporation furnished S&P with certain information and material relating to the Bonds and the Corporation that have not been included in this Official Statement. Generally, rating agencies base their ratings on information and materials furnished and on investigation, studies, and assumptions by the rating agencies. There is no assurance that the rating mentioned above will remain in effect for any given period of time, or that such rating might not be lowered or withdrawn entirely by the rating agency, if in the judgment of the rating agency circumstances so warrant. The Authority, the Corporation, and the Underwriter have not undertaken any responsibility either to bring to the attention of the Bondholders any proposed change in or withdrawal of the rating or to oppose any such proposed revision or withdrawal. Any such downward change in or withdrawal of the rating might have an adverse effect on the market price or marketability of the Bonds.

MISCELLANEOUS

This Official Statement is submitted in connection with the sale of the Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the Authority and the purchasers or owners of any of the Bonds.

The Authority is a conduit issuer and has not prepared or participated in the preparation of this Official Statement and is not responsible for the statements made herein except for the information under the captions "THE AUTHORITY" and "ABSENCE OF MATERIAL LITIGATION—The Authority" and the Authority will not participate in or be responsible for the offering, sale, distribution, or remarketing of the Bonds.

INDENTURE

The Indenture sets forth the terms of the Bonds, the nature and extent of the security, various rights of the Bondholders, rights duties and immunities of the Trustee and the rights and obligations of the Authority. Although certain provisions of the Indenture are summarized below, this summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full terms of the Indenture.

Establishment and Application of Project Fund.

The Indenture provides that the Trustee shall establish, maintain and hold in trust a separate fund designated as the "Project Fund." The moneys in such Project Fund shall be used and withdrawn by the Trustee, as directed by Requisition of the Corporation, submitted by the Authorized Representative of the Corporation, to pay or reimburse the Corporation for Project Costs.

Pledge and Assignment of Revenues and Rights under the Loan Agreement; Revenue Fund.

Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in such Indenture, the Authority pledges to secure the payment of the principal of and premium, if any, and interest on the Bonds in accordance with their terms and the provisions of the Indenture and the payments of amounts owing to the Bank pursuant to the Reimbursement Agreement, all of the Revenues and any other amounts (including proceeds of the sale of Bonds) held in any fund or account established pursuant to such Indenture other than the Rebate Fund or Credit Facility Account or remarketing proceeds.

The Authority under the Indenture transfers in trust, grants a security interest in and assigns to the Trustee, for the benefit of the Holders from time to time of the Bonds, and to the Bank, all of the Revenues and other amounts pledged as described in the paragraph above and all of the right, title and interest of the Authority in the Loan Agreement (except for any deposits to the Rebate Fund, the right to receive any Administrative Fees and Expenses payable to the Authority, the right of the Authority to receive any indemnification and the right to receive any notices and reports).

Allocation of Revenues.

The Indenture provides that on or before the Business Day immediately preceding each Interest Payment Date and each day on which payments of principal are due on the Bonds (whether at maturity or because of redemption or acceleration), the Trustee shall transfer from the Revenue Fund, and deposit or transfer into the following respective accounts within the Revenue Fund which are established under the Indenture, the following amounts, in the following order of priority, the requirements of each such account (including the making up of any deficiencies in any such fund or account resulting from lack of Revenues sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority:

First: To the Interest Account, the amounts received from the Corporation as an interest payment pursuant to the Loan Agreement. Amounts in the Interest Account shall be used to pay interest on the Bonds or to reimburse the Bank for draws on the Credit Facility used to pay interest on the such Bonds.

Second: To the Principal Account, the amounts received from the Corporation as a principal payment (whether at maturity or because of redemption or acceleration) pursuant to the Loan Agreement. Amounts in the Principal Account shall be used to pay principal of the Bonds or to reimburse the Bank for draws on the Credit Facility used to pay principal of such Bonds.

Funds in the Principal Account shall be transferred to the Redemption Fund to be applied to the mandatory sinking fund redemption of the Bonds at the principal amount thereof and interest accrued to the date of redemption, without premium, as set forth in the schedule submitted by the Issuer at the direction of the Corporation to the Trustee pursuant to the Indenture.

Notwithstanding anything to the contrary described above, so long as the Bonds are in the Weekly Mode or the Term Mode, the principal of, interest on, and Redemption Price of, such Bonds shall be paid solely first from draws on the Credit Facility and second from other Available Moneys.

Application of Redemption Fund.

The Indenture provides that the Trustee shall establish, maintain and hold in trust a separate fund designated as the Redemption Fund and within such Fund shall establish separate accounts as directed by the Corporation. All amounts deposited in the Redemption Fund shall be used and withdrawn by the Trustee solely for the purpose of redeeming Bonds in the manner and

upon the terms and conditions specified in the Indenture or to reimburse the Bank for draws on the Credit Facility used to pay the Redemption Price of such Bonds redeemed; provided that, at any time prior to giving such notice of redemption, the Trustee may on the Request of the Corporation apply such amounts to the purchase of such Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Corporation may in its discretion determine, except that the purchase price (exclusive of accrued interest) may not exceed the Redemption Price then applicable to such Bonds.

Credit Facility Account.

The Indenture provides that the Trustee shall create within the Revenue Fund a separate account called the "Credit Facility Account," into which all moneys drawn under the related Credit Facility shall be deposited and disbursed. Neither the Corporation nor the Authority shall have any right title or interest in the Credit Facility Account.

Investment of Moneys in Funds and Accounts.

The Indenture provides that all moneys in any of the funds and accounts (other than the Rebate Fund or Credit Facility Account or remarketing proceeds) established pursuant to such Indenture shall be invested by the Trustee solely in such Permitted Investments as are specified in a Request of the Corporation received by the Trustee at least 2 Business Days before the investment date, which Request of the Corporation shall state that such investment is a Permitted Investment as required by the Indenture, provided, however, that, if the Corporation does not file such a Request with the Trustee, the Trustee shall invest to the extent practicable in investments described in clause (7) of the definition of the term "Permitted Investments."

All interest, profits and other income received from the investment of moneys within the Project Fund shall be credited to such fund. Except as otherwise provided in a Request of the Corporation, all interest, profits and other income received from the investment of moneys in any other fund or account established under the Indenture (other than the Rebate Fund or Credit Facility Account or remarketing proceeds) shall be credited to the related Revenue Fund.

Notwithstanding anything to the contrary in the Indenture, moneys held by the Trustee or the Tender Agent that are remarketing proceeds or draws on a Credit Facility shall be held uninvested and uncommingled with other moneys.

Rebate Fund.

Pursuant to the Indenture, the Trustee shall establish, maintain and hold in trust a separate fund designated as the Rebate Fund. All amounts at any time on deposit in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the requirements to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code and the Treasury Regulations promulgated thereunder (the "Rebate Regulations"). Such amounts shall be free and clear of any lien under the Indenture and shall be governed by the Indenture and by the Tax Agreement.

Tax Covenants.

Under the Indenture, the Authority covenants that it shall not take any action, or fail to take any action, if such action or failure to take such action would result in the interest on the Bonds not being excluded from gross income for federal income tax purposes under Section 103 of the Code. Without limiting the generality of the foregoing, the Authority covenants that it will comply with the requirements of the Tax Agreement, which is incorporated in the Indenture as if fully set forth therein. This covenant shall survive the payment in full or the defeasance of the Bonds.

Amendment of the Loan Agreement.

The Indenture provides that, except as provided in the Indenture, the Authority shall not supplement, amend, modify or terminate any of the terms of the Agreement, or consent to any such amendment, modification or termination, without the prior written consent of the Bank (so long as the Credit Facility is outstanding and the Bank is not wrongfully dishonoring any properly presented and conforming drawings thereunder or any amounts for reimbursement of draws under the Credit Facility remain owing to the Bank) and the Trustee. The Trustee shall give such written consent if but only if (1) it has received a Certificate of the Authority or Opinion of Bond Counsel to the effect that such amendment, modification or termination will not materially and adversely affect the interests of the Holders of the Bonds (which Certificate of the Authority may be based on certifications, opinions or representations of other parties in accordance with the provisions of the Indenture); provided that, if an Event of Default has occurred and is continuing, the Trustee rather than the Authority shall make a determination that such amendment or modification will not materially and adversely affect the interests of the Holders of the Bonds (provided that, in making such determination, the Trustee may conclusively rely on written representations of financial consultants or advisors or the opinion or advice of counsel), (2) the Holders of a majority in aggregate principal amount of the Bonds then Outstanding consent in writing to such amendment, modification or termination, or (3) the Bank consents in writing to such amendment, modification or termination (Bank consent to amendment, modification or termination of the Agreement without Bondholder consent shall be permitted only so long as the Credit Facility is outstanding and the Bank is not wrongfully dishonoring any draws thereunder), provided that no such amendment, modification or termination shall reduce the amount of Loan Payments to be made to the Authority or the Trustee by the Corporation pursuant to the Agreement, or extend the time for making such payments, without the written consent of all of the Holders of the Bonds then Outstanding. The Trustee shall mail a copy of such amendment as executed to the Bank and each Rating Agency then rating the Bonds promptly after execution by the Authority and the Corporation.

Notwithstanding the provisions of the paragraph above, the terms of the Agreement may also be supplemented, modified or amended from time to time and at any time by the Authority without the necessity of obtaining the consent of any Bondholders, only to the extent permitted by law and only for any one or more of the following purposes:

- (1) to add to the covenants and agreements of the Authority or the Corporation contained in the Agreement other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or

to surrender any right or power therein reserved to or conferred upon the Authority or the Corporation, provided, that no such covenant, agreement, pledge, assignment or surrender shall materially adversely affect the interests of the Holders of the Bonds;

(2) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in the Agreement, or in regard to matters or questions arising under the Agreement, as the Authority may deem necessary or desirable and not inconsistent with the Agreement or the Indenture, and which shall not materially adversely affect the interests of the Holders of the Bonds; or

(3) to maintain the exclusion from gross income for federal income tax purposes of interest payable with respect to the Bonds.

Events of Default; Acceleration.

The Indenture provides that if one or more of the following events (each an "Event of Default") occur:

(1) if there is a default in the due and punctual payment of the principal of, or premium (if any) on, any Bond when and as the same is due and payable, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise;

(2) if there is a default in the due and punctual payment of any installment of interest on any Bond when and as such interest installment is due and payable;

(3) if there is a default in the due and punctual payment of the Purchase Price of any Bond subject to tender pursuant to the Indenture;

(4) if there is a default by the Authority in the performance or observance of any other of the material covenants, agreements or conditions on its part in the Indenture or in the Bonds, and such default has continued for a period of thirty (30) days after written notice thereof, specifying such default and requiring the same to be remedied, has been given to the Authority and the Corporation by the Trustee, or to the Authority, the Corporation and the Trustee by the Holders of not less than a majority in aggregate principal amount of such Bonds at the time Outstanding;

(5) if a Loan Default Event has occurred and is continuing; or

(6) if the Bank gives written notice to the Trustee that an event of default has occurred and is continuing under the Reimbursement Agreement and instructing the Trustee to accelerate the Bonds,

then and in each and every such case during the continuance of such Event of Default, unless the principal of all the Bonds has already become due and payable, the Trustee, by notice in writing to the Authority and the Corporation, may and, upon the written request of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, or at the direction of the Bank or upon the occurrence of (6) above, shall immediately declare the

principal of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in the Indenture or in the Bonds contained to the contrary notwithstanding, and interest shall accrue until paid (provided that with respect to a declaration of an acceleration at the direction of the Bank pursuant to (6) above, interest shall accrue until such declaration). Upon any such declaration, the Trustee shall immediately draw upon any then existing Credit Facility in accordance with the terms thereof and apply the amount so drawn to pay the principal of and interest on the Bonds so declared to be due and payable.

This provision, however, is subject to the condition that if, at any time while the Bonds are in the Fixed Rate Mode after the principal of the Bonds has been so declared due and payable, and before any judgment or decree for the payment of the moneys due has been obtained or entered as hereinafter provided, there shall have been deposited with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal at the rate borne by the respective Bonds, and the reasonable fees and expenses by the Trustee (including but not limited to those of its attorneys), and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Holders of at least a majority in aggregate principal amount of such of the Bonds then Outstanding, by written notice to the Authority and to the Trustee, may, on behalf of the Holders of all of such Bonds, rescind and annul such declaration and its consequences and waive such default; but no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon. No such rescission and annulment may occur while the Bonds are in the Weekly Mode or the Term Mode.

Notwithstanding any other provision of the Indenture, the Trustee may not declare an event of default, accelerate the Bonds or exercise any remedy under certain sections of the Indenture without the written consent of the Bank (so long as a Credit Facility is in effect and the Bank has not dishonored any properly presented and conforming draw thereunder or any amounts for reimbursement of draws under the Credit Facility remain owing to the Bank).

Modification without Consent of Bondholders.

The Indenture provides that the Authority and the Trustee, from time to time and at any time, may enter into an indenture or an indenture supplemental to the Indenture, which indenture or supplemental indenture thereafter shall form a part of the Indenture, including, without limitation, for one or more of the following purposes; provided that the Bank (so long as the related Credit Facility is outstanding and the Bank is not wrongfully dishonoring any properly presented and conforming drawings thereunder or any amounts for reimbursement of draws under the related Credit Facility remain owing to the Bank) shall have consented to such amendment, and, in the case of the Indenture, the Trustee shall have received an Opinion of Bond Counsel to the effect that such amendment or modification will not cause interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes and a written representation from the Authority or an Opinion of Bond Counsel to the effect that

such amendment or modification will not materially and adversely affect the interests of the Holders of the Bonds (which written representation may be based on representations of other parties in accordance with the provisions of the Indenture); provided that, if an Event of Default has occurred and is continuing, the Trustee rather than the Authority shall make a determination that such amendment or modification will not materially and adversely affect the interests of the Holders of the Bonds (provided that, in making such determination, the Trustee may conclusively rely on written representations of financial consultants or advisors or the opinion or advice of counsel):

(a) to add to the covenants and agreements of the Authority in the Indenture, other covenants and agreements thereafter to be observed, or to assign or pledge additional security for the Bonds, or to surrender any right or power in such Indenture reserved to or conferred upon the Authority;

(b) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing, correcting or supplementing any defective provision, contained in such Indenture, or in regard to such matters or questions arising under the Indenture as the Authority may deem necessary or desirable and not inconsistent with the Indenture;

(c) to modify, amend or supplement the Indenture or any indenture supplemental to the Indenture in such manner as to permit the qualification of the Indenture or any indenture supplemental to the Indenture under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect, and, if they so determine, to add to the Indenture or any indenture supplemental to the Indenture such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute;

(d) in connection with an amendment of the Loan Agreement permitted by the Indenture for the purpose of conforming the terms, conditions and covenants of the Indenture to the corresponding or related provisions of such amended Loan Agreement;

(e) in connection with delivery of an Alternate Credit Facility for the purpose of conforming the terms, conditions and covenants of the Indenture so as to provide Bondholders the full benefit of the provisions of such Alternate Credit Facility; or

(f) for any other purpose.

Modification with Consent of Bondholders.

The Indenture provides that with the written consent of the Bank (so long as the Credit Facility is outstanding and the Bank has not wrongfully dishonored any properly presented and conforming drawings thereunder or any amounts for reimbursement of draws under such Credit Facility remain owing to the Bank), the Corporation and the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding (the consent of the Holders shall not be necessary so long as a Credit Facility is outstanding and the Bank is not wrongfully dishonoring any drawings thereunder), the Authority and the Trustee may from time to time, with an Opinion of Bond Counsel to the effect that such amendment or modification will not cause interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes, enter into an indenture or indenture supplemental to the Indenture for the

purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture; provided, however, that no such supplemental indenture shall (1) extend the fixed maturity of any Bonds or reduce the rate of interest thereon or extend the time of payment of interest, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof or (2) reduce the aforesaid percentage of Holders of Bonds whose consent is required for the execution of such supplemental indenture or extend the time of payment or permit the creation of any lien on the Revenues or the funds pledged in the Indenture prior to or on a parity with the lien of the Indenture or deprive the Holders of the Bonds of the lien created by the Indenture upon the Revenues or the funds pledged in the Indenture, in each case without the consent of the Holders of all the Bonds then Outstanding. Upon receipt by the Trustee of a Certificate of the Authority authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of the Corporation and the Bondholders, as aforesaid, the Trustee shall join with the Authority in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under the Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

Discharge of Indenture.

The Indenture provides that Bonds may be paid by the Authority in any of the following ways, provided that the Authority also pays or causes to be paid any other sums payable under the Indenture by the Authority:

- (1) by paying or causing to be paid the principal of and premium, if any, and interest on the Bonds Outstanding, as and when the same become due and payable;
- (2) by depositing with the Trustee, in trust, at or before maturity, money or securities in the necessary amount (as provided in the Indenture) to pay or redeem Bonds Outstanding; or
- (3) by delivering to the Trustee, for cancellation by it, all Bonds Outstanding.

If the Authority pays all Bonds then Outstanding as provided above and also pays or causes to be paid all other sums payable under the Indenture by the Authority, and any balance remaining in the funds and accounts established under the Indenture has been paid to the Bank to the extent any amounts are owing to the Bank, then and in that case, at the election of the Authority (evidenced by a Certificate of the Authority, filed with the Trustee, signifying the intention of the Authority to discharge all such indebtedness and the Indenture), which election shall be made on the Request of the Corporation, and notwithstanding that any such Bonds have not been surrendered for payment, the Indenture and the pledge of Revenues made under the Indenture and all covenants, agreements and other obligations of the Authority under the Indenture shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in the Indenture.

Deposit of Money or Securities with Trustee.

Whenever in the Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the amount necessary to pay or redeem any Bonds,

the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds established pursuant to the Indenture, shall be Available Moneys and shall be:

(1) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given or provision satisfactory to the Trustee has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount of such Bonds and all unpaid interest thereon to the redemption date, together with the redemption premium, if any; or

(2) noncallable direct obligations of the United States of America (including, without limitation, obligations issued or held in book-entry form on the books of the Department of Treasury) or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America (including without limitation the interest component of Resolution Funding Corporation strips for which the separation of principal and interest is made by request to the Federal Reserve Bank of New York in book-entry form) and the principal of and interest on which, in the written opinion of an Accountant, when due will provide money sufficient to pay the principal of, and premium, if any, and all unpaid interest to maturity, or to the redemption date provided that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given pursuant to the Indenture or provision satisfactory to the Trustee shall have been made for the giving of such notice,

provided, in each case, that the Trustee shall have been irrevocably instructed (by the terms of the Indenture or by Written Request of the Authority) to apply such money to the payment of such principal, and premium, if any, and interest with respect to such Bonds and certain requirements have been fulfilled pursuant to the Indenture.

Liability of Authority Limited to Revenues.

Notwithstanding anything in the Indenture or in the Bonds contained, the Authority shall not be required to advance any moneys derived from any source other than the Revenues and other assets pledged under the Indenture for any of the purposes mentioned in the Indenture, whether for the payment of the principal or redemption price of or interest on the Bonds or for any other purpose of the Indenture. Nevertheless, the Authority may, but shall not be required to, advance for any of the purposes of the Indenture any funds of the Authority which may be made available to it for such purposes.

LOAN AGREEMENT

The Loan Agreement provides the terms of the loan of the Bond proceeds to the Corporation and the repayment of and security for such loan provided by the Corporation. Although certain provisions of the Loan Agreement are summarized below, this summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full terms of the Loan Agreement.

Maintenance of Corporate Existence; Consolidation, Merger, Sale or Transfer Under Certain Conditions.

The Corporation covenants and agrees that, so long as any of the Bonds are Outstanding, it will maintain its existence as a nonprofit religious corporation qualified to do business in the State and an organization described in Section 501(c)(3) of the Code and will not dissolve, sell or otherwise dispose of all or substantially all of its assets or consolidate with or merge into another corporation or permit one or more other corporations to consolidate with or merge into it or acquire all or substantially all of the assets of any person or entity. Notwithstanding the foregoing, the Corporation may consolidate with or merge into another corporation, or acquire or permit one or more other corporations to consolidate with or merge into it, or sell or otherwise transfer to another corporation all or substantially all of its assets as an entirety and thereafter dissolve, if:

- (1) The surviving, resulting or transferee corporation, as the case may be:
 - (a) assumes in writing, if such corporation is not the Corporation, all of the obligations of the Corporation under the Loan Agreement;
 - (b) is not, after such transaction, otherwise in default under any provisions of the Loan Agreement; and
 - (c) is an organization described in Section 501(c)(3) of the Code, or a corresponding provision of the federal income tax laws then in effect.
- (2) The Authority, the Trustee and the Bank shall have received a Certificate of the Corporation to the effect that the covenants under the Loan Agreement will be met after such consolidation, merger, sale or transfer;
- (3) The Trustee and the Authority shall have received an Opinion of Bond Counsel to the effect that under existing law, such merger, consolidation, sale, acquisition or other transfer will not cause interest on the Bonds to be included in gross income for federal income tax purposes under Section 103 of the Code; and
- (4) The written consent of the Bank has been received by the Trustee, together with an acknowledgement that the Credit Facility will remain in effect.

Events of Default.

The following shall be "events of default" under the Loan Agreement, and the terms "events of default" or "default" shall mean, whenever they are used in the Loan Agreement, any one or more of the following events:

- (A) The Corporation fails to make any Loan Payment by its due date; or
- (B) The Corporation fails to observe and perform any material covenant, condition or agreement on its part to be observed or performed under the Loan Agreement other than as referred to in paragraph (A) above for a period of thirty (30) days after written notice specifying

such failure and requesting that it be remedied is given to the Corporation by the Authority, the Bank or the Trustee, with a copy to the Bank; provided, however, if the failure stated in the notice is correctable but cannot be corrected within the applicable period, the Trustee, upon the prior written consent of the Bank, will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Corporation within the applicable period and diligently pursued until the default is corrected; or

(C) Any of the representations or warranties of the Corporation made in the Loan Agreement or in any other document, certificate or writing furnished by the Corporation to the Authority in connection with the application for or the negotiation of the Loan Agreement or the issuance of the Bonds was false or incorrect in any material respect when made; or

(D) The Corporation applies for or consents to the appointment of any receiver, trustee, or similar officer for it or for all or any substantial part of its property or admits in writing its inability to pay its debts as they mature; or such a receiver, trustee or similar officer is appointed without the application or consent of the Corporation and such appointment continues undischarged for a period of sixty (60) days; or the Corporation institutes (by petition, application, answer, consent or otherwise) any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, liquidation or similar proceeding relating to it under the laws of any jurisdiction; or any such proceeding is instituted (by petition, application or otherwise) against the Corporation and remains undischarged for a period of sixty (60) days; or the Corporation makes a general assignment for the benefit of creditors.

Remedies on Default.

The Loan Agreement provides that in the event any of the Bonds are Outstanding and unpaid (and provision for the payment thereof has not been made as provided in the Indenture) and any event of default referred to in the Loan Agreement has happened and is continuing, the Authority or the Trustee may, with the consent of the Bank, and shall, at the direction of the Bank, take any one or more of the following remedial steps:

(1) The Authority or the Trustee may, at its option, declare all installments of Loan Payments to be immediately due and payable, whereupon the same shall become immediately due and payable.

(2) The Authority or the Trustee may take whatever action at law or in equity that may appear necessary or desirable to collect the payments then due and thereafter to become due under the Loan Agreement, whether on the stated due date or by declaration of acceleration or otherwise, for damages or for specific performance or otherwise to enforce performance and observance of any obligation, condition or covenant of the Corporation under the Loan Agreement.

Amendment of the Loan Agreement.

The Agreement may only be amended, modified or terminated in accordance with the Indenture. See "Indenture - Amendment of the Loan Agreement" above.

APPENDIX B

PROPOSED FORM OF BOND COUNSEL OPINION

March ____, 2007

ABAG Finance Authority for Nonprofit Corporations
101 Eighth Street
Oakland, CA 94607

*\$11,300,000 ABAG Finance Authority for Nonprofit Corporations
Variable Rate Demand Revenue Bonds (St. Anthony Foundation)
Series 2007*

Ladies and Gentlemen:

We have acted as bond counsel in connection with issuance by the ABAG Finance Authority for Nonprofit Corporations (the "Issuer") of \$11,300,000 aggregate principal amount of its Variable Rate Demand Revenue Bonds (St. Anthony Foundation) Series 2007 (the "Bonds"), issued pursuant to the provisions of the Joint Exercise of Powers Act, comprising Chapter 5 of Division 7 of Title 1 (commencing with Section 6500) of the California Government Code (the "Act"), and an Indenture, dated as of March 1, 2007 (the "Indenture"), between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Indenture provides that the Bonds are being issued for the purpose of making a loan of the proceeds thereof to St. Anthony Foundation (the "Corporation") pursuant to a Loan Agreement, dated as of March 1, 2007 (the "Loan Agreement"), between the Issuer and the Corporation. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Indenture; the Loan Agreement; the Tax Regulatory Agreement, dated the date hereof (the "Tax Agreement"), between the Issuer and the Corporation; opinions of counsel to the Trustee, the Issuer and the Corporation; certificates of the Issuer, the Trustee, the Corporation and others; and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

We have relied on the opinion of Heller Ehrman LLP, San Francisco, California, counsel to the Corporation, regarding, among other matters, the current qualification of the Corporation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (the "Code"). We note that such opinion is subject to a number of qualifications and limitations. Failure of the Corporation to be organized and operated in accordance with the Internal Revenue Service's requirements for the maintenance of its status as an organization described in Section 501(c)(3) of the Code may result in interest on the Bonds being included in gross income for federal income tax purposes, possibly from the date of issuance of the Bonds.

We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Issuer. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second and third paragraphs hereof.

We call attention to the fact that the rights and obligations under the Bonds, the Indenture, the Loan Agreement and Tax Agreement and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against public entities in the State of California. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum or waiver provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in or subject to the lien of the Indenture or the Loan Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Bonds constitute the valid and binding limited obligations of the Issuer.
2. The Indenture has been duly executed and delivered by, and constitutes the valid and binding obligation of, the Issuer. The Indenture creates a valid pledge of the Revenues to secure the payment of the principal of and interest on the Bonds, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture.
3. The Loan Agreement has been duly executed and delivered by, and constitutes a valid and binding agreement of, the Issuer.
4. The Bonds are not a lien or charge upon the funds or property of the Issuer except to the extent of the aforementioned pledge. Neither the faith and credit nor the taxing power of the State of California or of any political subdivision thereof is pledged to the payment of the principal of or the interest on the Bonds.
5. Under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described below, interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code. Interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Issuer, the Corporation and others in connection with the Bonds, and we have assumed

compliance by the Issuer and the Corporation with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

The Code establishes certain requirements that must be met subsequent to the issuance and delivery of the Bonds in order that, for Federal income tax purposes, interest on the Bonds be not included in gross income pursuant to Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of Bond proceeds, restrictions on the investment of Bond proceeds prior to expenditure and the requirement that certain earnings be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Bonds to become subject to Federal income taxation retroactive to their date of issue, irrespective of the date on which such noncompliance occurs or is ascertained.

On the date of delivery of the Bonds, the Issuer and the Corporation will execute the Tax Agreement containing provisions and procedures pursuant to which such requirements can be satisfied. In executing the Tax Agreement, the Issuer and the Corporation covenant that they will comply with the provisions and procedures set forth therein and that they will do and perform all acts and things necessary or desirable to assure that interest paid on the Bonds will, for the purpose of Federal income taxation, be excluded from gross income. In rendering the opinion in paragraph 5 hereof, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectation, and certifications of fact contained in the Tax Agreement with respect to matters affecting the status of interest paid on the Bonds, and (ii) compliance by the Corporation with the procedures and covenants set forth in the Tax Agreement as to such tax matters.

6. Under existing statutes, interest on the Bonds is exempt from State of California personal income taxes.

Except as stated in paragraphs 5 and 6 above, we express no opinion as to any other Federal, state or local tax consequences arising with respect to the Bonds or the ownership or disposition thereof. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update, revise or supplement this opinion after the issue date to reflect any action hereafter taken or not taken, or any facts or circumstances, or any changes in law or in interpretations thereof, that may hereafter arise or occur, or for any other reason. Furthermore, we express no opinion herein as to the effect of any action hereafter taken or not taken in reliance upon an opinion of counsel other than ourselves on the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Respectfully submitted,

APPENDIX C

BOOK-ENTRY ONLY SYSTEM

The information in this Appendix C concerning The Depository Trust Company ("DTC"), New York, New York, and DTC's book-entry system has been obtained from DTC and the Authority takes no responsibility for the completeness or accuracy thereof. The Authority cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Bonds, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Bonds, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Bonds, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation, (respectively, "NSCC," "FICC," and "EMCC," also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More

information about DTC can be found at www.dtcc.com and www.dtc.org; nothing contained in such websites is incorporated into this Official Statement.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. The conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Any failure of DTC to advise any DTC Participant, or of any DTC Participant or Indirect Participant to notify a Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Bonds called for redemption or of any other action premised on such notice. Redemption of portions of the Bonds by the Authority will reduce the outstanding principal amount of Bonds held by DTC. In such event, DTC will implement, through its book-entry system, a redemption by lot of interests in the Bonds held for

the account of DTC Participants in accordance with its own rules or other agreements with DTC Participants and then DTC Participants and Indirect Participants will implement a redemption of the Bonds for the Beneficial Owners.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of, premium, if any, and interest evidenced by the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of, premium, if any, and interest evidenced by the Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

THE AUTHORITY OR THE TRUSTEE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO THE PAYMENTS OR THE PROVIDING OF NOTICE TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS OR THE SELECTION OF BONDS FOR PREPAYMENT.

None of the Authority or the Trustee can give any assurances that DTC, DTC Participants, Indirect Participants or others will distribute payments of principal of, premium, if any, and interest on the Bonds paid to DTC or its nominee, as the registered Owner, or any redemption or other notice, to the Beneficial Owners or that they will do so on a timely basis or that DTC will serve and act in a manner described in this Official Statement.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

Any Annex H or Annex J certification will be delivered to you at the address indicated above or, if we have received a Transfer Demand in the form of Annex E, to your transferee at the address set forth in such Annex E.

Payments of Drawings under this Letter of Credit shall be made from immediately available funds of the Bank and not from any moneys provided to the Bank by the Borrower, the Issuer or any party related to the Borrower or the Issuer.

This Letter of Credit shall be governed by and construed in accordance with the International Standby Practices 1998, International Chamber of Commerce Publication No. 590 ("ISP 98"), and, to the extent not inconsistent therewith, the laws of the State of California.

This Letter of Credit sets forth in full our undertaking, and such undertaking shall not in any way be modified, amended, amplified or limited by reference to any document, instrument or agreement referred to herein (including, without limitation, the Bonds), except only the Annexes and drafts referred to herein; and any such reference shall not be deemed to incorporate herein by reference any document, instrument or agreement except for such Annexes and drafts.

This Letter of Credit is transferable. Transfer may be made to any person or entity whom you or any transferee hereunder designate as a successor trustee under the Indenture. Transfer of the available Drawing under this Letter of Credit to such transferee shall be effected by the presentation to us of this Letter of Credit accompanied by a request designating your successor in the form of Annex E (Transfer Demand) attached hereto, with the signature of the appropriate officer signing on your behalf authenticated by another one of your officers, and the payment of

One Thousand Dollars (\$1,000) paid by the Borrower as a transfer fee. Upon such presentation and payment, we shall forthwith effect a transfer of this Letter of Credit to your designated transferee.
