In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Issuer, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code"), except that no opinion is expressed as to the status of interest on any Bond during any period such Bond is held by a "substantial user" of the facilities financed or refinanced by the Bonds or is a "related person" within the meaning of Section 147(a) of the Code. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal individual and corporate alternative minimum taxes, nor is it included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that interest on the Bonds is exempt from State of California personal income taxes. Bond Counsel expresses no opinion regarding other tax consequences relating to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. See "TAX MATTERS" herein.

General

Pursuant to the provisions of Chapter 5 of Division 7 of Title 1 of the California Government Code, together with the provisions of Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code (the "Act") and the Indenture dated as of December 1, 2009 (the "General Indenture"), as amended and supplemented by the Series Indenture dated as of December 1, 2009 (the "First Series Indenture"), as amended by the First Amendment to Indenture, dated as of November 1, 2010 (the "First Amendment"), and as amended by the First Amendment to Series Indenture, dated as of November 1, 2010 (the "First Series Indenture Amendment" and, together with the General Indenture, the First Series Indenture, the First Amendment, the "Original Indenture"), each between the ABAG Finance Authority For Nonprofit Corporations (the "Issuer"), a joint exercise of powers agency organized and existing under the laws of the State of California (the "State") and Wells Fargo Bank, National Association, as trustee (the "Trustee"), the Issuer previously issued its ABAG Finance Authority For Nonprofit Corporations Affordable Multifamily Housing Revenue Bonds, 2009 Series A (the "Program Bonds") in the original aggregate principal amount of \$65,780,000 to provide for the financing of multifamily rental housing developments through the New Issue Bond Program of the Housing Finance Agency Initiative announced by the United States Department of the Treasury on October 19, 2009 (the "Program"). Pursuant to the Series Indenture dated as of June 1, 2011 between the Issuer and the Trustee (the "Series Indenture" and, together with the Original Indenture, the "Indenture"), the Issuer is using a portion of the proceeds derived from the sale of the Program Bonds (re-designated the ABAG Finance Authority For Nonprofit Corporations Affordable Multifamily Housing Revenue Bonds (Vintage Chateau II) 2009 Series A-2 in

the principal amount of \$5,730,000 the (“2009 Series A-2 Bonds”) on July 8, 2011 (the “Release Date”) to make a mortgage loan to Vintage Chateau, L.P., a California limited partnership (the “Borrower”) to finance the Project as described herein. If the Release Date is not the Delivery Date the Issuer will not make the mortgage loan to the Borrower on the Release Date.

Pursuant to the Act, simultaneously with release of the 2009 Series A-2 Bonds, the Issuer is issuing its Multifamily Housing Revenue Bonds (Vintage Chateau II) 2011 Series A in the principal amount of \$2,370,000 (the “2011 Series A Bonds” and, together with the 2009 Series A-2 Bonds, the “Bonds”) to make an additional mortgage loan to the Borrower. After the Release Date, both series of bonds will be secured and governed by the Series Indenture. The proceeds of the Bonds will be used to make a mortgage loan in the aggregate principal amount of \$8,100,000 (the “Bond Mortgage Loan”) to the Borrower to provide for the financing of a multifamily rental housing development located in the City of Petaluma, California and to be known as Vintage Chateau II (the “Project”). See “THE PROJECT AND THE PRIVATE PARTICIPANTS.”

The Bond Mortgage Loan will be made pursuant to a Financing Agreement to be dated as of June 1, 2011 (the “Financing Agreement”), by and among the Issuer, the Trustee and the Borrower, and upon the satisfaction of various conditions contained therein and in the Series Indenture.

On the Delivery Date, the Bond Mortgage Loan will be evidenced by a non-recourse Bond Mortgage Note to be dated the Delivery Date (together with all riders and addenda thereto, the “Bond Mortgage Note”), delivered to the Issuer, which Bond Mortgage Note will be assigned by the Issuer to the Trustee and Freddie Mac, as their interests may appear. The Bond Mortgage Note will be secured by a First Multifamily Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing to be dated as of June 1, 2011 (the “Bond Mortgage”), with respect to the Project, which Bond Mortgage will be assigned by the Trustee to Freddie Mac, as its interest may appear. The principal amount and payment provisions of the Bond Mortgage Note will be structured so that (a) the aggregate principal amount of the Bond Mortgage Note will not be less than the aggregate principal amount of Outstanding Bonds; (b) the interest payable on the Bond Mortgage Note will not be less than the interest payable on the Outstanding Bonds; and (c) the required payments under the Bond Mortgage Note will be timely and sufficient in amount to make the payments due to the Bondholders on the Outstanding Bonds.

In addition to the other security provided under the Series Indenture, beginning on the Delivery Date the required payments under the Bond Mortgage Note will be secured by Guaranteed Payments under a direct pay Credit Enhancement Agreement to be dated as of June 1, 2011 (the “Credit Enhancement Agreement” or “Credit Facility”), between the Federal Home Loan Mortgage Corporation (“Freddie Mac” or “Credit Facility Provider”) and the Trustee. Under the Credit Enhancement Agreement, subject to certain requirements set forth therein, on any Interest Payment Date, or any date Bonds are called for optional or mandatory redemption, and on the maturity date of the Bond Mortgage Note, Freddie Mac will be required to pay (provided that the Trustee makes a conforming draw on the Credit Enhancement Agreement) the sum of the Interest Component and the Principal Component of a Guaranteed Payment and the Purchase Price of the Bonds in the event of a purchase in lieu of redemption. See “THE BONDS” herein and Appendices A and G hereto.

To evidence the repayment obligations of the Borrower to Freddie Mac as a result of payments made by Freddie Mac under the Credit Enhancement Agreement, on the Delivery Date the Borrower and Freddie Mac will enter into a Reimbursement and Security Agreement to be dated as of June 1, 2011 (the “Reimbursement Agreement”). To secure the obligations of the Borrower pursuant to the Reimbursement Agreement, the Borrower will execute and deliver for the benefit of Freddie Mac a Second Multifamily Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing to be dated as of June 1,

2011 (the "Reimbursement Mortgage"). Bondholders will have no rights with respect to and are not third party beneficiaries of the Reimbursement Mortgage.

It is a condition to the delivery of the Credit Enhancement Agreement by Freddie Mac to the Trustee and the funding of the Construction Loan by the Construction Lender that the Issuer, the Trustee, Freddie Mac and the Construction Lender enter into an Intercreditor Agreement to be dated as of June 1, 2011 (the "Intercreditor Agreement"), pursuant to which the rights of the Issuer, the Trustee, Freddie Mac and the Construction Lender to enforce remedies under the Bond Mortgage, Reimbursement Mortgage and Construction Phase Reimbursement Mortgage, respectively, are set forth among the parties. None of the Issuer, Trustee or the Bondholders will have the right to exercise certain remedies (without the prior consent or direction of Freddie Mac) under the Bond Mortgage during any period the Credit Enhancement Agreement remains in effect and Freddie Mac continues to honor its obligations thereunder.

To further secure Freddie Mac against any loss Freddie Mac may incur as a result of advancing funds under the Credit Enhancement Agreement, and to facilitate the financing of the Bond Mortgage Loan during the Construction Phase, Citibank, N.A. (the "Construction Lender"), at the request of the Borrower, will (a) make a conventional construction loan to Borrower (the "Construction Loan") pursuant to the terms and subject to the conditions of a Construction Loan Agreement to be dated as of June 1, 2011 (the "Construction Loan Agreement") with the Borrower, and (b) enter into a Construction Phase Financing Agreement to be dated as of June 1, 2011 (the "Construction Phase Financing Agreement") with Freddie Mac and Citibank, N.A., in its capacity as Freddie Mac seller/servicer (the "Servicer").

Initially, Freddie Mac will be secured by Bond Proceeds held in the Project Account of the Bond Mortgage Loan Fund and monies deposited by the Construction Lender in the Freddie Mac Collateral Fund. The Construction Lender will advance amounts under the Construction Loan to pay costs of the Project and to reimburse Freddie Mac for draws under the Credit Facility.

Subject to the terms and conditions of the Construction Phase Financing Agreement and the Construction Loan Agreement, but no later than July 1, 2012, the Construction Lender shall issue to Freddie Mac a clean, unconditional, irrevocable and transferrable standby letter of credit (the "Construction Phase Credit Facility") and upon receipt of the Construction Phase Credit Facility and the accompanying Letter of Credit Opinion Letter, Freddie Mac shall issue a Direction to Release with respect to the Bond proceeds and amounts held in the Freddie Mac Collateral Fund.

Freddie Mac's participation as a credit enhancer will not extend beyond the Construction Phase (as defined in the Construction Phase Financing Agreement), unless the Conditions to Loan Conversion which are set forth in the Construction Phase Financing Agreement are satisfied on or prior to the Forward Commitment Maturity Date. If the Conditions to Loan Conversion are satisfied on or prior to the Forward Commitment Maturity Date (or, to the extent not satisfied, are waived by Freddie Mac) the Bond Mortgage Loan will convert from the Construction Phase to the Permanent Phase (as defined in the Construction Phase Financing Agreement) (such an event referred to as the "Loan Conversion"). The 2011 Series A Bonds must mature or be redeemed for Loan Conversion to occur. Upon Loan Conversion, the Credit Enhancement Agreement will continue to secure payments of principal of and interest on the Bond Mortgage Loan and, in the event of a purchase in lieu of redemption, payments of the Purchase Price on the 2009 Series A-2 Bonds. If the Conditions to Loan Conversion are not satisfied prior to the Forward Commitment Maturity Date (or, to the extent not satisfied, are not waived by Freddie Mac), Loan Conversion will not occur, and the Bonds will be subject to mandatory redemption in whole (or purchase in lieu thereof) if so directed by Freddie Mac. No such redemption (or purchase in lieu) resulting from such event will be made at a premium. In the event of such a mandatory redemption in whole, the redemption price is to be paid with funds provided under the Credit Enhancement Agreement. Alternatively, in lieu of such redemption, the Bonds may be purchased by the Trustee for the account of

the Construction Lender from amounts advanced under the Credit Enhancement Agreement (upon satisfaction of the conditions set forth in the Construction Phase Financing Agreement). See “THE BONDS—Mandatory Redemption of Bonds” herein.

The Conditions to Loan Conversion include, for example (but are not limited to), completion of the construction of the Project substantially in compliance with the approved scope of work and the achievement of certain specified levels of occupancy from the leasing of units in the Project. No assurance can be given that all of the Conditions to Loan Conversion will be satisfied on or prior to the Forward Commitment Maturity Date. From and after the Loan Conversion, the Borrower is required to make its Bond Mortgage Loan payments to the Servicer. From amounts received from the Borrower, the Servicer is required to (i) reimburse Freddie Mac for amounts paid by Freddie Mac under the Credit Enhancement Agreement and to remit to Freddie Mac the Credit Enhancement Fee, (ii) remit to the Trustee amounts for deposit to the Administration Fund for certain fees payable to the Trustee, the Issuer and the Rebate Analyst, (iii) retain the Servicer’s Servicing Fee and (iv) make scheduled monthly deposits to fund certain reserves (which have been established solely for the benefit of Freddie Mac).

In addition, even if Loan Conversion occurs, no assurance can be given that the principal amount of the 2009 Series A-2 Bond Mortgage Loan after Loan Conversion, as finally determined in accordance with the Construction Phase Financing Agreement, will not be less than the original principal amount of the 2009 Series A-2 Bond Mortgage Loan. If the principal amount of the 2009 Series A-2 Bond Mortgage Loan, as finally determined in accordance with the Construction Phase Financing Agreement is less than the original principal amount of the 2009 Series A-2 Bond Mortgage Loan, the principal amount of the 2009 Series A-2 Bond Mortgage Loan must, as a Condition to Loan Conversion, be reduced by the Borrower’s prepayment of the 2009 Series A-2 Bond Mortgage Loan in part (a “Loan Equalization Payment”). Upon such prepayment, a corresponding portion of the principal amount of the 2009 Series A-2 Bonds will be subject to mandatory redemption. Any such mandatory redemption will be at a redemption price equal to the principal amount of the 2009 Series A-2 Bonds to be redeemed plus accrued interest to the redemption date. No such redemption will be made at a premium. If such prepayment in part is required as a Condition to Loan Conversion and is not made, Loan Conversion will not occur and the Bonds will be subject to mandatory redemption or purchase in whole, as described above. See also “THE BONDS—Mandatory Redemption of Bonds” herein.

On the Delivery Date, and solely for the benefit of Freddie Mac, the Construction Lender will advance proceeds of the Construction Loan to the Trustee for deposit to the Freddie Mac Collateral Fund in an amount, when combined with the initial deposit to the Project Accounts of the Bond Mortgage Loan Fund, will equal or exceed the Construction Phase Collateral Requirement. The Construction Lender will advance proceeds of the Construction Loan, in accordance with the terms of the Construction Loan Agreement and the Construction Phase Financing Agreement, to pay costs of construction, and Costs of the Project (including deposits to the Trustee to reimburse Freddie Mac for draws under the Credit Enhancement Agreement. Prior to Freddie Mac’s delivery of a Direction to Release, at all times during the Construction Phase, the sum of (a) amounts deposited and held in the Project Accounts of the Bond Mortgage Loan Fund plus (b) amounts deposited and held in the Freddie Mac Collateral Fund (disregarding any investment earnings thereon), is equal to an amount not less than the Construction Phase Collateral Requirement.

During the Construction Phase, the Construction Lender will serve as the construction loan administrator and be responsible for providing inspection oversight of the Project, including monitoring of disbursement of the Bond Mortgage Loan proceeds to the Borrower in accordance with the terms of the Series Indenture, the Construction Loan Agreement and the Construction Phase Financing Agreement. During the Permanent Phase, it is expected that the Servicer will act as servicer for the Bond Mortgage

Loan and payments on the Bond Mortgage Loan will be made by the Borrower to the Servicer for the benefit of the Trustee.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGE OF REVENUES PURSUANT TO THE SERIES INDENTURE. NEITHER THE ISSUER NOR ABAG HAS ANY TAXING POWER.

FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE BONDS

General

The Bonds are issued in fully registered form and are registered in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York (“DTC”). DTC acts as securities depository for the Bonds. Individual purchases are made in book-entry form. Purchasers will not receive certificates representing their interest in the Bonds purchased. So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, references herein to the Bondholders or registered owners of the Bonds mean Cede & Co. and not the beneficial owners of the Bonds.

So long as Cede & Co. is the registered owner of the Bonds, principal of and interest on the Bonds are payable by the Trustee by wire transfer of New York clearing house or equivalent next-day funds, to Cede & Co., as nominee for DTC. DTC will, in turn, remit such amounts to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (“DTC Participants”) for subsequent disbursement to the beneficial owners. See “THE BONDS—Book-Entry Only System” herein.

The 2009 Series A-2 Bonds shall be released in Authorized Denominations and shall bear interest at the Short-Term Rate from the Release Date to, but not including, the Permanent Rate Conversion Date and thereafter at the Permanent Rate and shall mature, subject to redemption prior to maturity as described under the headings “Optional Redemption of Bonds” and “Mandatory Redemption of Bonds” below, on the date set forth on the inside front cover hereof.

The 2011 Series A Bonds shall be issued in Authorized Denominations and shall bear interest at the rate(s) per annum and shall mature, subject to redemption prior to maturity as described under the headings "Optional Redemption of Bonds" and "Mandatory Redemption of Bonds" below, on the date(s) set forth on the inside front cover hereof. Interest on the 2009 Series A-2 Bonds will be payable on the Permanent Rate Conversion Date (as defined herein) and semiannually thereafter on each January 1 and July 1, commencing January 1, 2012 and interest on the 2011 Series A Bonds will be payable January 1 and July 1 of each year, commencing January 1, 2012 (each an "Interest Payment Date").

The Bonds shall be due and payable in full on the respective Maturity Dates.

Interest on the Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on the Bonds shall be payable on each Interest Payment Date, in each case from the Interest Payment Date next preceding the date of authentication thereof to which interest has been paid or duly provided for, unless the date of authentication is an Interest Payment Date to which interest has been paid or duly provided for, in which case from the date of authentication of the Bond, or unless no interest has been paid or duly provided for on the Bonds, in which case from the Delivery Date, until payment of the principal of the Bond has been made or duly provided for. Notwithstanding the foregoing, if a Bond is authenticated after a Record Date and before the following Interest Payment Date, such Bond shall bear interest from such Interest Payment Date; provided, however, that if there shall be a default in the payment of interest due on such Interest Payment Date, then the Bonds shall bear interest from the next preceding Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or duly provided for on the Bonds, from the Delivery Date.

The Person in whose name any Bond is registered on the Record Date with respect to an Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date; provided, however, that if and to the extent the Issuer shall default in the payment of the interest due on any Interest Payment Date, such defaulted interest shall be paid as described in the next paragraph.

Any interest on any Bond that is due and payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall cease to be payable to the person in whose name such Bond is registered on the relevant Record Date and shall be paid in the manner described in this paragraph. The Trustee may elect to make payment of any Defaulted Interest to the Persons in whose names the Bonds (or their respective predecessor Bonds) are registered at the close of business on a special record date for the payment of such Defaulted Interest (a "Special Record Date"), which shall be fixed in the following manner. The Trustee shall determine the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (a "Special Interest Payment Date"), shall fix a Special Record Date for the payment of such Defaulted Interest (which shall be not more than 15 nor less than 10 days prior to the Special Interest Payment Date) and shall cause notice the Special Record Date and of the proposed payment of such Defaulted Interest on the Special Interest Payment Date and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Bondholder at such Bondholder's address as it appears in the Bond Register not less than 10 days prior to such Special Record Date; notice of the proposed payment of such Defaulted Interest on the Special Interest Payment Date and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Bonds (or their respective predecessor Bonds) are registered on such Special Record Date.

Payment of principal of, premium, if any, and interest on the Bonds shall be paid by check mailed on the Interest Payment Date to the registered Owner thereof at such registered Owner's address as it

appears on the Bond Register on the Record Date. Upon written request of a registered Owner of at least \$1,000,000 in principal amount of Outstanding Bonds received by the Trustee at least 5 Business Days prior to a Record Date, all payments of principal, premium, if any, and interest on the Bonds, less any reasonable wire transfer fees imposed by the Trustee, shall be paid by wire transfer in immediately available funds to an account within the United States designated by such registered Owner. Within five Business Days of each payment by the Trustee of principal on the Bonds the Trustee will notify the Issuer via mutually acceptable electronic means, with receipt confirmed by sender of the aggregate principal amount of Bonds that remain Outstanding or that no Bonds remain Outstanding.

Payments Due on Non-Business Days

In any case where a date of payment with respect to any Bonds shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period from and after such date provided that payment is made on such next succeeding Business Day.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of each Series of Bonds, each in the aggregate principal amount of that maturity of Bonds, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of

the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

With regard to Bonds registered in the name of Cede & Co., as nominee of DTC, the Issuer, the Borrower, and the Trustee will have no responsibility or obligation to any Direct Participant or to any Indirect Participant. Without limiting the preceding sentence, the Issuer, the Borrower and the Trustee will have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Direct Participant or Indirect Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Direct Participant or Indirect Participant or any other person, other than Cede & Co., as nominee of DTC, of any notice with respect to the Bonds, including any notice of redemption, (iii) the payment to any Direct Participant or Indirect Participant or any person, other than Cede & Co., as nominee of DTC, of any amount with respect to principal of, premium, if any, or interest on, the Bonds or (iv) any consent given by Cede & Co., as nominee of DTC, as registered owner of the Bonds.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Borrower believes to be reliable, but neither the Issuer nor the Borrower take responsibility for the accuracy thereof.

Optional Redemption of Bonds

(i) The 2009 Series A-2 Bonds are subject to optional redemption in Authorized Denominations from payments made under the Credit Facility (subject to the limitations set forth in paragraph (iii) below) or with other Eligible Funds deposited with the Trustee, with the prior written consent of the Credit Facility Provider, in whole or in part, upon optional prepayments on the 2009 Series A-2 Bond Mortgage Loan in accordance with the prepayment restrictions set forth in the Bond Mortgage Note and the Financing Agreement on the first Business Day of any calendar month, at the redemption price of 100% of the principal amount thereof plus accrued interest, if any, to the redemption date.

(ii) The 2011 Series A Bonds are subject to optional redemption prior to their stated maturity, in whole, on the first Business Day of any month on or after January 1, 2013, at the redemption price of 100% of the principal amount thereof plus accrued interest, if any, to the redemption date.

(iii) With respect to the 2009 Series A-2 Bonds, on any Interest Payment Date prior to and including July 1, 2015, in part, at the request of the Borrower with the written approval of the Credit Facility Provider, in amounts reflecting monies on deposit in the Principal Sinking Fund Account on the first day of the month preceding the month in which the Interest Payment Date occurs.

(iv) Optional redemption of Bonds at a premium may only be made if the Trustee shall have received Eligible Funds (not consisting of funds drawn under the Credit Facility) on or prior to the redemption date in an amount sufficient to pay the applicable redemption premium, if any.

(v) The Trustee shall effect a redemption of Bonds pursuant to this heading at the earliest practical date for which notice may be given under the Series Indenture but in no event later than 35 days following its receipt of money representing an optional prepayment of the Bond Mortgage Loan.

(vi) While the Bonds are registered in the name of the Construction Lender as a result of a Special Purchase of the Bonds pursuant to the Series Indenture, the Bonds are subject to redemption in whole or in part on any date, at the option of the Construction Lender, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date, without premium, from any money acceptable to the Construction Lender deposited with the Trustee.

Mandatory Redemption of Bonds

The Bonds are subject to mandatory redemption in Authorized Denominations on any Business Day, in whole or in part as indicated below, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date, without premium, at the earliest practicable date from payments made under the Credit Facility upon the occurrence of any of the following:

(i) in whole or in part, upon receipt by the Trustee of (1) proceeds of a draw under the Credit Facility, in the amount of Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Bond Mortgage Loan, such amount to be applied to reimburse the Credit Facility Provider for the draw under the Credit Facility as a result of casualty or condemnation of the Project and (2) a written direction by the Credit Facility Provider (with the consent of the Construction Lender) to redeem such Bonds using money obtained as a result of a draw upon the Credit Facility; or

(ii) in whole or in part, upon receipt by the Trustee of amounts from the Credit Facility Provider pursuant to the Credit Facility as a result of the occurrence of an event of default under any Bond Mortgage Loan Document and receipt by the Trustee of a written direction by the Credit Facility Provider (and, prior to Loan Conversion, with the consent of the Construction Lender) to redeem the Bonds pursuant to the Credit Facility; or

(iii) in whole the earlier of (a) the last Business Day which is not less than (5) days before the date of expiration of the Credit Facility or (b) on the first day of the 360th month following Conversion; or

(iv) in part, as described under this heading “Mandatory Sinking Fund Redemption of Bonds”; or

(v) with respect to the 2011 Series A Bonds, in whole at the written direction of the Credit Facility Provider on the Loan Conversion Date; or

(vi) with respect to the 2009 Series A-2 Bonds, in part, at the written direction of the Credit Facility Provider, in the event the Borrower elects to make a Loan Equalization Payment; or

(vii) in part, on the Interest Payment Date next following the completion of the construction of the Project, to the extent amounts remaining in the 2009 Series A-2 Project Account or the 2011 Series A Project Account of the Bond Mortgage Loan Fund are transferred to the Redemption Fund pursuant to the Series Indenture; or

(viii) in whole, upon receipt by the Trustee of a written direction by the Credit Facility Provider to redeem the Bonds pursuant to the Credit Facility as a result of the occurrence of a Borrower Default, a Construction Lender Default (provided that no substitute construction lender is substituted in the place and stead of the Construction Lender pursuant to the Construction Phase Financing Agreement) or a Direction to Draw; or

(ix) in whole, on or after the Forward Commitment Maturity Date at the direction of the Credit Facility Provider, if the Notice of Loan Conversion is not issued by the Servicer prior to the Forward Commitment Maturity Date; or

(x) in part, upon receipt by the Trustee of (1) a written direction by the Credit Facility Provider to redeem Bonds pursuant to the Credit Facility in the event the Borrower makes a Required Principal Paydown (as defined in the Reimbursement Agreement) in accordance with the terms of the

Reimbursement Agreement and (2) amounts from the Credit Facility Provider pursuant to the Credit Facility.

Mandatory Sinking Fund Redemption of Bonds

The 2009 Series A-2 Bonds are subject to mandatory sinking fund redemption on any January 1 or July 1, commencing July 1, 2015 in Authorized Denominations in an amount not greater than the amount on deposit in the Credit Facility Principal Reimbursement Account available therefor on the first day of the month immediately preceding such Interest Payment Date.

Selection of Bonds for Redemption

The Trustee will select Bonds subject to mandatory sinking fund redemption pursuant to the Series Indenture by lot. If less than all the Bonds then Outstanding will be called for redemption other than as a result of mandatory sinking fund redemption, the Trustee will redeem an amount of Bonds so that the resulting decrease in debt service on the Bonds in each semiannual period ending on an Interest Payment Date is proportional, as nearly as practicable, to the decrease in the payments on the Bond Mortgage Note in each such semiannual period, as verified by the Servicer, and the Bonds will be selected by lot within each maturity, the cost of such selection being at the Borrower's expense. Bonds will be redeemed only in Authorized Denomination.

Unless otherwise directed by the Borrower in writing (with the written consent of the Credit Facility Provider), any partial mandatory redemption pursuant to the heading "Mandatory Redemption of Bonds" above shall be effected first with respect to the 2011 Series A Bonds to the extent Outstanding under the Series Indenture and thereafter to the 2009 Series A-2 Bonds then Outstanding, unless otherwise directed by the Credit Facility Provider.

Notice of Redemption

Notice of the intended redemption of each Bond will be given by the Trustee by first class mail, postage prepaid, or by facsimile transmission, to the registered Owner at the address of such Owner shown on the Bond Register and, as required by the Indenture, by facsimile or Electronic Notice to the Notice Parties (as defined in the First Series Indenture). All such redemption notices will be given not less than ten (10) days (not less than thirty (30) days in the case of optional or mandatory sinking fund redemptions) nor more than sixty (60) days prior to the date fixed for redemption. The Trustee may provide a conditional notice of redemption upon the direction of the Credit Facility Provider or the Borrower (with the prior written consent of the Credit Facility Provider and the Construction Lender).

Notices of redemption will state the redemption date and the redemption price, the place or places where amounts due upon such redemption will be payable, and, if less than all of the then Outstanding Bonds are called for redemption, will state (i) the numbers of the Bonds to be redeemed by giving the individual certificate number of each Bond to be redeemed or will state that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption only if bonds cease to be book entry bonds; (ii) the CUSIP numbers of all Bonds being redeemed if available; (iii) the amount of each Bond being redeemed (in the case of a partial redemption); (iv) the date of issue of the Bond as originally issued; (v) the rate of interest borne by each Bond redeemed; (vi) the maturity date of each Bond being redeemed; (vii) the possibility of a purchase of Bonds in lieu of redemption, if applicable; (viii) the conditions, if any, which must be satisfied in order for the redemption to take place on the scheduled date of redemption, including, as provided in the Series Indenture, that Eligible Funds are available to pay any redemption premium or the

redemption price, as and if applicable, on the Bonds; and (ix) any other descriptive information needed to identify accurately the Bonds being redeemed.

Each notice of redemption will state that further interest on such Bonds will not accrue from and after the redemption date and that payment of the principal amount and premium, if any, will be made upon presentation and surrender of the Bonds at the Principal Office of the Trustee unless the Bonds are then held in a book entry only system of registration.

Notice of such redemption will also be sent by first class mail, overnight delivery service, facsimile transmission or other secure means, postage prepaid, to the Credit Facility Provider, to the Servicer, to the Construction Lender, to the Rating Agency, to all of the Securities Depositories and to the national Information Service that disseminates securities redemption notices, when possible, at least two (2) Business Days prior to the mailing of notices required by the first paragraph above, and in any event no later than simultaneously with the mailing of notices required by the first paragraph above; provided, that neither failure to receive such notice nor any defect in any notice so mailed will affect the sufficiency of the proceedings for the redemption of such Bonds.

In addition to providing notice of redemption as set forth above, if the Bonds are no longer held in book-entry form, the Trustee will send a second notice of redemption within sixty (60) days following the redemption date, by first class mail, overnight delivery service, or other secure means, postage prepaid to the registered Owners of any Bonds called for redemption, at their addresses appearing on the Bond Register as of the Record Date immediately preceding the redemption date, who have not surrendered their Bonds for redemption within thirty (30) days following the redemption date.

Failure to give notice by mailing to the registered Owner of any Bond designated for redemption or to any depository or information service will not affect the validity of the proceedings for the redemption of any other Bond if notice of such redemption will have been mailed as herein provided.

Effect of Notice of Redemption

If a conditional notice of redemption has been provided pursuant to the terms of the Series Indenture and the conditions are not satisfied, such notice of redemption shall be of no force and effect and the Bondholders shall be restored to their former positions as though no such notice of redemption had been delivered. Notice of redemption having been given and if either there were no conditions to such redemption or the conditions have been satisfied, and money for the redemption being held by the Trustee or Paying Agent for that purpose, thereupon the Bonds so called for redemption shall become due and payable on the redemption date, and interest thereon shall cease to accrue on such date; and such Bonds shall thereafter no longer be entitled to any security or benefit under the Series Indenture except to receive payment of the redemption price thereof.

Purchase of Bonds in Whole in Lieu of Redemption

Notwithstanding anything in the Series Indenture to the contrary but subject to the provisions of the Series Indenture described under the heading "Special Purchase in Lieu of Redemption" below, at any time the Bonds are subject to redemption in whole, all (but not less than all) of the Bonds to be redeemed may be purchased by the Trustee (for the account of the Borrower or the Credit Facility Provider or their respective designee, as directed by such party) on the date which would be the redemption date at the direction of the Credit Facility Provider or the Borrower, with the prior written consent of the Credit Facility Provider (which direction shall specify that such purchase is pursuant to the provisions of the Indenture described under this heading and shall be given no later than 5:00 pm, Washington, D.C., time on the Business Day immediately prior to such redemption date), at a purchase price equal to the

redemption price which would have been applicable to such Bonds on the redemption date. The Bonds shall be purchased in lieu of redemption only from amounts provided by the Credit Facility Provider or from other Eligible Funds. In the event the Trustee is so directed to purchase Bonds in lieu of redemption, no notice to the holders of the Bonds to be so purchased (other than the notice of redemption otherwise required under the Indenture) shall be required, and the Trustee shall be authorized to apply to such purpose the funds in the Redemption Fund which would have been used to pay the redemption price for such Bonds if such Bonds had been redeemed rather than purchased.

Special Purchase in Lieu of Redemption

If all Bonds Outstanding are called for redemption in whole as described in paragraph (ii), (vii), or (ix) under the heading “Mandatory Redemption of Bonds” at any time during the Construction Phase, provided that a Construction Lender Default has not occurred or, at any time following the Trustee’s receipt of a Direction to Release, the Construction Phase Credit Facility is in effect, the Bonds may in lieu of such redemption, be purchased (“Special Purchased Bonds”) by the Trustee, at the written direction of the Construction Lender to the Trustee, for the account of the Construction Lender, so long as the Credit Facility Provider has received, from amounts on deposit in the Freddie Mac Collateral Fund and the Project Account of the Bond Mortgage Loan Fund, an amount equal to the Construction Phase Collateral Requirement or, if applicable, the Construction Lender has fully and timely honored, and has paid the Credit Facility Provider the full amount drawn by the Credit Facility Provider under, the Construction Phase Credit Facility. Any purchase of Bonds described under this heading shall be in whole and not in part. Such purchase shall be made on the date the Bonds are otherwise scheduled to be redeemed (the “Special Purchase Date”). The purchase price of the Special Purchased Bonds (the “Special Purchase Price”) shall be equal to the principal amount of the Special Purchased Bonds, plus accrued interest, if any, on the Special Purchased Bonds to the Special Purchase Date. The payment source shall consist solely of funds to be advanced by the Credit Facility Provider under the Credit Facility.

Bonds to be purchased as described under this heading which are not delivered to the Trustee on the Special Purchase Date shall be deemed to have been so purchased and not redeemed on the Special Purchase Date and shall cease to accrue interest as to the former owner on the Special Purchase Date. Special Purchased Bonds shall be registered in the name of the Construction Lender or any subsidiary of the Construction Lender designated by the Construction Lender and shall be delivered to the Construction Lender or the subsidiary of the Construction Lender designated by the Construction Lender. Following such purchase, the registered owner of the Special Purchased Bonds shall be the owner of such Bonds for all purposes under the Series Indenture and interest accruing on such Bonds from and after the Special Purchase Date shall be payable solely to the registered owner of the Special Purchased Bonds.

Notice of the election by the Construction Lender to purchase Bonds otherwise called for redemption shall be delivered in writing to the Trustee, the Credit Facility Provider, the Servicer and the Rating Agency not less than one (1) Business Day prior to the date otherwise scheduled for redemption of the Bonds. In the event the Trustee is so directed to purchase Bonds in lieu of redemption, no notice to the holders of the Bonds to be so purchased (other than the notice of redemption otherwise required under the Series Indenture) shall be required, and the Trustee shall be authorized to apply to such purpose the funds in the Redemption Account which would have been used to pay the redemption price for such Bonds if such Bonds had been redeemed rather than purchased.

The Trustee shall proceed to take such action as is required under the Credit Facility to receive payments from the Credit Facility Provider under the Credit Facility as if the Special Purchased Bonds were to be redeemed pursuant to the Series Indenture in order to pay the Special Purchase Price of the Bonds on the Special Purchase Date.

The purchase of Bonds pursuant to the Series Indenture shall not constitute a merger or extinguishment of the indebtedness of the Issuer evidenced by the Bonds so purchased or of the indebtedness of the Borrower under the Bond Mortgage Loan; Special Purchased Bonds shall for all purposes be regarded as Outstanding under the Series Indenture, except as otherwise expressly provided in the Series Indenture.

Following any purchase of Bonds pursuant to the first and fourth paragraphs under this heading, in no event shall the Credit Facility (or any funds advanced under the Credit Facility) directly or indirectly secure, or provide a source of payment of amounts due from time to time with respect to, the Special Purchased Bonds. From and after the Special Purchase Date and until the Credit Facility Provider has received funds in an amount equal to the Construction Phase Collateral Requirement or, if applicable, the Construction Lender honors a draw upon the Construction Phase Credit Facility in order to accomplish a purchase of Bonds pursuant to the Series Indenture, the Credit Facility Provider shall continue to be entitled to all rights, privileges, benefits and security granted to the Credit Facility Provider under the Bond Financing Documents and the Bond Mortgage Loan Documents. In no event shall Freddie Mac be deemed to be the owner of any Special Purchased Bond whether pursuant to the Series Indenture or otherwise unless such Bond is transferred to, and registered in the name of, Freddie Mac in accordance with the provisions of the Series Indenture and only at the written direction of Freddie Mac.

Special Purchased Bonds may be transferred to any subsidiary of the Construction Lender, or to a single Bondholder which has provided the Trustee with an investment letter in the form attached to the Series Indenture (and otherwise subject to the provisions of the Series Indenture), provided that any transfer to a single Bondholder as described above shall require delivery of an opinion of Bond Counsel to the Trustee to the effect that such transfer will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

Under the Series Indenture, the Issuer assigns to the Trustee and grants a security interest in the following property described below under "Trust Estate" to secure the Bonds (said property being herein referred to as the "Trust Estate"). The Trust Estate is granted to the Trustee in order to secure the payment of principal of, premium, if any, and interest on the Bonds according to their tenor and effect, and the payment to Freddie Mac of the Freddie Mac Reimbursement Amount and the Freddie Mac Credit Enhancement Fee or the payment of amounts due and owing to any other Credit Facility Provider following termination of the Credit Facility Agreement, and the performance and observance by the Issuer of all the covenants expressed or implied in the Series Indenture and in the Bonds:

- (a) all right, title and interest of the Issuer in and to all Revenues;
- (b) all right, title and interest of the Issuer in and to the Financing Agreement, the Bond Mortgage Note, the Bond Mortgage and the Credit Facility (other than the Unassigned Rights), including all extensions and renewals of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to receive, receipt for, collect or make claim for any of the moneys, income, revenues, issues, profits and other amounts payable or receivable thereunder (including all casualty insurance benefits or condemnation awards subject to the interest of the Credit Facility Provider under the Reimbursement Agreement and the Intercreditor Agreement), whether payable under the above-referenced documents or otherwise, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things which the Issuer or any other Person is or may become entitled to do under said documents; and

(c) except for funds, money or securities in the Cost of Issuance Fund, the Administration Fund, the Freddie Mac Collateral Fund, the Credit Facility Reimbursement Fund, the Borrower Equity Account and the Rebate Fund, all funds, money and securities and any and all other rights and interests in property whether tangible or intangible from time to time thereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Series Indenture for the Bonds by the Issuer or by anyone on its behalf or with its written consent to the Trustee, which is authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Series Indenture.

Limited Obligations

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGE OF REVENUES PURSUANT TO THE SERIES INDENTURE. NONE OF ISSUER, THE ASSOCIATION OF BAY AREA GOVERNMENTS (“ABAG”), THE MEMBERS OF THE ISSUER OR ABAG OR THE STATE OF CALIFORNIA SHALL BE DIRECTLY OR INDIRECTLY OR CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS OF THE ISSUER, ABAG, ANY OF ITS MEMBERS OR THE STATE OF CALIFORNIA TO PAY ALL OR ANY PORTION OF DEBT SERVICE DUE ON THE BONDS. THE BONDS AND THE OBLIGATION TO PAY PRINCIPAL THEREOF AND INTEREST AND ANY REDEMPTION PREMIUM THEREON DO NOT CONSTITUTE AN INDEBTEDNESS OR AN OBLIGATION OF THE ISSUER, ABAG OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION, OR A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWERS OF ANY OF THEM, BUT SHALL BE PAYABLE SOLELY FROM THE REVENUES DESCRIBED HEREIN. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE TAXING POWER OF THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO PAY ANY PRINCIPAL OR PURCHASE PRICE OF, OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS. NEITHER THE ISSUER NOR ABAG HAS ANY TAXING POWER.

FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE BONDS UNDER THE CIRCUMSTANCES DESCRIBED THEREIN. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

The Credit Enhancement Agreement

To provide security for the Bonds it is expected that Freddie Mac will enter into a direct-pay Credit Enhancement Agreement with the Trustee. See “FREDDIE MAC” and Appendix G hereto. Pursuant to the Credit Enhancement Agreement, subject to certain requirements set forth therein, Freddie Mac will be required to pay Guaranteed Payments with respect to the Bond Mortgage Loan when and in

the amounts due, and the Purchase Price of the Bonds in the event of a purchase in lieu of redemption in accordance with the terms of the Series Indenture and Credit Enhancement Agreement.

FREDDIE MAC

The information presented under this caption “FREDDIE MAC” has been supplied by Freddie Mac. None of the Issuer, the Trustee or the Borrower has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the Incorporated Documents, as defined below.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. §§ 1451-1459 (the “Freddie Mac Act”). Freddie Mac’s statutory mission is (i) to provide stability in the secondary market for residential mortgages; (ii) to respond appropriately to the private capital market; (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities); and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage financing. Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac or to guarantee Freddie Mac’s securities or obligations.

Freddie Mac’s principal business consists of the purchase of (i) first-lien, conventional residential mortgages subject to certain maximum loan limits and other underwriting requirements under the Freddie Mac Act and (ii) securities backed by such mortgages. Freddie Mac finances its mortgage purchases and mortgage-backed securities purchases through the issuance of a variety of securities, primarily pass-through mortgage participation certificates and unsecured debt, as well as with cash and equity capital.

On September 7, 2008, the Director of the Federal Housing Finance Agency (“FHFA”) appointed FHFA as conservator of Freddie Mac in accordance with the Federal Housing Finance Reform Act of 2008 (the “Reform Act”) and the Federal Housing Enterprises Financial Safety and Soundness Act of 1992. On September 7, 2008, in connection with the appointment of FHFA as conservator, Freddie Mac and the U.S. Department of the Treasury (“Treasury”) entered into a Senior Preferred Stock Purchase Agreement. Also, pursuant to its authority under the Reform Act, Treasury announced that it has established the Government Sponsored Enterprise Credit Facility (a lending facility to ensure credit availability to Freddie Mac, Fannie Mae, and the Federal Home Loan Banks that will provide secured funding on an as needed basis under terms and conditions established by the Treasury Secretary to protect taxpayers) and a program under which Treasury will purchase Government Sponsored Enterprise (including Freddie Mac) mortgage-backed securities (MBS) in the open market. The announcements by FHFA and Treasury and descriptions of these programs are available at their respective websites: <http://www.OFHFA.gov> and <http://www.Treasury.gov>.

Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (the “Exchange Act”), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Prior to July 18, 2008, Freddie Mac prepared an annual Information Statement (containing annual financial disclosures and audited consolidated financial statements) and Information Statement Supplements (containing periodic updates to the annual Information Statement).

As described below, Freddie Mac incorporates certain documents by reference in this Official Statement, which means that Freddie Mac is disclosing information to you by referring you to those documents rather than by providing you with separate copies. Freddie Mac incorporates by reference in this Official Statement its proxy statement, and all documents that Freddie Mac files with the SEC pursuant to Section 13(a), 13(c) or 14 of the Exchange Act, after July 18, 2008 and prior to the completion of the offering of the related Bonds, excluding any information that Freddie Mac may “furnish” to the SEC but that is not deemed to be “filed.” Freddie Mac also incorporates by reference its Registration Statement on Form 10, in the form declared effective by the SEC on July 18, 2008 (the “Registration Statement”). These documents are collectively referred to as the “Incorporated Documents” and are considered part of this Official Statement. You should read this Official Statement, in conjunction with the Incorporated Documents. Information that Freddie Mac incorporates by reference will automatically update information in this Official Statement. Therefore, you should rely only on the most current information provided or incorporated by reference in this Official Statement.

You may read and copy any document Freddie Mac files with the SEC at the SEC’s public reference room at 100 F Street, N.E., Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 for further information on the public reference room. These SEC filings are also available to the public from the SEC’s web site at <http://www.sec.gov>.

Freddie Mac makes no representations as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of any project, or compliance with any securities, tax or other laws or regulations. Freddie Mac’s role is limited to discharging its obligations under the Credit Enhancement Agreement.

FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE BONDS UNDER THE CIRCUMSTANCES DESCRIBED THEREIN. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

THE BORROWER AND THE PROJECT

The information under this heading has been provided solely by the Borrower and has not been independently verified. No representation whatsoever as to the accuracy, adequacy or completeness of such information is being made.

Regulatory Agreements

Regulatory Agreement. The Regulatory Agreement and Declaration of Restrictive Covenants (the “Regulatory Agreement”) imposes certain requirements with respect to the tax exempt status of the Bonds under the Code, which include a set aside of 40% of the units for rental to persons or families having incomes at or below 60% of area media gross income, adjusted for family size and determined in accordance with the Section 142(d) of the Code. See “SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT” for a description of the requirements affecting the operation of the Project in order to assume compliance with the Code. The Regulatory Agreement further provides that in renting of units, preference will be given to the general senior population (pursuant to California Civil Code Section 51.3).

LIHTC Land Use Restriction Agreement. In addition, in connection with the low income housing tax credits being allocated to the Borrower in connection with the Project, the Borrower will execute another Land Use Restriction Agreement (the “LIHTC Land Use Restriction Agreement”) in accordance with Section 42 of the Code. The LIHTC Land Use Restriction Agreement will, among other things, require that the Borrower lease 100% of the units (minus one manager’s unit) in the Project to tenants earning 60% or less of the area median gross income with 20% of these units to tenants earning 50% or less of the area median income, with the rents on these units being limited to 30% of an amount equal to 50% or 60%, respectively, of area median income, adjusted for family size, all in accordance with Section 42 of the Code.

CDLAC Resolution. Pursuant to the CDLAC Resolution awarding private activity bond volume to the Project, the following operating requirements, among others will apply:

- i. At least 14 units must be rented or held vacant for rental for persons or families whose income is at 50% or below of the Area Median Income.
- ii. For a period of ten (10) years after the Project is placed in service, the Project will offer to Project residents educational classes on-site or there must be educational classes available to Project residents within 1/4 mile of the Project.

The Petaluma Community Development Commission Regulatory Agreement. As described above, the Petaluma Community Development Commission will make a subordinate loan to the Project in the amount of \$4,500,000. In connection with the loan, the Borrower has entered into a Regulatory Agreement and Declaration of Restrictive Covenants imposing the following operating restrictions:

For fourteen (14) of the units in the Project (the “Regulated Units”), the monthly charge paid by tenants for occupancy and use of the units shall not exceed the product of thirty percent (30%) times fifty percent (50%) of the Area Median Income, adjusted for family size appropriate for the unit. For fifty-

three (53) of the units, the monthly charge paid by tenants for occupancy and use of the units shall not exceed the product of thirty percent (30%) times sixty percent (60%) of the Area Median Income, adjusted for family size appropriate for the unit.

In calculating the allowable rent for the Regulated Units as set forth above, the following assumed household size shall be utilized:

Number of Bedrooms	Assumed Household Size
One	2
Two	3

The Borrower

The Borrower is Vintage Chateau, L.P., a California limited partnership, formed for the sole purpose of acquiring, building and operating the Project. The administrative general partner of the Borrower is USA Chateau, Inc. a California Corporation (the “Administrative General Partner”) owning a .009% ownership interest in the Borrower. The managing general partner of the Borrower is Riverside Charitable Corporation, a California nonprofit public benefit corporation (the “Managing General Partner”) owning a .001% ownership interest in the Borrower.

The Parent of the Administrative General Partner has been in the business of acquiring, owning and operating apartment complexes since 1981, and currently owns (or owns partnership interests in entities who own) and operates 85 apartment complexes containing approximately 10,972 units in the State of California, Nevada and Tennessee. The nonprofit Managing General Partner has been in the business of acquiring, owning and operating apartment complexes since 1988, and currently owns (or owns partnership interests in entities who own) 65 apartment complexes containing approximately 8,460 units in the State of California.

The Borrower has not acquired and does not intend to acquire any substantial assets or engage in any substantial business activities other than those related to the Project. However, affiliates of the Borrower may engage in the acquisition, development, ownership and management of other similar types of projects that may be competitive with the Project.

Low Income Housing Tax Credits

Simultaneously with the issuance of the Bonds, the Borrower expects to admit Boston Capital Corporate Tax Credit Fund XXXV, a Limited Partnership, a Massachusetts Limited Partnership and such other Persons as are admitted to the Partnership as additional or Substitute Limited Partners pursuant to the Limited Partnership Agreement (the “Tax Credit Partner”) as a 99.99% limited partner in the Borrower. Pursuant to the sale, the funding of the tax credit equity is expected to total approximately \$5,240,345, with an initial contribution of \$524,034 anticipated to be funded at the Bond Closing. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

The Contractor

The Contractor for the Development will be USA Construction Management, Inc., a California corporation (the “Contractor”). The Contractor and its affiliated construction companies have been constructing and rehabilitating multifamily rental housing developments since 1981.

The Architect

The architect for the Development is Kuchman Architects PC (the “Architect”). The Architect has been the principal architect for over 35 multifamily developments with an excess of 8,000 units throughout the United States.

Property Management

The Project will be managed by USA Multifamily Management, Inc., a California corporation (the “Manager”). The Manager has been involved in the management of apartment complexes since 1993. The Manager currently manages 69 apartment complexes comprising a total of approximately 9,649 units located in the State of California.

Limited Recourse to Borrower

The Borrower and its partners will not (subject to certain exceptions to nonrecourse liability set forth in the Reimbursement Agreement) be personally liable for payments on the Bond Mortgage Note, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower (subject to certain exceptions to nonrecourse liability set forth in the Reimbursement Agreement) be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Bond Mortgage Loan. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its members and managers are included in this Official Statement.

THE TRUSTEE

The information under this heading has been provided solely by the Trustee and has not been independently verified. No representation whatsoever as to the accuracy, adequacy or completeness of such information is being made.

Wells Fargo Bank, National Association will act as Trustee pursuant to the Indenture. The obligations of the Trustee are described in the Indenture. The Trustee has undertaken only those duties and obligations that are expressly set forth in the Indenture. The Trustee has not independently passed upon the validity of the Bonds, the security of the payment therefor, the value or condition of any assets pledged to the payment thereof, the adequacy of the provisions for such payment, the status for federal or state income tax purposes of the interest on the Bonds, or the investment quality of the Bonds. Except for the contents in this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and has assumed no responsibility for the nature, content, accuracy or completeness of the information included in this Official Statement.

CERTAIN BONDHOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

Conditions to Release of the 2009 Series A-2 Bonds

The modification and exchange of the 2009 Series A-2 Bonds and the release of proceeds thereof to make the Bond Mortgage Loan is subject to certain terms and conditions of the Program being satisfied on or before the Release Date, including but not limited to delivery of the Freddie Mac Credit Enhancement Agreement and the issuance and delivery of the 2011 Series A Bonds. If those terms and conditions of the Program are not satisfied on or before the Release Date, the 2009 Series A-2 Bonds will not be released as contemplated by this Official Statement and the Release Date will not occur on the Delivery Date.

No Borrower Personal Liability

The Borrower has not been nor will it be (subject to certain limited exceptions to non-recourse liability set forth in the Financing Agreement and the Bond Mortgage) personally liable for payments on the Bond Mortgage Loan, nor under the other Bond Financing Documents. All payments on the Bond Mortgage Loan are expected to be derived from revenues generated by the Project.

Limited Obligations

The Bonds are not a general obligation, debt or bonded indebtedness of the Issuer, the State or any political subdivision thereof and the holder thereof does not have the right to have excises or taxes levied by the Issuer or by the State or any political subdivision thereof for the payment of the principal of and any premium and interest on the Bonds. The Bonds are limited obligations of the Issuer, and are payable solely from the sources provided in the Series Indenture. The Issuer has no taxing power.

Early Redemption or Mandatory Purchase

Purchasers of Bonds, including those who purchase Bonds at a price in excess of their principal amount or who hold such a Bond trading at a price in excess of par, should consider the fact that the Bonds are subject to redemption or mandatory purchase at a redemption or purchase price equal to their principal amount plus accrued interest as described herein. This could occur, for example, in the event that the Bond Mortgage Loan is prepaid as a result of a casualty or condemnation award payments affecting the Project or there is a default under the Bond Mortgage or the Reimbursement Agreement. See "THE BONDS – Mandatory Redemption of the Bonds," "– Mandatory Sinking Fund Redemption of the Bonds," "– Optional Redemption of Bonds," and Exhibit F – "Summary of Certain Provisions of the Reimbursement Agreement."

No Acceleration or Redemption upon Loss of Tax Exemption

One condition to the Delivery Date is that the Borrower will covenant and agree to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. The financing documents contain provisions and procedures designed to assure compliance with such covenant. However, the Borrower's covenant to comply with the requirements of the Code is non-recourse to the Borrower, and the Borrower's liability is limited to the revenues and assets comprising the Project. Furthermore, the Borrower's failure to comply with such provisions will not constitute a default under the Bond Mortgage Loan and will not give rise to a

redemption or acceleration of the Bonds (unless Freddie Mac determines, at its option and in its sole and absolute discretion, that such failure will constitute such a default) and is not the basis for an increase in the rate of interest payable on the Bonds. **Consequently, interest on the 2009 Series A-2 Bonds and the 2011 Series A Bonds following the Delivery Date may become includable in gross income for purposes of federal income taxation retroactive to the Delivery Date by reason of the Borrower's failure to comply with the requirements of federal tax law, and neither the Issuer, the Trustee nor the Bondholders will have remedies available to them to mitigate the adverse economic effects to the Bondholders of such inclusion by reason of the Borrower's non-compliance.**

Economic Feasibility

The economic feasibility of the Project depends in large part upon it being substantially occupied at projected rent levels. There can be no assurance that in the future the Borrower will be able to rent the units at rates which will enable them to make timely payments on the Bond Mortgage Loan.

Enforceability and Bankruptcy

The remedies available to the Trustee and the Bondholders upon an event of default under the Financing Agreement, the Credit Enhancement Agreement or the Indenture are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay.

Under existing laws and judicial decisions, the remedies provided under the aforesaid documents may not readily be available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds and the aforesaid documents will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Normal Risks

Normal risks attending any investment in real estate include possible adverse use of adjoining land, fire or other casualty, condemnation, increased taxes, changes in demand for such facilities, increases in utility rates, adverse general and local economic conditions, energy shortages, a decline in property values in the Project, increases in operating costs due to inflation, non-compliance of tenants with the terms of their leases, unfavorable governmental regulation (such as enactment of rent controls), force majeure and uninsurable risks, construction strikes and decrease in the relative popularity of real estate investments as contrasted with other investments. These risks and many others cannot be controlled by the Borrower and may have a substantial bearing on the profitability and financial feasibility of the Project, and which may affect the realizable value of the real estate and other collateral securing payment of the Bonds.

TAX MATTERS

2009 Series A-2 Bonds

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Issuer, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the 2009 Series A-2 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code"), except that no opinion is expressed as to the status of interest on any 2009 Series A-2 Bond for any period that such 2009 Series A-2 Bond is held by a "substantial user" of

the facilities financed or refinanced by the 2009 Series A-2 Bonds or by a “related person” within the meaning of Section 147(a) of the Code. In the further opinion of Bond Counsel, interest on the 2009 Series A-2 Bonds is not a specific preference item for purposes of the federal individual and corporate alternative minimum taxes, nor is it included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that interest on the 2009 Series A-2 Bonds is exempt from State of California personal income taxes. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix H-1 hereto.

2009 Series A-2 Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) (“Premium Bonds”) will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner’s basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the 2009 Series A-2 Bonds. The Issuer and the Borrower have made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the 2009 Series A-2 Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the 2009 Series A-2 Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the 2009 Series A-2 Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel’s attention after the date of issuance of the 2009 Series A-2 Bonds may adversely affect the value of, or the tax status of interest on, the 2009 Series A-2 Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the 2009 Series A-2 Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of interest on, the 2009 Series A-2 Bonds may otherwise affect a Beneficial Owner’s federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner’s other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Future legislation, if enacted into law, or clarification of the Code may cause interest on the 2009 Series A-2 Bonds to be subject, directly or indirectly, to federal income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislation or clarification of the Code may also affect the market price for, or marketability of, the 2009 Series A-2 Bonds. Prospective purchasers of the 2009 Series A-2 Bonds should consult their own tax advisers regarding any pending or proposed federal tax legislation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel’s judgment as to the proper treatment

of the 2009 Series A-2 Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. Pursuant to the design of and the accompanying commentary about the New Issue Bond Program by the United States Treasury, Bond Counsel has assumed that the 2009 Series A-2 Bonds are treated as reissued for federal income tax purposes on the Release Date. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Issuer or the Borrower, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Issuer and the Borrower have covenanted, however, to comply with the requirements of the Code.

Bond Counsel’s engagement with respect to the 2009 Series A-2 Bonds ends with the issuance of the 2009 Series A-2 Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer, the Borrower or the Beneficial Owners regarding the tax-exempt status of the 2009 Series A-2 Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Issuer, the Borrower and their appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Issuer or the Borrower legitimately disagree, may not be practicable. Any action of the IRS, including but not limited to selection of the 2009 Series A-2 Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the 2009 Series A-2 Bonds, and may cause the Issuer, the Borrower or the Beneficial Owners to incur significant expense.

2011 Series A Bonds

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Issuer, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the 2011 Series A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”), except that no opinion is expressed as to the status of interest on any 2011 Series A Bond for any period that such 2011 Series A Bond is held by a “substantial user” of the facilities financed or refinanced by the 2011 Series A Bonds or by a “related person” within the meaning of Section 147(a) of the Code. In the further opinion of Bond Counsel, interest on the 2011 Series A Bonds is not a specific preference item for purposes of the federal individual and corporate alternative minimum taxes, nor is it included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that interest on the 2011 Series A Bonds is exempt from State of California personal income taxes. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix H-2 hereto.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the 2011 Series A Bonds. The Issuer and the Borrower have made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the 2011 Series A Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the 2011 Series A Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the 2011 Series A Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel’s attention after the date of issuance of the 2011 Series A Bonds may adversely affect the value of, or the tax status of interest on, the 2011 Series A Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the 2011 Series A Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of interest on, the 2011 Series A Bonds may otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Future legislation, if enacted into law, or clarification of the Code may cause interest on the 2011 Series A Bonds to be subject, directly or indirectly, to federal income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislation or clarification of the Code may also affect the market price for, or marketability of, the 2011 Series A Bonds. Prospective purchasers of the 2011 Series A Bonds should consult their own tax advisers regarding any pending or proposed federal tax legislation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the 2011 Series A Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Issuer or the Borrower, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Issuer and the Borrower have covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the 2011 Series A Bonds ends with the issuance of the 2011 Series A Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer, the Borrower or the Beneficial Owners regarding the tax-exempt status of the 2011 Series A Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Issuer, the Borrower and their appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Issuer or the Borrower legitimately disagree, may not be practicable. Any action of the IRS, including but not limited to selection of the 2011 Series A Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the 2011 Series A Bonds, and may cause the Issuer, the Borrower or the Beneficial Owners to incur significant expense.

The opinions of Bond Counsel will be delivered contemporaneously with the delivery of the Bonds substantially in the forms attached hereto as APPENDIX H-1 and H-2.

CONTINUING DISCLOSURE

The Borrower has undertaken all responsibilities for any continuing disclosure to owners of the Bonds as described below, and the Issuer shall have no liability to the owners or any other person with respect to such disclosures.

The specific nature of the information to be contained in the Annual Report and the notices of enumerated events is described in APPENDIX I – CONTINUING DISCLOSURE AGREEMENT. The Borrower has not previously been subject to the continuing disclosure requirements of Rule 15c2-12.

RATING

Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business (the “Rating Agency”) has assigned the ratings to the Bonds as shown on the cover page of this Official Statement. Any desired explanation of the significance of the ratings should be obtained from the Rating Agency. Certain information and materials not included in this Official Statement were furnished to the Rating Agency. Generally, rating agencies base their ratings on the information and materials so furnished and on investigations, studies, and assumptions by the Rating Agency. The ratings are not a recommendation to buy, sell, or hold the Bonds. There is no assurance that a particular rating will be maintained for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of the rating agency originally establishing the rating, circumstances so warrant. The Issuer has

not undertaken responsibility either to bring to the attention of the registered owner of the Bonds any proposed revision or withdrawal of the ratings of the Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of such a rating could have an adverse affect on the market price of the Bonds if a registered Borrower attempts to sell the same.

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Series Indenture, the Financing Agreement, the Credit Enhancement Agreement, if delivered, or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. In addition, any amount remaining in the 2009 Series A-2 Project Account or the 2011 Series A Project Account of the Bond Mortgage Loan Fund upon the earlier of (a) the Loan Conversion Date and not required to pay Costs of the Project not yet due and payable or being contested in good faith, in each case determined in accordance with the Construction Loan Documents, or (b) the Forward Commitment Maturity Date shall be transferred to the Redemption Fund and used to reimburse the Credit Facility Provider for the related redemption of the 2009 Series A-2 Bonds or the 2011 Series A Bonds, as applicable, in accordance with the Series Indenture, provided, that if the Forward Commitment Maturity Date occurs prior to the Loan Conversion Date and if the Trustee purchases the Bonds for the account of the Construction Lender, such transfer shall be made no later than three (3) years after the Forward Commitment Maturity Date upon the request of the Construction Lender; provided further, that any amounts in the 2009 Series A-2 Project Account or the 2011 Series A Project Account of the Bond Mortgage Loan Fund in excess of the amount needed to reimburse the Credit Facility Provider for the related redemption of the 2009 Series A-2 Bonds or the 2011 Series A Bonds shall be transferred to the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account, as applicable. FIRST: to the Bond Fund from money in the Credit Facility Account of the Revenue Fund, an amount equal to the principal of and interest due on the Bonds on such date (excluding principal of and interest on any Purchased Bonds and excluding the principal constituting a mandatory sinking fund payment on any Bonds on such date and, prior to the Loan Conversion Date, taking into account amounts in the Project Account of the Bond Mortgage Loan Fund available to make such payments); and

SECOND: to the Redemption Fund from money in the Credit Facility Account of the Revenue Fund, an amount equal to the principal amount due and payable on the Bonds with respect to mandatory sinking fund redemption (excluding principal of any Purchased Bonds) on such date; and

(g) Any amounts remaining in the Credit Facility Reimbursement Fund after payment in full of the principal of and interest on the Bonds and reimbursement of the Credit Facility Provider for all amounts drawn under the Credit Facility shall be applied as provided in the Series Indenture.

Rebate Fund; Compliance with Tax Certificate

The Trustee shall establish the Rebate Fund, and within the Rebate Fund the 2009 Series A-2 Rebate Account and the 2011 Series A Rebate Account, and hold and apply the Rebate Fund as provided under this heading. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account, as applicable, by the Borrower for such purpose. All money at any time deposited in the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account shall be held by the Trustee in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the United States Government, and neither the Issuer, the Borrower, the Credit Facility Provider nor the Bondholders shall have any rights in or claim to such money. All amounts deposited into or on deposit in the 2009 Series A-2 Rebate Account and the 2011 Series A Rebate Account shall be governed by this Section and by the Tax Certificate. The Trustee shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Issuer or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the Issuer or the Rebate Analyst.

Within 55 days of the end of each fifth Bond Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Bond Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the "Rebatable Arbitrage"). Pursuant to the Financing Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Trustee and the Issuer. In the event that the Borrower fails to provide such information to the Trustee and the Issuer within 55 days of the end of each fifth Bond Year, the Trustee, at the expense of the Borrower, shall select the Rebate Analyst, with the prior written approval of the Issuer, and shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage as required in the Series Indenture.

Within 55 days of the end of each fifth Bond Year, upon the written direction of the Issuer or the Rebate Analyst, an amount shall be deposited to the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account, as applicable, by the Trustee from amounts provided by the Borrower, if and to the extent required so that the balance in the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Trustee shall pay, as directed by the Issuer or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account, as applicable:

(i) Not later than 60 days after the end of (A) the fifth Bond Year, and (B) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(ii) Not later than 60 days after the payment of all the 2009 Series A-2 Bonds or the 2011 Series A Bonds, as applicable, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this heading shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038 T, which shall be prepared by the Rebate Analyst and provided to the Trustee.

Notwithstanding any provision of the Series Indenture to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States and to comply with all other requirements of the Series Indenture and the Financing Agreement and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Any funds remaining in the 2009 Series A-2 Rebate Account or the 2011 Series A Rebate Account after redemption and payment of all of the 2009 Series A-2 Bonds or the 2011 Series A Bonds, as applicable, and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

The Trustee shall obtain and keep such records of the computations made pursuant to the Series Indenture as are required under Section 148(f) of the Code to the extent furnished to the Trustee. The Borrower shall or shall cause the Rebate Analyst to provide to the Issuer and the Trustee copies of all rebate computations made pursuant to the Series Indenture. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bonds and the investments of earnings from those investments made by the Trustee as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the Issuer nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds, a copy of which shall be provided to the Trustee, at the expense of the Borrower.

Special Issuer Fee

When the Trustee draws on the Credit Facility to pay interest accruing to the Permanent Rate Conversion Date, the Trustee shall draw an amount calculated as if the 2009 Series A-2 Bond Mortgage Loan has borne interest at the applicable Permanent Rate from the Delivery Date to, but not including, the Permanent Rate Conversion Date. The Trustee shall, after drawing on the Credit Facility pursuant to the Series Indenture and depositing into the Bond Fund sufficient amounts to pay the interest on the 2009 Series A-2 Bonds, transfer any amounts remaining in the Credit Facility Account of the Revenue Fund to the Administration Fund for use to pay the Issuer the Special Issuer Fee.

Cost of Issuance Fund

The Trustee shall use money on deposit to the credit of the costs of issuance Fund to pay the Costs of Issuance on the Delivery Date or as soon as practicable thereafter in accordance with written instructions to be given to the Trustee by the Borrower, as set forth in the closing memorandum prepared by the underwriter for the 2011 Series A Bonds (and accepted and agreed to by the Issuer, the Borrower and the Construction Lender) on the Delivery Date or by Requisition, upon delivery to the Trustee of appropriate invoices for such expenses. Amounts in the Cost of Issuance Fund funded with proceeds of the Bonds, if any, shall be expended prior to the application of the Costs of Issuance Deposit. Investment Income on amounts in the Cost of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Cost of Issuance Fund six (6) months after the Delivery Date shall be transferred to the Construction lender for application as set forth in the Construction Loan Agreement. Upon such final disbursement, the Trustee shall close the Cost of Issuance Fund.

The money held by the Trustee shall constitute trust funds for the purposes of the Series Indenture. In the absence of written direction from the Borrower, the Trustee shall invest amounts on deposit in the funds and accounts established under the Series Indenture in Government Obligations or in investments of the type described in subparagraph (g) of the definition of Qualified Investments which shall have the same maturity and other restrictions as set forth above. Such investments may be made through the investment or securities department of the Trustee. The Trustee may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. The Trustee shall be entitled to assume, absent receipt by the Trustee of written notice to the contrary, that any investment which at the time of purchase in a Qualified Investment remains a Qualified Investment thereafter.

Amounts on deposit in the Freddie Mac Collateral Fund shall be invested and reinvested by the Trustee in (i) non-AMT tax exempt obligations rated in the highest short term category by Moody's or S&P; or (ii) money market mutual funds (including funds of the Trustee or affiliates) registered under the Investment Company Act of 1940, as amended, investing solely in investments described in (i) which are rated in the highest short term category by Moody's or S&P, which in any case, shall mature or be subject to tender or redemption at par on or prior to the earlier of (A) 35 days from the date of investment or (B) the date such moneys are needed for the purposes thereof. All such investments shall be attributable to and deemed at all times to be a part of the Freddie Mac Collateral Fund.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in the Series Indenture, the interest thereon and any profit arising on the sale thereof shall be credited to the General Account of the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the General Account of the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance with the Series Indenture.

The Issuer acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Issuer the right to receive brokerage confirmations of the security transactions as they occur. To the extent permitted by law, the Issuer specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Trustee under the Series Indenture, that no brokerage confirmations need be sent relating to the security transactions as they occur.

In computing for any purpose under the Series Indenture the amount in any fund or account on any date, obligations so purchased shall be valued at Fair Market Value.

The amounts held by the Trustee for the payment of the interest, principal or redemption price due on any date with respect to particular Bonds pending such payment, shall be set aside and held in trust by it for the Holders of the Bonds entitled thereto, and for the purposes of the Series Indenture such interest, principal or redemption price, after the due date thereof, shall no longer be considered to be unpaid.

All money held by the Trustee, for purpose at any time pursuant to the terms of the Series Indenture shall be and have been assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of the Series Indenture.

Amounts Remaining in Funds

After full payment of the Bonds (or provision for payment thereof having been made in accordance with the Series Indenture) and full payment of the fees, charges and expenses of the Issuer and the Trustee and other amounts required to be paid under the Series Indenture or under any Bond Mortgage Loan Document, including, but not limited to, the Credit Facility and the Reimbursement Agreement or the Construction Loan Documents, any amounts remaining in any fund or account under the Series Indenture other than the Rebate Fund shall be paid to the Borrower; provided however, that if a default shall have occurred and remain uncured under any Bond Mortgage Loan Document of which the Trustee

shall have received written notice from the Credit Facility Provider or the Servicer, then any such amounts remaining in any fund or account under the Series Indenture shall be paid to the Credit Facility Provider in accordance with the Reimbursement Agreement; provided, further, that if a default shall have occurred and remain uncured under the Construction Loan Documents of which the Trustee shall have received written notice from the Construction Lender, then following payment of any amounts due and payable to the Credit Facility Provider, any such amounts remaining in any fund or account under the Series Indenture shall be paid to the Construction Lender in accordance with the Construction Loan Documents.

Payments Under Bond Mortgage Loan

The Trustee and the Issuer expressly acknowledge that references in the Series Indenture to payments or prepayments of the Bond Mortgage Loan shall, for all purposes of the Series Indenture, refer solely to such portion of such payments or prepayments actually paid by the Credit Facility Provider to the Trustee as Guaranteed Payments pursuant to the Credit Facility for which the Borrower has correspondingly reimbursed the Credit Facility Provider in an amount equal to the Guaranteed Payments. Without in any way limiting the foregoing, the Trustee, and the Issuer acknowledge that, following the Loan Conversion Date, pursuant to the Guide, the Servicer will pay the Freddie Mac Credit Enhancement Fee and the Ordinary Servicing Fees and Expenses from payments under the Bond Mortgage Loan made by the Borrower prior to remitting the balance of such payments or prepayments to the Trustee for application as provided in the Series Indenture.

Drawings Under Credit Facility

The Credit Facility shall be held by the Trustee and drawn upon in accordance with its terms and the provisions of the Series Indenture. Money derived from draws upon the Credit Facility shall be deposited in the Credit Facility Account of the Revenue Fund and applied by the Trustee to pay the principal of and interest on the Bonds, and, in the event of a purchase of the Bonds in lieu of redemption as described under the heading “THE BONDS—Purchase of Bonds in Whole in Lieu of Redemption” above, to pay, to the extent provided in the Credit Facility, the Purchase Price of the Bonds in accordance with the Series Indenture.

Beginning on the first Interest Payment Date and continuing through the Loan Conversion Date, the Trustee shall draw money under the Credit Facility in accordance with its terms in an amount sufficient to make timely payments of the interest, but not principal or premium, on the Bonds to be made from the Bond Fund. Prior to the Loan Conversion Date, the Trustee shall draw money under the Credit Facility in accordance with the terms thereof in an amount sufficient to make timely payments of the principal of the Bonds when due and payable (i.e., on Interest Payment Dates, at Bond Maturity or upon the redemption or acceleration of the maturity of the Bonds).

Following the Loan Conversion Date, the Trustee shall draw money under the Credit Facility in accordance with the terms thereof when needed and in amounts sufficient to make timely payments of the principal of and interest, but not premium, on the Bonds when due and payable (i.e., on any Interest Payment Date, any Settlement Date, any redemption date or the Maturity Date). The Trustee shall not, however, be permitted to draw on the Credit Facility to pay principal of and interest on Purchased Bonds.

Should the Credit Facility Provider become the owner of the Project by foreclosure or otherwise, the Trustee shall nevertheless continue to make payments on the Bonds only from draws on the Credit Facility or from other Eligible Funds.

The Trustee shall send to the Borrower and (prior to the Loan Conversion date) the Construction Lender, via facsimile a copy of any documents which are presented to the Credit Facility Provider in connection with a drawing on the Credit Facility concurrently with its submission of those documents to the Credit Facility Provider, if requested to do so by the Borrower.

There shall be deposited into the Freddie Mac Collateral Fund each Construction Loan Advance in accordance with the Construction Phase Financing Agreement, including the Initial Construction Loan Advance. Income realized from the investment or deposit of money in the Freddie Mac Collateral Fund shall be deposited by the Trustee upon receipt thereof in the Freddie Mac Collateral Fund.

Upon receipt by the Trustee of money derived from a draw on the Credit Facility in connection with a written direction by the Credit Facility Provider to redeem the Bonds as a result of the occurrence of a Borrower Default, a Construction Lender Default or a Direction to Draw, amounts on deposit in the Freddie Mac Collateral Fund in an amount equal to difference between (i) the Construction Phase Collateral Requirement and (ii) amounts remaining in the Project Account of the Bond Mortgage Loan Fund being transferred to the Redemption Fund to be applied to reimburse the Credit Facility Provider for the related redemption of Bonds pursuant to the Series Indenture, shall be released to the Credit Facility Provider.

Upon receipt by the Trustee of a Direction of Release from the Credit Facility Provider, amounts on deposit in the Freddie Mac Collateral Fund shall be released to the Construction Lender.

Bondholders have no interest in any Construction Loan Advance or amounts in the Freddie Mac Collateral Fund.

Investment earnings, if any, on amounts on deposit in the Freddie Mac Collateral Fund may be transferred by the Trustee to the Borrower Equity Account of the Bond Mortgage Loan Fund on the Business Day immediately prior to each Interest Payment Date so long as (A) no default by the Borrower has occurred and is continuing under any of the Borrower Documents and (B) the Trustee shall have ascertained that, after giving effect to the disbursement, the sum of (i) amounts deposited and held in the Project Accounts of the Bond Mortgage Loan Fund plus (ii) amounts deposited and held in the Freddie Mac Collateral Fund (disregarding any investment earnings thereon), will not be less than the Construction Phase Collateral Requirement.

Events of Default

Each of the following shall be an event of default with respect to the Bonds (an "Event of Default") under the Series Indenture:

- (a) failure to pay the principal of, premium, if any, or interest on any Bond (other than Purchased Bonds or Special Purchased Bonds) when due, whether on an Interest Payment Date, at the stated maturity thereof, by proceedings for redemption thereof, by acceleration or otherwise; or
- (b) failure by the Credit Facility Provider to make when due a required payment under the Credit Facility; or
- (c) failure to observe or perform any of the covenants, agreements or conditions on the part of the Issuer (other than those relating to the payment of the principal of, premium, if

any, the Purchase Price of and interest on the Bonds) set forth in the Series Indenture or in the Bonds and the continuance thereof for a period of 30 days (or such longer period, if any, as is specified in the Series Indenture for particular defaults) after written notice thereof (which notice shall be effective only with the written consent of the Credit Facility Provider if no Event of Default has occurred and is then continuing under paragraph (b) above) to the Issuer from the Trustee or the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding at such time specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such 30 day period through the exercise of diligence and the Issuer commences the required cure within such 30 day period and continues the cure with diligence and the Issuer reasonably anticipates that the default could be cured within 60 days, the Issuer shall have 60 days following receipt of such notice to effect the cure.

The Trustee and the Issuer agree that, notwithstanding the provisions of the Series Indenture, no default under the terms of the Series Indenture shall be construed as resulting in a default under the Bond Mortgage Note, the Bond Mortgage or any other Bond Mortgage Loan Document, unless such event also constitutes an event of default thereunder.

The Trustee will immediately notify the Issuer, the Servicer, the Credit Facility Provider and the Construction Lender after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default or obtains actual knowledge of the occurrence of an event which would become an Event of Default with the passage of time or the giving of notice or both.

Acceleration; Other Remedies Upon Event of Default

Upon the occurrence of an Event of Default described in paragraph (b) above, the Trustee shall, upon the written request of the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding and receipt of indemnity satisfactory to it, by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (b) above), the Trustee shall, but only upon receipt from the Credit Facility Provider of a notice directing such acceleration (which notice may be given in the sole discretion of the Credit Facility Provider and only with the consent of the Construction Lender), by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable and, upon the Credit Facility Provider having honored a properly presented and conforming draw under the Credit Facility to pay such amounts, interest on the Bonds shall cease to accrue, anything contained in the Series Indenture or in the Bonds to the contrary notwithstanding.

The payment on the Bonds resulting from a declaration of acceleration on the Bonds as the result of an Event of Default described in paragraph (a) or (c) above shall be made from the Credit Facility.

If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower, the Credit Facility Provider or the Construction Lender, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) upon all the Bonds then due, with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Trustee (including its counsel) shall have been made good or cured or adequate provision shall have been made therefor, and all outstanding amounts then due and unpaid under the Reimbursement Agreement (including, without

limitation, with respect to the Credit Facility Provider all outstanding amounts owed to the Credit Facility Provider and all fees owed to the Credit Facility Provider) (collectively, the “Cure Amount”)) shall have been paid in full, and all other defaults under the Series Indenture shall have been made good or cured or waived in writing by the Credit Facility Provider (or, if an Event of Default described in paragraph (b) above has occurred and is then continuing, by the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding), then and in every case, the Trustee on behalf of the Holders of all the Outstanding Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon. Notwithstanding the foregoing provisions of this paragraph, in the event the Cure Amount is derived in whole or in part from a draw on the Credit Facility, any such rescission or annulment of such declaration of acceleration shall not occur without the written consent of the Credit Facility Provider. The right of the Construction Lender to deposit sums with the Trustee as set forth above shall not be construed to mean that the Construction Phase Credit Facility (if issued and delivered in accordance with the terms of the Construction Phase Financing Agreement) directly secures or otherwise enhances the Bonds or runs to the benefit of any party other than the Credit Facility Provider.

Upon the occurrence and during the continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Holders of all Bonds with respect to which such an Event of Default has occurred and of the Credit Facility Provider (if no Event of Default has occurred and is continuing as described in paragraph (b) above), may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the Holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under the Series Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights; provided that, so long as no Event of Default has occurred and is then continuing described in paragraph (b) above, the Trustee may undertake any such remedy only upon the receipt of the prior written consent of the Credit Facility Provider (which consent may be given in the sole discretion of the Credit Facility Provider) and the Construction Lender:

- (i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, premium, if any, or interest on the Bonds then Outstanding and to require the Issuer or the Credit Facility Provider to carry out any covenants or agreements with or for the benefit of the Bondholders and to perform its duties under the Act, the Series Indenture, the Financing Agreement, the Tax Regulatory Agreement or the Credit Facility (as applicable) to the extent permitted under the applicable provisions thereof;
- (ii) by pursuing any available remedies under the Financing Agreement, the Regulatory Agreement, the Credit Facility or any other Bond Financing Document;
- (iii) by realizing or causing to be realized through sale or otherwise upon the security pledged under the Series Indenture; and
- (iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of the Bonds and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

No remedy by the terms of the Series Indenture conferred upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Credit Facility Provider

or the Bondholders under the Series Indenture or under the Financing Agreement, the Regulatory Agreement, the Credit Facility, the Reimbursement Agreement or any other Bond Financing Document, as applicable, or existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default under the Series Indenture, whether by the Trustee, the Credit Facility Provider or the Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto.

In all events the rights of the Trustee to exercise remedies under the Series Indenture upon the occurrence of an Event of Default shall be subject to the provisions of the Intercreditor Agreement. Upon the exercise of remedies by the Trustee, the Trustee shall send notice thereof to the Program Notice Parties set forth in the Series Indenture.

Rights of Bondholders

If an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and is then continuing, and if requested in writing so to do by the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding with respect to which there is a default, and if indemnified to its satisfaction, the Trustee shall exercise one or more of the rights and powers conferred by the Series Indenture as the Trustee, being advised by counsel or a committee of Responsible Officers, shall deem to be in the best interest of the affected Bondholders. If an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and is then continuing, the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding with respect to which an Event of Default has occurred shall have the right at any time, subject to the provisions of the Series Indenture described under the heading “Remedies of Bondholders” below, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Series Indenture, or for the appointment of a receiver or any other proceedings under the Series Indenture, in accordance with the provisions of law and of the Series Indenture.

Application of Moneys After Default

All money (other than amounts drawn from the Credit Facility as described under the heading “Events of Default; Acceleration; Remedies” above) collected by the Trustee at any time pursuant to the provisions of the Series Indenture relating to Events of Default shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Trustee to the General Account of the Revenue Fund. Such money so credited to the General Account of the Revenue Fund and all other money from time to time credited to the General Account of the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of the Series Indenture.

In the event that at any time the money credited to the Revenue Fund, the Bond Fund, the Redemption Fund and the Administration Fund available for the payment of interest or principal then due with respect to the Bonds shall be insufficient for such payment, such money (other than money held for the payment or redemption of particular Bonds as provided in the Series Indenture and amounts drawn from the Credit Facility as described under the heading “Events of Default; Acceleration; Remedies” above) shall be applied as follows and in the following order of priority:

(a) For payment of all amounts due to the Trustee incurred in performance of its duties under the Series Indenture, including, without limitation, the payment of all reasonable fees and expenses of the Trustee incurred in exercising any remedies under the Series Indenture.

(b) So long as no Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, first for the payment to the Credit Facility Provider of all amounts then due and unpaid under the Reimbursement Agreement (including with respect to Freddie Mac all Freddie Mac Credit Enhancement Fees and Freddie Mac Reimbursement Amounts) and second, prior to the Loan Conversion Date, for the payment to the Construction Lender of all amounts then due and unpaid under the Construction Loan Agreement.

(c) Unless the principal of all Bonds shall have become or have been declared due and payable:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference; and

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of and premium, if any (which payment of premium shall not be restricted to Eligible Funds), on any Bonds which shall have become due, whether at maturity or by call for redemption, in the order in which they became due and payable, and, if the amount available is not sufficient to pay in full all the principal of and premium, if any, on the Bonds so due on any date, then to the payment of principal ratably, according to the amounts due on such date, to the Persons entitled thereto, without any discrimination or preference, and then to the payment of any premium due on the Bonds, ratably, according to the amounts due on such date, to the Persons entitled thereto, without any discrimination or preference.

(d) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal of, premium, if any (which payment of premium shall not be restricted to Eligible Funds), and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due, respectively, for principal, premium and interest, to the Persons entitled thereto without any discrimination or preference except as to any differences in the respective rates of interest specified in the Bonds.

(e) If an Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, for the payment to the Credit Facility Provider of all amounts then due and unpaid under the Reimbursement Agreement to the date of such Event of Default.

Remedies of Bondholders

No Holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Series Indenture or for the execution of any trust under the Series Indenture or for the appointment of a receiver or any other remedy under the Series Indenture, unless (a) a

default shall have occurred of which the Trustee shall have been notified as provided in the Series Indenture; (b) such default shall have become an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above; (c) the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding with respect to which there is such an Event of Default shall have made written request to the Trustee and shall have offered reasonable opportunity to the Trustee either to proceed to exercise the powers granted by the Series Indenture or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided in the Series Indenture; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise the powers granted by the Series Indenture, or to institute such action, suit or proceeding; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of the Series Indenture or the rights of any other Holders of Bonds or to obtain priority or preference over any other Holders or to enforce any right under the Series Indenture, except in the manner provided in the Series Indenture with respect to the equal and ratable benefit of all Holders of Bonds with respect to which there is a default. Nothing contained in the Series Indenture shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued under the Series Indenture to the respective holders thereof, at the time, in the place, from the sources and in the manner expressed in the Series Indenture and in said Bonds.

Rights of the Credit Facility Provider

If an Event of Default described in paragraph (a) or (c) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and so long as no Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, upon receipt of the written direction of the Credit Facility Provider (which direction may be given in the sole discretion of the Credit Facility Provider), the Trustee shall be obligated to exercise any right or power conferred by the Series Indenture in the manner set forth in such written direction of the Credit Facility Provider. If such written direction expressly states that the Trustee may exercise one or more of the rights and powers conferred by the Series Indenture as the Trustee shall deem to be in the interest of the Bondholders and the Credit Facility Provider, the Trustee, being advised by counsel, shall exercise one or more of such rights and powers as the Trustee, being advised by counsel or committee of Responsible Officers, shall deem to be in the best interests of the Bondholders and the Credit Facility Provider; provided, however, that in any event, so long as no Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, the Trustee may not undertake any action to realize, through sale or otherwise, upon the Bond Mortgage Loan without the express written direction of the Credit Facility Provider. So long as no Event of Default has occurred and is then continuing described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, in the case of an Event of Default described in paragraph (a) or (c) under the heading “Events of Default; Acceleration; Remedies” above, the Credit Facility Provider shall have the right, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Series Indenture, or for the appointment of a receiver or any other proceedings under the Series Indenture, in accordance with the provisions of law and of the Series Indenture.

Supplemental Indentures Not Requiring Consent of Bondholders

The Issuer and the Trustee may from time to time and at any time, without the consent of, or notice to, any of the Bondholders, but with the prior written consent of the Credit Facility Provider and

the Construction Lender, enter into an indenture or indentures supplemental to the Series Indenture for any one or more of the following purposes:

(a) to cure any formal defect, omission, inconsistency or ambiguity in the Series Indenture in a manner not materially adverse to the Holder of any Bond to be Outstanding after the effective date of the change;

(b) to grant to or confer upon the Trustee for the benefit of the Holders of the Bonds any additional rights, remedies, powers or authority that may lawfully be granted or conferred and that are not contrary to or inconsistent with the Series Indenture or the rights of the Trustee under the Series Indenture as theretofore in effect;

(c) to subject to the lien and pledge of the Series Indenture additional revenues, properties or collateral;

(d) to modify, amend or supplement the Series Indenture or any Series Indenture to the Trust Indenture in such manner as to permit the qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute in effect or to permit the qualification of the Bonds for sale under any state blue sky laws;

(e) to make such additions, deletions or modifications as may be, in the opinion of Bond Counsel delivered to the Issuer, the Trustee and the Credit Facility Provider, necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;

(f) to modify, amend or supplement the Series Indenture as required by the Rating Agency to obtain or maintain a rating or ratings for the Bonds, except no change may be made that will materially adversely affect the interests of the Holders of the Bonds to be Outstanding after the effective date of the change;

(g) to implement or modify any secondary market disclosure requirements; and

(h) to modify, amend or supplement the Series Indenture in any other respect which is not materially adverse to the Holders of the Bonds to be Outstanding after the effective date of the change and which does not involve a change described under the heading "Supplemental Indentures Requiring Consent of Bondholders" below.

Supplemental Indentures Requiring Consent of Bondholders

With the prior written consent of the Credit Facility Provider and the Construction Lender, the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the Issuer and the Trustee of such indenture or indentures supplemental to the Series Indenture as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Series Indenture; provided, however, that nothing described under this heading shall permit, or be construed as permitting, (a) an extension of the time for payment of, or an extension of the stated maturity or reduction in the principal amount or reduction in the rate of interest on or extension of the time of payment, of interest on, or reduction of any premium payable on the redemption of, any Bonds, or a reduction in the Borrower's obligation on the Bond Mortgage Note, without the consent of the Holders of all of the Bonds then Outstanding, (b) the creation of any lien prior to or on a parity with the lien of the Series Indenture, (c) a reduction in the aforesaid

percentage of the principal amount of Bonds which is required in connection with the giving of consent to any such supplemental indenture, without the consent of the Holders of all of the Bonds then Outstanding, (d) the modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, (e) a privilege or priority of any Bond over any other Bonds, or (f) any action that results in the interest on the Bonds becoming included in gross income for federal income tax purposes.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes described under this heading, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all registered Bondholders and to the Credit Facility Provider and the Construction Lender. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Bondholders.

Thirty days after the date of the mailing of such notice, the Issuer and the Trustee may enter into such supplemental indenture substantially in the form described in such notice, but only if there shall have first been or is simultaneously delivered to the Trustee the required consents, in writing, of the Credit Facility Provider, the Construction Lender and the Holders of not less than the percentage of Bonds as described under this heading. If the Holders of not less than the percentage of Bonds as described under this heading shall have consented to and approved the execution and delivery of a supplemental indenture as provided in the Series Indenture, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in the Series Indenture permitted and provided, the Series Indenture shall be and be deemed to be modified and amended in accordance therewith. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture has been effected in compliance with the provisions of the Series Indenture.

Anything in the Series Indenture to the contrary notwithstanding, unless the Borrower shall then be in default of any of its obligations under the Financing Agreement, the Reimbursement Agreement, the Regulatory Agreement, the Bond Mortgage Note, the Bond Mortgage or the Reimbursement Mortgage, a supplemental indenture which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have expressly consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture to be mailed by certified or registered mail to the Borrower or the Borrower's attorney at least 15 days prior to the proposed date of execution and delivery of any Series Indenture.

Notwithstanding any other provision of the Series Indenture, the Issuer and the Trustee may consent to any supplemental indenture upon receipt of the consent of the Credit Facility Provider, the Construction Lender, the Holders of all Bonds then Outstanding and, as applicable, the Borrower.

Amendments to Financing Agreement Not Requiring Consent of Bondholders

The Trustee shall, without the consent of, or notice to, the Bondholders, but with the consent of the Borrower, the Credit Facility Provider and the Construction Lender, consent to any amendment, change or modification of the Financing Agreement as follows:

- (a) as may be required by the provisions of the Credit Facility, the Financing Agreement or the Series Indenture;

(b) to cure any formal defect, omission, inconsistency or ambiguity in the Financing Agreement in a manner not materially adverse to the Holder of any Bond to be Outstanding after the effective date of the change;

(c) to make such additions, deletions or modifications as may be necessary, in the opinion of Bond Counsel delivered to the Issuer, the Trustee and the Credit Facility Provider, to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;

(d) to modify, amend or supplement the Financing Agreement as required by the Rating Agency to obtain or maintain a rating or ratings for the Bonds, except no change may be made that will materially adversely affect the interests of the Holders of the Bonds to be Outstanding after the effective date of the change; or

(e) to modify, amend or supplement the Financing Agreement in any other respect which is not materially adverse to the Trustee or Holders of the Bonds to be Outstanding after the effective date of the change and which does not involve a change described under the heading “Amendments to Financing Agreement Requiring Consent of Bondholders” below.

Amendments to Financing Agreement Requiring Consent of Bondholders

Except for the amendments, changes or modifications of the Financing Agreement described under the heading “Amendments to Financing Agreement Not Requiring Consent of Bondholders” above, neither the Issuer nor the Trustee shall consent to any other amendment, change or modification of the Financing Agreement without the consent of the Credit Facility Provider, the Borrower and the Construction Lender, and without the giving of notice and the written approval or consent of the Holders of at least 51% of the aggregate principal amount of the Bonds then Outstanding given and procured in accordance with the procedure set described under the heading “Supplemental Indentures Requiring Consent of Bondholders” above; provided, however, that nothing described under this heading shall permit, or be construed as permitting, any amendment, change or modification of the Borrower’s obligation to make the payments required under the Financing Agreement without the consent of the Holders of all of the Bonds then Outstanding. If at any time the Issuer and the Borrower shall request the consent of the Trustee to any such proposed amendment, change or modification of the Financing Agreement, the Trustee shall cause notice of such proposed amendment, change or modification to be given in the same manner described under the heading “Supplemental Indentures Requiring Consent of Bondholders” above. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by Bondholders.

Amendments to the Credit Facility

The Trustee may, without the consent of, or notice to, any of the Bondholders enter into any amendment, change or modification of the Credit Facility (a) as may be required by the provisions of the Credit Facility, (b) to cure any formal defect, omission, inconsistency or ambiguity in the Credit Facility, (c) in a manner which is not prejudicial to the interests of the Bondholders as determined by the Trustee being advised by counsel, a committee of Responsible Officers or by a written confirmation from the Rating Agency of the then existing rating on the Bonds, or (d) as required by the Rating Agency to maintain the then current rating on the Bonds.

Opinion of Bond Counsel Required

No supplement or amendment to the Financing Agreement or the Series Indenture, as described above shall be effective until the Issuer, the Trustee and the Credit Facility Provider shall have received an opinion of Bond Counsel to the effect that such supplement or amendment is authorized or permitted by the Series Indenture and, upon execution and delivery thereof, will be valid and binding upon the Issuer in accordance with its terms and will not cause interest on the Bonds to be includable in gross income of the Holders thereof for federal income tax purposes. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (i) any proposed supplemental indenture or amendment permitted by the Series Indenture complies with the provisions of the Series Indenture, (ii) it is proper for the Trustee to join in the execution of that supplemental indenture or amendment under the provisions of the Series Indenture and (iii) if applicable, such proposed supplemental indenture or amendment is not materially adverse to the interests of the Bondholders.

Trustee

The Trustee, prior to an Event of Default under the Series Indenture and after the curing or waiver of all such events which may have occurred, shall perform such duties and only such duties as are specifically set forth in the Series Indenture. The Trustee, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by the Series Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person's own affairs.

No provision of the Series Indenture shall be construed to relieve the Trustee from liability for its breach of trust, own negligence or willful misconduct, except that:

(a) prior to an Event of Default under the Series Indenture, and after the curing or waiver of all such Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of the Series Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Series Indenture; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee by the Person or Persons authorized to furnish the same;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee except for willful misconduct or negligence by the officer or employee of the Trustee as the case may be; and

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Credit Facility Provider or the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding (or such lesser or greater percentage as is specifically required or permitted by the Series Indenture) relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Series Indenture.

To help the government of the United States of America fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual Person such as a business entity, a charity, a Trust, or other legal entity, the Trustee may request documentation to verify such Person's formation and existence as a legal entity. The Trustee may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation.

There shall at all times be a Trustee under the Series Indenture which shall be an association or corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers. Any successor Trustee shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly-owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to the Series Indenture. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this heading, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of the Series Indenture and another association or corporation is eligible, the Trustee shall resign immediately in the manner and with the effect specified in the Series Indenture.

The Trustee may at any time resign from the trusts created by the Series Indenture by giving written notice to the Issuer, the Borrower, the Credit Facility Provider and the Construction Lender, and by giving notice by certified mail or overnight delivery service to each Holder of the Bonds then Outstanding. Such notice to the Issuer, the Borrower, the Credit Facility Provider and the Construction Lender may be served personally or sent by certified mail or overnight delivery service. The resignation of the Trustee shall not be effective until a successor Trustee has been appointed as provided in the Series Indenture and such successor Trustee shall have agreed in writing to be bound by the duties and obligations of the Trustee under the Series Indenture and under the Intercreditor Agreement.

The Trustee may be removed at any time, either with or without cause, with the consent of the Credit Facility Provider (which consent of the Credit Facility Provider shall not be unreasonably withheld and which approval shall be deemed given after 15 days if the Credit Facility Provider has not responded to a written request for such approval) and the Construction Lender (which consent of the Construction Lender shall not be unreasonably withheld and which approval shall be deemed given after 15 days if the Credit Facility Provider has not responded to a written request for such approval), by a written instrument

signed by the Issuer and delivered to the Trustee and the Borrower, and if an Event of Default shall have occurred and be continuing, other than an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, by a written instrument signed by the Credit Facility Provider and delivered to the Trustee, the Issuer, the Borrower and the Construction Lender. The Trustee may also be removed, if an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and be continuing, by a written instrument or concurrent instruments signed by the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding and delivered to the Trustee, the Issuer, the Borrower, the Credit Facility Provider and the Construction Lender. The Trustee may also be removed by the Credit Facility Provider following notice to the Issuer and after a 30 day period during which the Issuer may attempt to cause the Trustee to discharge its duties in a manner acceptable to Credit Facility Provider, and in each case written notice of such removal shall be given to the Servicer, the Borrower and to each registered Owner of Bonds then Outstanding as shown on the Bond Registrar. Any such removal shall take effect on the day specified in such written instrument(s), but the Trustee shall not be discharged from the trusts created by the Series Indenture until a successor Trustee has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Trustee under the Series Indenture and under the Intercreditor Agreement.

In case at any time the Trustee shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting under the Series Indenture, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Trustee or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Trustee or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Trustee under the Series Indenture, and the Issuer, with the written consent of the Credit Facility Provider and the Construction Lender (which consent shall not be unreasonably withheld and which consent shall be deemed given after 15 days if the applicable party has not responded to a written request from the Issuer for such consent), shall promptly appoint a successor Trustee. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Issuer.

Satisfaction and Discharge of Indenture

If the Issuer shall pay or cause to be paid to the Holders of the Bonds the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated therein and in the Series Indenture, in any one or more of the following ways:

- (a) by the payment of the principal of (including redemption premium, if any) and interest on all Bonds outstanding; or
- (b) by the deposit or credit to the account of the Trustee, in trust, of money or securities in the necessary amount (as provided in the Series Indenture) to pay the principal, redemption price and interest to the date established for redemption whether by redemption or otherwise; or
- (c) by the delivery to the Trustee, for cancellation by it, of all Bonds Outstanding;

and shall have paid all amounts due and owing to the Credit Facility Provider under the Series Indenture and under the Credit Facility and the Reimbursement Agreement, including but not limited to the Freddie Mac Reimbursement Amount and the Freddie Mac Credit Enhancement Fee, and shall have paid all fees and expenses of and any other amounts due to the Trustee, the Servicer, the Dissemination Agent, the Rebate Analyst, the Construction Lender and the Paying Agent, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in the Series Indenture expressed as

to be kept, performed and observed by it or on its part, then these presents and the estates and rights granted shall cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of the Series Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien of the Series Indenture, and reconvey to the Issuer the estate conveyed, and assign and deliver to the Issuer any interest in property at the time subject to the lien of the Series Indenture which may then be in its possession, except amounts held by the Trustee for the payment of principal of, interest and premium, if any, on the Bonds, the payment of any amounts owed to the United States pursuant to the Series Indenture or the payment of any amounts payable to the Credit Facility Provider or the Construction Lender.

Any Outstanding Bond shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect described in the preceding paragraph if, under circumstances which do not cause interest on the Bonds to become includable in the Holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) in case such Bond is to be redeemed on any date prior to its maturity, the Trustee shall have given to the Bondholder irrevocable notice of redemption of such Bond on said date; (b) there shall be on deposit with the Trustee either money or direct obligations of the United States of America in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal or redemption price, if applicable, and interest due and to become due on such Bond on the redemption date or maturity date thereof, as the case may be; (c) in the case of Bonds which do not mature or will not be redeemed within 60 days of such deposit, the Trustee shall have received a verification report of a firm of certified public accountants reasonably acceptable to the Trustee as to the adequacy of the amounts so deposited to fully pay the Bonds deemed to be paid; (d) the Trustee shall have received an opinion of nationally recognized bankruptcy counsel, if required by subpart (d) of the definition of "Eligible Funds" herein, to the effect that such money constitutes Eligible Funds; and (e) the Trustee shall have received an opinion of Bond Counsel to the effect that the defeasance of the Bonds is in accordance with the provisions of the Indenture and that such defeasance will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The Trustee shall in no event cause the Bonds to be optionally redeemed from money deposited as described under this heading unless the requirements of the Series Indenture relating to redemption of the Bonds have been met with respect to such redemption.

Construction Lender

If prior to the Loan Conversion Date the Bonds have been defeased as described in the Series Indenture, and the Trustee shall receive a written statement from the Construction Lender stating that money is owed to the Construction Lender on account of the Bonds and/or the Bond Mortgage Loan, whether with respect to the Construction Loan, the Construction Phase Credit Facility, if applicable, or any other Construction Loan Document or otherwise in connection with the Bonds or the Bond Mortgage Loan, the Trustee shall, upon receipt of written notification from Freddie Mac that all amounts due and owing to Freddie Mac under the Reimbursement Agreement and the Reimbursement Mortgage have been paid in full, prior to cancellation and discharge of the Series Indenture and prior to any reconveyance, assignment and delivery to the Borrower of the Trust Estate or any part of it, pay over, assign and deliver to the Construction Lender so much of (and not to exceed) the Trust Estate as shall be necessary to fully pay, satisfy and discharge all amounts due and owing to the Construction Lender in respect of the Bonds and the Bond Mortgage Loan, whether with respect to the Construction Loan Documents or otherwise in connection with the Bonds or the Bond Mortgage Loan, as determined by the Construction Lender, in its sole and absolute discretion.

Discharge of Liability on Bonds

Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as described above) to pay or redeem Outstanding Bonds (whether upon or prior to their maturity or the redemption date of such Bonds) provided that, if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in the Series Indenture or provision satisfactory to the Trustee shall have been made for the giving of such notice, all liability of the Issuer in respect of such Bonds shall cease, terminate and be completely discharged, except only that thereafter the holders thereof shall be entitled to payment by the Issuer, and the Issuer shall remain liable for such payment, but only out of the money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of the Series Indenture described in the paragraph below.

Payment of Bonds After Discharge of Indenture

Notwithstanding any provisions of the Series Indenture, and subject to applicable unclaimed property laws of the State, any money deposited with the Trustee or any paying agent in trust for the payment of the principal of, interest or premium on the Bonds remaining unclaimed for two (2) years after the payment thereof to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Issuer and the Trustee with respect to such money shall cease, and the holders of the Bonds shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Trustee and subject to this heading shall be held uninvested and without liability for interest thereon.

Deposit of Money or Securities with Trustee

Whenever in the Series Indenture it is provided or permitted that there be deposited with or credited to the account of or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held shall be Eligible Funds (or Government Obligations purchased with Eligible Funds) consisting of:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which there shall have been furnished to the Trustee proof satisfactory to it that notice of such redemption on a specified redemption date has been duly given or provision satisfactory to the Trustee shall be made for such notice, the amount so to be deposited or held shall be the principal amount of such Bonds and interest thereon to the redemption date, together with the redemption premium, if any; or

(b) noncallable and nonprepayable direct obligations of the United States of America or noncallable and nonprepayable obligations which as to principal and interest constitute full faith and credit obligations of the United States of America, in such amounts and maturing at such times that the proceeds of said obligations received upon their respective maturities and interest payment dates, without further reinvestment, will provide funds sufficient, in the opinion of a nationally recognized firm of certified public accountants, to pay the principal, premium, if any, and interest to maturity, or to the redemption date, as the case may be, with respect to all of the Bonds to be paid or redeemed, as such principal, premium and interest become due; provided that the Trustee shall have been irrevocably instructed by the Issuer to apply the proceeds of said obligations to the payment of said principal, premium, if any, and interest with respect to such Bonds.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a brief summary of certain provisions of the Financing Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Financing Agreement, copies of which are on file with the Trustee.

The provisions set forth below are applicable on and after the Delivery Date.

Terms of the Bond Mortgage Loan; Servicing

The Bond Mortgage Loan shall (i) be evidenced by the Bond Mortgage Note; (ii) be initially secured by the Credit Facility and the Bond Mortgage; (iii) be in the principal amount of \$8,100,000; (iv) bear interest as provided in the Bond Mortgage Note; (v) provide for principal and interest payments in accordance with the Bond Mortgage Note; and (vi) be subject to optional and mandatory prepayment at the times, in the manner and on the terms, and have such other terms and provisions, as provided herein and in the Bond Mortgage Note.

From and after the Loan Conversion Date, the Servicer shall service the Bond Mortgage Loan pursuant to the Commitment and the Guide. The Issuer, the Trustee and the Borrower acknowledge and agree that (i) selection or removal of any Servicer is in the sole and absolute discretion of the Credit Facility Provider; (ii) neither the Issuer nor the Trustee shall terminate or attempt to terminate any Servicer as the servicer for the Bond Mortgage Loan or appoint or attempt to appoint a substitute servicer for the Bond Mortgage Loan; (iii) the Commitment and the Guide are each subject to amendment without the consent of the Trustee, the Issuer or the Borrower; and (iv) none of the Trustee, the Issuer or the Borrower shall have any rights under, or be a third party beneficiary of, the Guide. The Servicer shall have the right to collect all payments made by the Borrower in connection with the Bond Mortgage Loan (from and after the Loan Conversion Date) and to receive copies of all reports and notices provided for by the Bond Financing Documents.

Payments Under the Bond Mortgage Note; Independent Obligation of Borrower

The Borrower agrees to repay the Bond Mortgage Loan as provided in the Bond Mortgage Note, and in all instances at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bonds, when due, whether at maturity or upon redemption (with premium, if applicable), acceleration or otherwise. The obligation of the Borrower to make the payments set forth in the Series Indenture will be an independent and separate obligation of the Borrower from its obligation to make payments under the Bond Mortgage Note, provided that in all events payments made by the Borrower under and pursuant to the Bond Mortgage Note will be credited against the Borrower's obligations under the Financing Agreement on a dollar for dollar basis. If for any reason the Bond Mortgage Note or any provision of the Bond Mortgage Note will be held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Bond Mortgage Note or such provision of the Bond Mortgage Note will be deemed to be the obligation of the Borrower pursuant to the Financing Agreement to the full extent permitted by law and such holding will not invalidate or render unenforceable any of the provisions of the Series Indenture and will not serve to discharge any of the Borrower's payment obligations under the Financing Agreement or eliminate the credit against such obligations to the extent of payments made under the Bond Mortgage Note.

The Borrower acknowledges and agrees the Servicer, from and after the Loan Conversion Date, may collect monthly payments from the Borrower with respect to the Bond Mortgage Loan in accordance with the Reimbursement Agreement, but such payments shall not be credited against the principal or

interest due with respect to the Bond Mortgage Loan or the Bond Mortgage Note until and only to the extent such amounts are used to reimburse the Credit Facility Provider for amounts paid under the Credit Facility to pay principal of or interest on the Bonds.

The obligations of the Borrower to repay the Bond Mortgage Loan, to perform all of its obligations under the Bond Mortgage Loan Documents, to provide indemnification, to pay costs, expenses and charges pursuant to the Financing Agreement and to make any and all other payments required by the Financing Agreement, the Series Indenture or any other documents contemplated by the Financing Agreement or by the Bond Mortgage Loan Documents will be absolute and unconditional and will not be subject to diminution by setoff, recoupment, counterclaim, abatement or otherwise.

Payment of Certain Fees and Expenses Under the Bond Mortgage Note

The payments to be made by the Borrower under the Bond Mortgage Note include certain moneys to be paid in respect of, among others, the Bond Fee Component, the Special Issuer Fee, the Ordinary Servicing Fees and Expenses, the Freddie Mac Credit Enhancement Fee, any annual rating maintenance fees of the Rating Agency and amounts required to be deposited in the Custodial Escrow Account, if any, pursuant to the Bond Mortgage Loan Documents, as provided in the Financing Agreement. To the extent that any portion of the Bond Fee Component, the Special Issuer Fee, the Ordinary Servicing Fees and Expenses, the Freddie Mac Credit Enhancement Fee, any annual rating maintenance fees of the Rating Agency and amounts required to be deposited in a Custodial Escrow Account remain due and owing at any time, such amounts remaining due and owing will be payable from moneys on deposit in the Administration Fund as provided in the Series Indenture or from other moneys of the Borrower, to the extent that moneys in the Administration Fund is insufficient for such purposes. All other fees and expenses will be payable from moneys of the Borrower as provided in the Financing Agreement.

The Borrower shall pay (or cause to be paid by the Trustee, to the extent paid from money on deposit in the Administration Fund or the Cost of Issuance Fund, as applicable), in consideration of the funding of the Bond Mortgage Loan, the following fees, expenses and other money payable in connection with the Bond Mortgage Loan as set forth in the Financing Agreement.

Prepayment of Bond Mortgage Loan

The Borrower shall have the option to prepay the Bond Mortgage Loan in full or in part prior to the payment and discharge of all the outstanding Bonds in accordance with the provisions of the Bond Mortgage Note, the Series Indenture and the Financing Agreement, and only with the prior written consent of the Credit Facility Provider and the payment of any amount due under the next succeeding paragraph. The Borrower will be required to prepay the Bond Mortgage Loan in each case that Bonds are required to be redeemed in accordance with the terms and conditions set forth in the Series Indenture.

The Bonds are subject to redemption in accordance with the terms and conditions set forth in the Series Indenture. In connection with any prepayment, whether optional or mandatory, in addition to all other payments required under the Bond Mortgage Note, the Borrower will pay, or cause to be paid to the Servicer (from and after the Loan Conversion Date) or other party as directed by the Credit Facility Provider (or, if no Credit Facility is then in effect, to the Trustee), an amount sufficient to pay the redemption price of the Bonds to be redeemed, including principal, interest and premium (if any), such premium to be paid with Eligible Funds not consisting of funds drawn under the Credit Facility, and further including any interest to accrue with respect to the Bond Mortgage Loan and such Bonds between the prepayment date and the redemption date, together with a sum sufficient to pay all fees, costs and expenses in connection with such redemption and, in the case of redemption in whole, to pay all other amounts payable under the Financing Agreement, the Series Indenture and the Reimbursement

Agreement. The Borrower shall provide notice of the prepayment to the Issuer, the Trustee, the Credit Facility Provider, the Servicer and the Construction Lender in writing forty five (45) days, or such shorter time as is possible in the case of mandatory prepayments, prior to the date on which the Borrower will make the prepayment. Each such notice shall state, to the extent such information is available, (a) the amount to be prepaid, (b) the date on which the prepayment will be made by the Borrower, and (c) the cause for the prepayment, if any.

Borrower's Obligations Upon Redemption

In the event of any redemption, the Borrower will timely pay, or cause to be paid through the Servicer, to the Trustee an amount equal to the principal amount of such Bonds or portions thereof called for redemption, together with interest accrued to the redemption date and premium, if any, such premium to be paid with Eligible Funds not consisting of funds drawn under the Credit Facility. In addition, the Borrower will timely pay all fees, costs and expenses associated with any redemption of Bonds.

Compliance With Applicable Laws

All work performed in connection with the Project will be performed in strict compliance with all applicable federal, state, county and municipal laws, ordinances, rules and regulations now in force or that may be enacted hereafter.

Tax Covenants of the Borrower

The Borrower has covenanted that it will at all times comply with the terms of the Tax Certificate and the Regulatory Agreement and that it will not take, or permit to be taken on its behalf, any action which would cause the interest payable on the Bonds to be included in gross income, for federal income tax purposes, and will take such action as may be necessary in the opinion of Bond Counsel to continue such exclusion from gross income, including, without limitation, the preparation and filing of all statements required to be filed by it in order to maintain the exclusion (including, but not limited to, the filing of all reports and certifications required by the Regulatory Agreement).

Events of Default

The following shall be "Events of Default" under the Financing Agreement and the term "Event of Default" shall mean, whenever it is used in the Financing Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Bond Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Issuer for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under the Financing Agreement, the Bond Mortgage Note or the Bond Mortgage at the times and in the amounts required by the Financing Agreement, the Bond Mortgage Note and the Bond Mortgage, as applicable;

(c) The Borrower's failure to observe and perform any of its other covenants, conditions or agreements contained herein, other than as referred to in clause (a) above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given by the Issuer or the Trustee to the Borrower; provided, however, that if the failure will be such that it can be corrected but not within such period, the Issuer and the Trustee will not unreasonably withhold their consent to an

extension of such time if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected;

(d) The occurrence of a default under the Reimbursement Agreement will at the discretion of the Credit Facility Provider constitute an Event of Default under the Financing Agreement but only if the Trustee is provided written notice thereof by the Credit Facility Provider that an Event of Default has occurred under the Reimbursement Agreement and the Trustee is instructed by the Credit Facility Provider that such default constitutes an Event of Default under the Financing Agreement. The occurrence of an Event of Default under the Financing Agreement shall in the discretion of the Credit Facility Provider constitute a default under the Bond Mortgage Loan Documents and the Reimbursement Agreement.

Nothing contained in the Financing Agreement is intended to amend or modify any of the provisions of the Bond Financing Documents or to bind the Issuer, the Trustee, the Credit Facility Provider, the Servicer or the Construction Lender to any notice and cure periods other than as expressly set forth in the Bond Financing Documents.

Remedies on Default

Subject to the Financing Agreement and provisions of the Intercreditor Agreement, whenever any Event of Default under the Financing Agreement shall have occurred and be continuing, the Trustee or the Issuer where so provided may take any one or more of the following remedial steps:

(a) The Issuer shall cooperate with the Trustee as the Trustee acts pursuant to the Series Indenture.

(b) In the event any of the Bonds shall at the time be Outstanding and not paid and discharged in accordance with the provisions of the Series Indenture, the Issuer or the Trustee may have access to and inspect, examine and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(c) The Issuer or the Trustee may, without being required to give any notice (other than to the Issuer or the Trustee, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(d) The Issuer or Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the payments due under the Financing Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Financing Agreement.

Any amounts collected pursuant to the Series Indenture and any other amounts which would be applicable to payment of principal of and interest and any premium on the Bonds collected pursuant to action taken under "Remedies on Default" above will be applied in accordance with the provisions of the Series Indenture. Any cure of an Event of Default tendered by a partner of the Borrower (or affiliate thereof) shall be accepted as if such cure had been made by Borrower.

The provisions of "Remedies on Default" are subject to the further limitation that if, after any Event of Default all amounts which would then be payable under the Series Indenture by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and the Borrower shall have also performed all other obligations in respect of which it is then in default, and shall have paid the reasonable charges and expenses of the Issuer, the Trustee, the Servicer and the Credit Facility Provider, including reasonable attorneys' fees paid or incurred in connection with

such default, and shall have paid all amounts then due to the Credit Facility Provider, including, but not limited to, any Freddie Mac Reimbursement Amounts and Freddie Mac Credit Enhancement Fees, and if there shall then be no Event of Default existing under the Series Indenture, then and in every such case such Event of Default under the Series Indenture shall be waived and annulled, but no such waiver or annulment shall affect any subsequent or other Event of Default or impair any right consequent thereon. Any cure of an Event of Default tendered by a partner of the Borrower (or affiliate thereof) shall be accepted as if such cure had been made by the Borrower.

Qualified Residential Rental Project

The Borrower acknowledges and agrees that the Project is to be owned, managed and operated as a “residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the

Qualified Project Period. To that end, and for the term of the Regulatory Agreement, the Borrower represents, covenants, warrants and agrees as follows:

(a) The Project will be constructed, developed and operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act and the Housing Law, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project (except for not more than one unit set aside for a resident manager or other administrative use) will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of fewer than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park; provided that the use of certain units for tenant guests on an intermittent basis shall not be considered transient use for purposes of the Regulatory Agreement.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor will the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the City).

(e) All of the Available Units in the Project will be available for rental during the period beginning on the date of execution and delivery of the Regulatory Agreement and ending on the termination of the Qualified Project Period on a continuous, "first-come, first-served" basis to members of the general public which for purposes of the Regulatory Agreement means the general senior population (pursuant to California Civil Code Section 51.3), and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented in such a manner that they will constitute Low Income Units.

(f) The Project consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project will be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision will not be construed to prohibit occupancy of not more than one dwelling unit by a resident manager or maintenance personnel, any of whom may be the Borrower.

(h) The Borrower shall deliver to the Administrator and the Lender, (i) within 30 days after the date on which 10% of the dwelling units in the Project are occupied, a written notice specifying such

date, and (ii) within 30 days after the date on which 50% of the dwelling units in the Project are occupied, a written notice specifying such date.

Low Income Tenants; Reporting Requirements

Pursuant to the requirements of the Code, the Borrower represents, warrants and covenants as follows:

(a) During the Qualified Project Period, no less than 20% of the total number of completed units in the Project will at all times be Low Income Units. For the purposes of this paragraph (a), a vacant unit that was most recently a Low Income Unit is treated as a Low Income Unit until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit will be redetermined.

(b) No tenant qualifying as a Low Income Tenant upon initial occupancy will be denied continued occupancy of a unit in the Project because, after admission, the aggregate Gross Income of all tenants in the unit occupied by such Low Income Tenant increases to exceed the qualifying limit for a Low Income Unit. However, should the aggregate Gross Income of tenants in a Low Income Unit, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Unit occupied by the same number of tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) Low Income Tenant(s). The unit occupied by such tenants whose aggregate Gross Income exceeds such applicable income limit will continue to be treated as a Low Income Unit for purposes of the 20% requirement of paragraph (a) above unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants.

(c) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Income Certifications for each Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant in the unit, and (ii) thereafter, an annual Income Certification with respect to each Low Income Tenant. The Borrower will provide such additional information as may be required in the future by the Code, the State or the Issuer, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator, the Issuer or the Trustee, copies of Income Certifications for Low Income Tenants commencing or continuing occupation of a Low Income Unit will be attached to the Certificate of Continuing Program Compliance or the Project Status Reports to be filed hereunder, or shall otherwise be submitted to the Administrator, the Issuer and/or the Trustee, as requested.

(d) The Borrower will make a good faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Issuer.

(e) The Borrower will maintain complete and accurate records pertaining to the Low Income Units, and will permit any duly authorized representative of the Issuer, the Trustee, the Servicing Agent, the Lender, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the Issuer, no later than January 15 of each year until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance and a Project Status Report executed by the Borrower. During the Qualified Project Period, the Borrower will submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

(g) For the Qualified Project Period, all tenant leases or rental agreements will be subordinate to the Regulatory Agreement and the Deed of Trust. All leases pertaining to Low Income Units will contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made by such tenant in the Income Certification; (ii) agrees that the family income and other eligibility requirements will be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Trustee, the Lender, the Issuer or the Administrator on behalf of the Issuer, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto will be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the statements made by such tenant in the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of a Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) and that if upon any such certification the Gross Income of tenants in such unit exceeds the applicable income limit under Section 4(b), the unit occupied by such tenant may cease to qualify as a Low Income Unit and such unit's rent may be subject to increase.

For purposes of the provisions of the Regulatory Agreement described in this section, no unit occupied by a residential manager will be treated as a rental unit during the time of such occupation.

Requirements of the Housing Law

In addition to the other requirements set forth in the Regulatory Agreement, the Borrower agrees that it shall comply with each of the requirements of Section 52080 of the Housing Law, including the following:

(a) Not less than 20% of the total number of units in the Project shall be Low Income Units. The units made available to meet this requirement shall be of comparable quality and offer a range of sizes and numbers of bedrooms comparable to the units that are available to other tenants in the Project.

(b) The rental payments for the Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) will not exceed 30% of an amount equal to 50% of the median adjusted gross income for the Area, as adjusted by the assumed household size set forth below of each such Low Income Unit; for the purpose of this section, the Owner shall assume the household size set forth in the following table for the corresponding size of residential unit:

**Residential Unit
Size by Bedroom**

**No. of Persons
in Family**

Studio	1
1	2
2	3

(c) The Borrower will accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower will not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(d) The units reserved for occupancy as required by the Regulatory Agreement will remain available on a priority basis for occupancy at all times on and after the Closing Date and continuing through the Qualified Project Period.

(e) During the three (3) years prior to the expiration of the Qualified Project Period, the Borrower will continue to make available to eligible households Low Income Units that have been vacated to the same extent that nonreserved units are made available to noneligible households.

(f) Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Bonds, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by the provisions of the Regulatory Agreement described in paragraph (a) of this section will remain available to any eligible tenant occupying a reserved unit at the date of such expiration or termination, at the rent determined by the provisions of the Regulatory Agreement described in paragraph (b) of this section, until the earliest of (1) the household's income exceeds 140% of the maximum eligible income specified above, (2) the household voluntarily moves or is evicted for good cause (as defined in the Housing Law), (3) 30 years after the date of the commencement of the Qualified Project Period, or (4) the Borrower pays the relocation assistance and benefits to households as provided in Section 7264(b) of the California Government Code.

(g) Except as set forth in the Regulatory Agreement, the covenants and conditions of the Regulatory Agreement will be binding upon successors in interest of the Borrower.

(h) The Regulatory Agreement will be recorded in the office of the County recorder, and will be recorded in the grantor-grantee index under the name of the Borrower as grantor and under the name of the Issuer as grantee.

(i) The units reserved for Low Income Tenants shall have substantially the same equipment and amenities and shall be substantially the same size as the other dwelling units in the Project and shall not be geographically segregated from such other units.

(j) For the term of the Regulatory Agreement, the Borrower will not discriminate on the basis of race, creed, color, sex, national origin or ancestry, religion, marital status, age, disability or receipt of public assistance or housing assistance in connection with the rental of units in the Project or in connection with the employment or application for employment of persons for operation and management of the Project, and all contracts, applications and leases entered into for such purposes shall contain a nondiscrimination clause to such effect.

Requirements of the Issuer

In addition to other requirements set forth in the Regulatory Agreement and to the extent not prohibited by the requirements set forth in the Regulatory Agreement, the Borrower agrees to comply with each of the requirements of the Issuer set forth in the provisions of the Regulatory Agreement described in this section, as follows:

(a) For the duration of the Qualified Project Period, notwithstanding any retirement of the Bonds or termination of the Financing Agreement, the Borrower will pay to the Issuer all of the amounts required to be paid by the Borrower under the Financing Agreement and will indemnify the Issuer and the Trustee as provided in the Regulatory Agreement and, with respect to the Trustee, the Regulatory Agreement.

(b) All tenant lists, applications and waiting lists relating to the Project will at all times be kept separate and identifiable from any other business of the Borrower and will be maintained as required by the Issuer, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Issuer upon reasonable advance notice to the Borrower.

(c) The Borrower acknowledges that the Issuer has appointed the Administrator to administer the Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements thereof. The Borrower will comply with any reasonable request made by the Administrator or the Issuer to deliver to any such Administrator, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant to the Regulatory Agreement, and to make the Project and the books and records with respect thereto available for inspection by the Administrator as an agent of the Issuer. The fees and expenses of the Administrator will be paid by the Issuer.

(d) For purposes of the Regulatory Agreement, the base rents will be adjusted for household size, to the extent permitted by law.

(e) The Borrower will comply with the conditions set forth in Exhibit A to the CDLAC Resolution No. 11-62 relating to the Project adopted on May 18, 2011 (the "CDLAC Conditions"), as they may be modified or amended from time to time, which conditions are incorporated in the Regulatory Agreement by reference and made a part of the Regulatory Agreement. The Borrower will prepare and submit to CDLAC, not later than each anniversary of the Closing Date, until the end of the Qualified Project Period, a certificate of continuing program compliance, in substantially the form attached to the CDLAC Conditions, executed by an authorized representative of the Borrower. The Issuer and the Administrator will have no obligation to monitor the Borrower's compliance with the CDLAC Conditions.

(f) Except as otherwise provided in the Regulatory Agreement, the Regulatory Agreement will terminate on the date 55 years after the Closing Date, as required by the CDLAC Conditions.

Any of the foregoing requirements of the Issuer contained in the Regulatory Agreement (except (e) and (f) above, which may only be waived with the consent of CDLAC) may be expressly waived by the Issuer, in its sole discretion, in writing, but (i) no waiver by the Issuer of any requirement of the Regulatory Agreement will, or will be deemed to, extend to or affect any other provision of the Regulatory Agreement except to the extent the Issuer has received an opinion of Bond Counsel that any such provision is not required by the Act and the Housing Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of the Regulatory Agreement will be void and of no force and effect if the Issuer and

the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act, the Housing Law or any other state or federal law.

Term

The Regulatory Agreement and all and several of the terms thereof will become effective upon its execution and delivery, and will remain in full force and effect for the period provided therein and will terminate as to any provision not otherwise provided with a specific termination date and will terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions of the Regulatory Agreement are intended to survive the retirement of the Bonds and discharge of the Series Indenture and the Financing Agreement.

The terms of the Regulatory Agreement to the contrary notwithstanding, the Regulatory Agreement will terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire or other casualty, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Issuer and the Trustee from enforcing such provisions, or foreclosure, transfer of title by deed in lieu of foreclosure, condemnation or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Regulatory Agreement; provided, however, that the preceding provisions of the Regulatory Agreement described in this sentence will cease to apply and the restrictions contained therein will be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of the Regulatory Agreement, the Regulatory Agreement may be terminated upon agreement by the Issuer, the Trustee and the Borrower upon receipt by the Issuer and the Trustee of an opinion of Bond Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Upon the termination of the terms of the Regulatory Agreement, the parties thereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms of the Regulatory Agreement; provided, however, that the execution and delivery of such instruments will not be necessary or a prerequisite to the termination of the Regulatory Agreement in accordance with its terms.

Freddie Mac Rider

The Freddie Mac Rider to Regulatory Agreement (the "Rider") attached to the Regulatory Agreement forms an integral part of the Regulatory Agreement and the terms thereof have been incorporated into the Regulatory Agreement.

Applicability. The provisions of the Rider shall amend and supplement the provisions of, and in the event of a conflict shall supersede the conflicting provisions of, the Regulatory Agreement.

Sale or Transfer. (a) Restrictions on sale or transfer of the Project or of any interest in the Borrower, Issuer and/or Trustee consents, transferee agreements, transferee criteria and requirements, opinion requirements, assumption fees, transfer fees, penalties and the like shall not apply to any transfer of title to the Project to Freddie Mac or to a third party by foreclosure, deed in lieu of foreclosure or

comparable conversion of the Bond Mortgage Loan or to any subsequent transfer by Freddie Mac following foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Bond Mortgage Loan. No transfer of the Project shall operate to release the Borrower from its obligations under the Regulatory Agreement; provided, however, that the Borrower shall be released from obligations under the Regulatory Agreement incurred after a transfer made in compliance with this section. Nothing contained in the Regulatory Agreement shall affect any provision of the Bond Mortgage or any of the other Bond Mortgage Loan Documents that requires the Borrower to obtain the consent of Freddie Mac as a precondition to sale, transfer or other disposition of, or any direct or indirect interest in, the Project or of any direct or indirect interest in the Borrower, excluding transfers permitted by the Bond Mortgage. No covenant obligating the Borrower to obtain an agreement from any transferee to abide by all requirements and restrictions of the Regulatory Agreement shall have any applicability to a transfer to Freddie Mac upon foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Bond Mortgage Loan by Freddie Mac, or to any subsequent transfer by Freddie Mac following foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Bond Mortgage Loan. Any written consent to a sale or transfer obtained from the Issuer must be deemed to constitute conclusive evidence that the sale or transfer is not a violation of the transfer provisions.

(b) Notwithstanding anything contained in the Regulatory Agreement to the contrary, Additional Loans (as defined in the Intercreditor Agreement) shall not be subject to restrictions on transfers or encumbrances.

Enforcement. Notwithstanding anything contained in the Regulatory Agreement or the Series Indenture to the contrary:

(i) the occurrence of an event of default under the Regulatory Agreement shall not, under any circumstances whatsoever, be deemed or constitute a default under the Bond Mortgage Loan Documents, except as may be otherwise specified in the Bond Mortgage Loan Documents;

(ii) neither the Issuer nor the Trustee may, upon the occurrence of an event of default under the Regulatory Agreement, seek, in any manner, to (a) cause or direct acceleration of the Bond Mortgage Loan, (b) enforce the Bond Mortgage Note, (c) foreclose on the Bond Mortgage, (d) cause the Trustee to redeem the Bonds or to declare the principal of the Bonds and the interest accrued on the Bonds to be immediately due and payable or (e) cause the Trustee to take any other action under any of the Bond Mortgage Loan Documents or any other documents which action would or could have the effect of achieving any one or more of the actions, events or results described in the preceding clauses (a) through (d); and

(iii) the occurrence of an event of default under the Regulatory Agreement shall not impair, defeat or render invalid the lien of the Bond Mortgage.

No person other than Freddie Mac shall have the right to (a) declare the principal balance of the Bond Mortgage Note to be immediately due and payable or (b) commence foreclosure or other like action with respect to the Bond Mortgage. The Issuer and the Trustee acknowledge the foregoing limitations.

The foregoing prohibitions and limitations are not intended to limit the rights of the Issuer or the Trustee to specifically enforce the Regulatory Agreement or to seek injunctive relief in order to provide for the operation of the Project in accordance with the requirements of the Internal Revenue Code and state law. Accordingly, upon any default by the Borrower, the Issuer or the Trustee may seek specific performance of the Regulatory Agreement or enjoin acts which may be in violation of the Regulatory Agreement or unlawful, but neither the Issuer nor the Trustee may seek any form of monetary recovery from the Borrower, although the Issuer may seek to enforce a claim for indemnification, provided that no

obligation of the Borrower under the Regulatory Agreement, including, without limitation, any indemnification obligation, any other obligation for the payment of money, any claim and any judgment for monetary damages against the Borrower, occasioned by breach or alleged breach by the Borrower of its obligations under the Regulatory Agreement or otherwise, shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Issuer, the Trustee or any other person, and all such obligations shall be, and by the Rider are, subordinate in priority, in right to payment and in all other respects to the obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Bond Mortgage Loan Documents. Accordingly, neither the Issuer nor the Trustee shall have the right to enforce any monetary obligation other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future.

The obligations of any owner under the Regulatory Agreement shall be personal to the person who was the owner at the time that an event, including, without limitation, any default or breach of the Regulatory Agreement, occurred or was alleged to have occurred, and such person shall remain liable for any and all such obligations, including damages occasioned by a default or breach, even after such person ceases to be the owner of the Project. Accordingly, no subsequent owner of the Project shall be liable or obligated for the obligation of any prior owner (including the Borrower), including, but not limited to, any obligation for payment, indemnification or damages, for default or breach of the Regulatory Agreement or otherwise. The owner of the Project at the time the obligation was incurred, including any obligation arising out of a default or breach of the Regulatory Agreement, shall remain liable for any and all payments and damages occasioned by the owner even after such person ceases to be the owner of the Project, and no person seeking such payments or damages shall have recourse against the Project.

Under no circumstances shall the Issuer or the Trustee:

(i) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due and payable under, the Bond Mortgage Loan;

(ii) interfere with or attempt to influence the exercise by Freddie Mac of any of its rights under the Bond Mortgage Loan, including, without limitation, Freddie Mac's remedial rights under the Bond Mortgage Loan Documents upon the occurrence of an event of default by the Borrower under the Bond Mortgage Loan; or

(iii) upon the occurrence of an event of default under the Bond Mortgage Loan, take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Bond Mortgage Loan.

Amendments. The Regulatory Agreement shall not be amended without the prior written consent of Freddie Mac.

Subordination. The terms, covenants and restrictions of the Regulatory Agreement, other than those described under the headings "Qualified Residential Rental Project," "Low Income Tenants," "Reporting Requirements," "Requirements of the Housing Law" and "Modification of Covenants" are and shall at all times remain subject and subordinate, in all respects, to the liens, rights and interests created under the Bond Mortgage Loan Documents.

Third-Party Beneficiary. The parties to the Regulatory Agreement have recognized and agreed that the terms of the Regulatory Agreement and the enforcement of those terms are essential to the security of Freddie Mac and are entered into for the benefit of various parties, including Freddie Mac. Freddie Mac shall accordingly have contractual rights in the Regulatory Agreement and shall be entitled (but not obligated) to enforce, separately or jointly with the Issuer or the Trustee, or to cause the Issuer and/or the Trustee to enforce, the terms of the Regulatory Agreement. In addition, Freddie Mac is intended to be and shall be a third-party beneficiary of the Regulatory Agreement.

APPENDIX E

SUMMARY OF CERTAIN PROVISIONS OF THE INTERCREDITOR AGREEMENT

The Issuer, the Trustee, Freddie Mac and the Construction Lender have agreed upon their respective rights arising from an Event of Default under any of the Bond Financing Documents or the Bond Mortgage Loan Documents relating to the Bonds in the Intercreditor Agreement. The following is a brief summary of certain provisions of the Intercreditor Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Intercreditor Agreement, a copy of which is on file with the Trustee.

The Issuer, the Trustee, Freddie Mac and the Construction Lender will agree upon their respective rights arising from an Event of Default under the Bond Financing Documents in an Intercreditor Agreement, dated as of the date of the Series Indenture (the "Intercreditor Agreement"). Under the terms of the Intercreditor Agreement, the Issuer, the Trustee, the Construction Lender and Freddie Mac will agree, among other things, that, until either (a) Freddie Mac fails to honor a draw properly presented in accordance with the terms of the Credit Enhancement Agreement (a "Wrongful Dishonor") or (b) the Credit Enhancement Agreement terminates in accordance with its terms and all of the Borrower's obligations to Freddie Mac under the Reimbursement Agreement shall have been paid in full, certain of the rights and remedies of the Issuer, the Trustee and Freddie Mac under the Bond Financing Documents, including (without limitation) the rights and remedies of the Trustee, as beneficiary under the Bond Mortgage, may (except for the exercise of remedies to preserve the tax-exempt status of the Bonds and the Trustee's right to seek payment of certain fees due under the Financing Agreement) be exercised only with the prior written consent of Freddie Mac, in its sole discretion, including (without limitation) the right to waive certain terms and conditions of the Bond Financing Documents pertaining to the Borrower.

Notwithstanding anything to the contrary contained in the Financing Agreement and pursuant to the Intercreditor Agreement, as long as Freddie Mac is not in default of its obligations under the Credit Enhancement Agreement, neither the Issuer, the Trustee nor any other person, upon the occurrence of an event of default under any Bond Financing Document, is to take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Bond Financing Documents, except at the direction of Freddie Mac; provided that such prohibition will not be construed to limit the rights of the Issuer or the Trustee to specifically enforce the Regulatory Agreement in order to provide for operation of the Project in accordance with the Code and the Act or to enforce other Unassigned Rights or reserved rights of the Trustee; and provided further that such prohibition will not be construed to limit the indemnification rights of the Issuer, the Trustee, the Servicer, Freddie Mac, the Construction Lender or any other indemnified party to enforce its rights against the Borrower under the Financing Agreement, Reimbursement Agreement or the Construction Loan Agreement by mandamus or other suit, action or proceeding at law or in equity where such suit, action or proceeding does not seek any remedies under or with respect to the Bond Mortgage Loan.

Provided the Construction Lender is not in default under the Construction Loan, it shall have certain consent rights as provided in the Intercreditor Agreement. Additionally, pursuant to the Construction Phase Financing Agreement, Freddie Mac and the Construction Lender agree to certain conditions to exercising remedies pursuant to the Reimbursement Agreement.

APPENDIX F

SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT

The following is a brief summary of the Reimbursement Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Reimbursement Agreement, a copy of which is on file with the Trustee.

Defined Terms

Capitalized terms used under this heading and not defined hereunder or elsewhere in this Official Statement will have the meanings assigned thereto in the Reimbursement Agreement.

General

The obligations of the Borrower to Freddie Mac under the Credit Enhancement Agreement will be evidenced by the Reimbursement Agreement. Under the Reimbursement Agreement, the Borrower will be obligated to repay Freddie Mac all sums of money Freddie Mac has advanced to the Trustee under the Credit Enhancement Agreement. The Reimbursement Agreement also provides that the Borrower is to pay the Freddie Mac Credit Enhancement Fee, the Servicing Fees, make scheduled monthly deposits to fund certain reserves (which have been established solely for the benefit of Freddie Mac) and other fees and expenses as provided therein.

Events of Default

The occurrence of any one or more of the following will constitute an Event of Default under the Reimbursement Agreement:

- (i) the Borrower fails to pay when due any amount payable by the Borrower under the Reimbursement Agreement, including, without limitation, any fees, costs or expenses;
- (ii) the Borrower fails to perform its obligations under the Reimbursement Agreement relating to maintaining the tax exempt status of the Bonds, maintaining its character as a single purpose entity, amending or modifying its organizational documents without Freddie Mac's consent, dissolving or liquidating in whole or in part, refunding the Bonds within six months of acquiring the Project, permitting subordinate financings with respect to the Project or prepaying the Bond Mortgage Loan except in accordance with the Reimbursement Agreement;
- (iii) the Borrower fails to observe or perform any other term, covenant, condition or agreement set forth in the Reimbursement Agreement, which failure continues for a period of 30 days after notice of such failure by Freddie Mac to the Borrower (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in Freddie Mac's sole discretion, adversely affect Freddie Mac or result in impairment of the Reimbursement Agreement, the Bond Mortgage, the Reimbursement Mortgage or any other Reimbursement Security Document, in which case no Event of Default shall be deemed to exist so long as Borrower shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods will apply in the case of any such failure which could, in Freddie Mac's judgment, absent immediate exercise by Freddie Mac of a right or remedy under the Reimbursement Agreement, result in harm to Freddie Mac,

impairment of the Reimbursement Agreement, the Bond Mortgage, the Reimbursement Mortgage or any other Reimbursement Security Document;

(iv) the Borrower fails to observe or perform any other term, covenant, condition or agreement set forth in any of the other Borrower Documents or there shall otherwise occurs an “Event of Default” under the Reimbursement Mortgage or an event of default under any of the other Borrower Documents (taking into account any applicable cure period);

(v) any representation or warranty made by or on behalf of the Borrower in the Reimbursement Agreement, in any other Borrower Document or in any certificate delivered by the Borrower to Freddie Mac or to the Servicer pursuant to the Reimbursement Agreement or any other Borrower Document is inaccurate or incorrect in any material respect when made or deemed made;

(vi) prior to Loan Conversion, the Trustee draws upon the Credit Enhancement Agreement for any reason other than to make a regularly scheduled payment of interest with respect to the Bond Mortgage Loan or a payment of interest and principal in connection with a Pre-Conversion Loan Equalization Payment or the Mandatory Paydown;

(vii) prior to Loan Conversion, Freddie Mac is given a “Direction to Draw” (as defined in the Construction Phase Financing Agreement) by the Construction Lender;

(viii) the occurrence of a “Borrower Default,” “Letter of Credit Default” or “Construction Lender Default” (as such terms are defined in the Construction Phase Financing Agreement) prior to Loan Conversion;

(ix) the Borrower fails to pay the Required Principal Paydown in accordance with the Reimbursement Agreement or shall fail to provide redemption directions to the Trustee if so directed by Freddie Mac;

(x) a default or event of default occurs under the terms of any other indebtedness permitted to be incurred by the Borrower (after taking into account any applicable cure period).

Remedies

Upon the occurrence of an Event of Default, Freddie Mac may declare all the obligations of the Borrower under the Reimbursement Agreement to be immediately due and payable, in which case all such obligations will become due and payable, without presentment, demand, protest or notice of any kind, including notice of default, notice of intent to accelerate or notice of acceleration. In addition to the foregoing, Freddie Mac has the right to take such action at law or in equity, without notice or demand, as it deems advisable to protect and enforce the rights of Freddie Mac against the Borrower in and to the Project conveyed by the Reimbursement Mortgage or the Bond Mortgage, including, but not limited to, the following actions: (i) demand cash collateral or Qualified Investments in the full amount of the obligations under the Bonds whether or not then due and payable by Freddie Mac under the Credit Enhancement Agreement; (ii) give written notice to the Trustee stating that an Event of Default has occurred and is continuing under the Reimbursement Agreement and directing the Trustee to cause the mandatory redemption (or purchase in lieu) of the Bonds; (iii) exercise any rights and remedies available to Freddie Mac under any of the Borrower Documents; and (iv) exercise the same rights, powers, and remedies with respect to the UCC Collateral (as defined in the Reimbursement Agreement) that the Borrower may exercise, which rights, powers, and remedies are incorporated therein by this reference for all purposes. In furtherance and not in limitation of the foregoing, Freddie Mac shall have all rights,

remedies and recourses with respect to the UCC Collateral granted in the Borrower Documents and any other instrument executed in connection therewith, or existing at common law or equity (including specifically those granted by the Uniform Commercial Code as adopted in the State and any other state in which the filing of a UCC financing statement is necessary to perfect Freddie Mac's security interest), the right of offset, the right to sell the UCC Collateral at public or private sale, and the right to receive distributions to the Borrower.

Freddie Mac has the right, to be exercised in its discretion, to waive any Event of Default under the Reimbursement Agreement. Unless such waiver expressly provides to the contrary, any waiver so granted will extend only to the specific event or occurrence which gave rise to the Event of Default so waived and not to any other similar event or occurrence which occurs subsequent to the date of such waiver.

Reimbursement Mortgage

The obligations of the Borrower under the Reimbursement Agreement will be secured by the Reimbursement Mortgage. The Reimbursement Mortgage will be subordinate to the Bond Mortgage, subject to the terms of the Intercreditor Agreement. Bondholders will have no rights under and are not third-party beneficiaries under the Reimbursement Mortgage.

Amendments

The Reimbursement Agreement can be amended by Freddie Mac and the Borrower without the consent of, or notice to, the Issuer, the Trustee or the holders of the Bonds.

(1) by action at law or in equity, require Freddie Mac to perform its covenants and obligations hereunder, or enjoin any acts which may be unlawful or in violation of the rights of the Trustee; and

(2) take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of Freddie Mac hereunder, or to enforce any other obligations, covenant or agreement of Freddie Mac hereunder.

The above provisions are subject to the condition that if, after any Event of Default hereunder, all amounts which would then be payable hereunder by Freddie Mac if such Event of Default had not occurred and were not continuing, shall have been paid by or on behalf of Freddie Mac, and Freddie Mac shall have also performed all other obligations in respect of which it is then in default hereunder to the satisfaction of the Trustee, then such Event of Default may be waived and annulled, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any consequent right or remedy.

Section 6.3. Remedies Not Exclusive. No remedy conferred in this Agreement or reserved to the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 6.4. Restoration of Rights and Remedies. If the Trustee shall have instituted any proceeding to enforce any right or remedy under this Agreement and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the party instituting such proceeding, then and in every such case Freddie Mac, and the Trustee shall, subject to any determination in such proceeding, be restored to their former positions hereunder and thereafter all rights and remedies of the Trustee shall continue as though no such proceeding had been instituted.

ARTICLE VII

MISCELLANEOUS PROVISIONS

Section 7.1. *Interest of Bondholders.* The payments to be made by Freddie Mac hereunder are to be pledged by the Trustee to secure payment of the principal or redemption price of and interest on the Bonds (including the Purchase Price in connection with any purchase in lieu of redemption pursuant to Section 3.06 of the Indenture).

Section 7.2. *Amendment.* This Agreement shall be amended only by an instrument in writing executed on behalf of the parties by their duly authorized representatives.

(Final Opinion)

Ladies and Gentlemen:

We acted as bond counsel to the California Statewide Communities Development Authority (the "Issuer") in connection with the original delivery on December 30, 2009 by the Issuer of its Affordable Multifamily Housing Revenue Bonds 2009 Series A, in the aggregate principal amount of \$65,780,000 (the "2009 Original Bonds"). The 2009 Original Bonds were issued pursuant to the provisions of Chapter 5 of Division 7 of Title 1 of the California Government Code, together with the provisions of Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code, as amended (collectively, the "Act"), and pursuant to the Indenture (the "General Indenture"), dated as of December 1, 2009, by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee"), as supplemented by the Series Indenture (the "First Series Indenture"), dated as of December 1, 2009, by and between the Issuer and the Trustee. On the date hereof, \$5,730,000 principal amount of the 2009 Original Bonds (the "2009 Released Bonds") will be released and delivered pursuant to the General Indenture, the First Series Indenture, the First Amendment to Indenture, dated as of November 1, 2010, by and between the Issuer and the Trustee (the "First Amendment"), the First Amendment to Series Indenture, dated as of November 1, 2010, by and between the Issuer and the Trustee (the "First Series Indenture Amendment" and, together with the General Indenture, the First Series Indenture and the First Amendment, the "Original Indenture"), and a Series Indenture (the "Released Bonds Series Indenture" and, together with the Original Indenture, the "Indenture"), dated as of June 1, 2011, by and between the Issuer and the Trustee. The Released Bonds Series Indenture provides that the 2009 Released Bonds are issued for the purpose of making a loan to Vintage Chateau, L.P., a California limited partnership (the "Borrower") pursuant to a Financing

Agreement (the “Financing Agreement”), dated as of June 1, 2011, by and among the Issuer, the Trustee and the Borrower. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Released Bonds Series Indenture.

In such connection, we have reviewed the Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Certificate, certificates of the Issuer, the Borrower, the Trustee and others, opinions of counsel to the Borrower, the Trustee and others, and such other documents, opinions and matters to the extent we have deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this opinion speaks only as of its date and is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the 2009 Released Bonds has concluded with their release, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Issuer. Pursuant to the design of and the accompanying commentary about the New Issue Bond Program by the United States Treasury, we also have assumed that the 2009 Released Bonds are treated as reissued on the date hereof. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the 2009 Released Bonds to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the 2009 Released Bonds, the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against joint exercise of powers agencies in the State of California (the “State”). We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in or as subject to the lien of the Released Bonds Series Indenture or the Financing Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. No opinion is expressed in this letter with respect to any 2009 Original Bonds that are not 2009 Released Bonds. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering materials relating to the 2009 Released Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Issuer is a joint exercise of powers agency, duly organized and validly existing under the laws of the State, and has the lawful authority to perform its obligations in accordance with the law and the terms and conditions of the Indenture.

2. The 2009 Released Bonds have been duly executed and issued and constitute the valid and binding limited obligations of the Issuer, payable solely from the Trust Estate pledged therefor under the Released Bonds Series Indenture.

3. The Indenture has been duly executed and delivered by, and constitutes the valid and binding obligation of, the Issuer. The Released Bonds Series Indenture creates a valid pledge, to secure the payment of the principal of, premium, if any, and interest on the 2009 Released Bonds, of the Trust Estate, including amounts held in any fund or account held by the Trustee under the Released Bonds Series Indenture (except amounts held in the Cost of Issuance Fund, the Administration Fund, the Freddie Mac Collateral Fund, the Credit Facility Reimbursement Fund, the Borrower Equity Account, and the Rebate Fund established pursuant to the Released Bonds Series Indenture), subject to the provisions of the Released Bonds Series Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Released Bonds Series Indenture.

4. The 2009 Released Bonds do not constitute a debt or liability of the Issuer, the State or any political subdivision thereof, or a pledge of the faith and credit of the State or any such political subdivision, other than the Issuer to the extent provided in the Released Bonds Series Indenture.

5. Interest on the 2009 Released Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code"), except that no opinion is expressed as to the exclusion from gross income of interest on any 2009 Released Bond for any period during which such 2009 Released Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities with respect to which the proceeds of the 2009 Released Bonds were used or is a "related person" within the meaning of Section 147(a) of the Code. Interest on the 2009 Released Bonds is not a specific preference item for purposes of the federal individual and corporate alternative minimum taxes, nor is it included in adjusted current earnings when calculating corporate alternative minimum taxable income. Interest on the 2009 Released Bonds is exempt from State personal income taxes. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the 2009 Released Bonds.

Very truly yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

Ladies and Gentlemen:

We have acted as bond counsel to the California Statewide Communities Development Authority (the "Issuer") in connection with the issuance of its \$2,370,000 aggregate principal amount of Multifamily Housing Revenue Bonds (Vintage Chateau II) 2011 Series A (the "Bonds"). The Bonds are issued pursuant to Chapter 5 of Division 7 of Title 1 of the California Government Code, together with the provisions of Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code, as amended (collectively, the "Act"), and the Indenture (the "General Indenture"), dated as of December 1, 2009, as amended and supplemented by the Series Indenture (the "First Series Indenture"), dated as of December 1, 2009, as further amended by the First Amendment to Indenture (the "First Amendment"), dated as of November 1, 2010, as further amended by the First Amendment to Series Indenture (the "First Series Indenture Amendment"), dated as of November 1, 2010, and as further supplemented and amended by a Series Indenture (the "Series Indenture" and, together with the General Indenture, the First Series Indenture, the First Amendment and the First Series Indenture Amendment, the "Indenture"), dated as of June 1, 2011, each by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Indenture provides that the Bonds are issued for the purpose of making a loan of the proceeds thereof to Vintage Chateau, L.P., a California limited partnership (the "Borrower"), pursuant to a Financing Agreement, dated as of June 1, 2011 (the "Financing Agreement"), among the Issuer, the Borrower and the Trustee. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Certificate, certificates of the Issuer, the Borrower, the Trustee and others, opinions of counsel to the Borrower, the Trustee and others, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein. We have assumed, without undertaking to verify, the genuineness of such documents, certificates and opinions presented to us (whether as originals or as copies) and of the signatures thereon, the accuracy of the factual matters represented, warranted or certified in

such documents and certificates, the correctness of the legal conclusions contained in such opinions, and the due and legal execution of such documents and certificates by, and validity thereof against, any parties other than the Issuer.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this opinion speaks only as of its date and is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Bonds to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Bonds, the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against joint exercise of powers authorities in the State of California (the "State"). We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in or subject to the lien of the Indenture or the Financing Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. Finally, we undertake no responsibility for the accuracy, completeness or fairness of any offering material relating to the Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Issuer is a joint exercise of powers agency, duly organized and validly existing under the laws of the State, and has lawful authority to issue the Bonds.
2. The Bonds constitute the valid and binding limited obligations of the Issuer, payable solely from the Trust Estate.
3. The Indenture has been duly executed and delivered by, and constitutes the valid and binding obligation of, the Issuer. The Indenture creates a valid pledge, to secure the payment of the principal of and interest on the Bonds, of the Trust Estate, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture.

4. The Bonds do not constitute a debt or liability of the Issuer, the State or any political subdivision thereof, or a pledge of the faith and credit of the State or any such political subdivision, other than the Issuer to the extent provided in the Indenture.

5. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”), except that no opinion is expressed as to the exclusion from gross income of interest on any Bond for any period during which such Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities with respect to which the proceeds of the Bonds were used or is a “related person” within the meaning of Section 147(a) of the Code. Interest on the Bonds is not a specific preference item for purposes of the federal individual and corporate alternative minimum taxes, nor is it included in adjusted current earnings when calculating corporate alternative minimum taxable income. Interest on the Bonds is exempt from State personal income taxes. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

Faithfully yours,

FORM OF CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the "Disclosure Agreement") dated July 8, 2011, is executed and delivered by Vintage Chateau, L.P., a California limited partnership (the "Borrower") and Wells Fargo Bank, National Association, as trustee and dissemination agent (the "Trustee" and the "Dissemination Agent") in connection with the release by the ABAG Finance Authority For Nonprofit Corporations (the "Issuer") of \$5,730,000 aggregate principal amount of the 2009 Series A-2 Bonds (as defined herein) and the issuance of \$2,370,000 aggregate principal amount the 2011 Series A Bonds (as defined herein).

Pursuant to the provisions of Chapter 5 of Division 7 of Title 1 of the California Government Code, together with the provisions of Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code (the "Act") and the Indenture dated as of December 1, 2009 (the "General Indenture"), as amended and supplemented by the Series Indenture dated as of December 1, 2009 (the "First Series Indenture"), as amended by the First Amendment to Indenture, dated as of November 1, 2010 (the "First Amendment"), and as amended by the First Amendment to Series Indenture, dated as of November 1, 2010 (the "First Series Indenture Amendment" and, together with the General Indenture, the First Series Indenture, the First Amendment, the "Original Indenture"), each between the Issuer and Trustee, the Issuer previously issued its ABAG Finance Authority For Nonprofit Corporations Affordable Multifamily Housing Revenue Bonds, 2009 Series A (the "Program Bonds") in the original aggregate principal amount of \$65,780,000 to provide for the financing of multifamily rental housing developments through the New Issue Bond Program of the Housing Finance Agency Initiative announced by the United States Department of the Treasury on October 19, 2009 (the "Program").

The Issuer has agreed to use the proceeds derived from the sale of a portion of the Program Bonds (to be re-designated the ABAG Finance Authority For Nonprofit Corporations Affordable Multifamily Housing Revenue Bonds (Vintage Chateau II) 2009 Series A-2 in the principal amount of \$5,730,000 (the "2009 Series A-2 Bonds") on July 8, 2011 (the "Release Date") pursuant to the Series Indenture dated as of June 1, 2011 between the Issuer and the Trustee (the "Series Indenture" and, together with the Original Indenture, the "Indenture") to make a mortgage loan in the principal amount of \$5,730,000 (the "2009 Series A-2 Bond Mortgage Loan") to the Borrower, to provide for the financing of a multifamily rental housing development located in the City of Petaluma, California and to be known as Vintage Chateau II (the "Project").

Pursuant to the Act the General Indenture, the First Amendment and the Series Indenture, the Issuer has determined to issue, simultaneously with the release of the 2009 Series A-2 Bonds, a series of bonds designated the "ABAG Finance Authority For Nonprofit Corporations Multifamily Housing Revenue Bonds (Vintage Chateau II) 2011 Series A" in the principal amount of \$2,370,000 (the "2011 Series A Bonds" and together with the 2009 Series A-2 Bonds, the "Bonds") to make an additional mortgage loan in the principal amount of \$2,370,000 (the "2011 Series A Bond Mortgage Loan" and together with the 2009 Series A-2 Bond Mortgage Loan, the "Bond Mortgage Loan") to the Borrower to provide additional financing for the Project

The Bond Mortgage Loan will be made pursuant to a Financing Agreement dated as of June 1, 2011 (the "Financing Agreement"), by and among the Issuer, the Trustee and the Borrower, and upon the satisfaction of various conditions contained in the Series Indenture.

Upon the issuance of the Program Bonds, the Issuer entered into its Continuing Disclosure Agreement dated as of January 12, 2010 (the "Original Continuing Disclosure Agreement") with respect

to the Program Bonds. The Original Continuing Disclosure Agreement provided that upon the release of a portion of the proceeds of Program Bonds to a Borrower on a Release Date, the Issuer would require, with respect to the Series of Bonds which represents the proceeds released to that Borrower, that the Borrower enter into a Continuing Disclosure Agreement in substantially the same form as the Original Continuing Disclosure Agreement with respect to such Series of Bonds (each, a “Substitute Continuing Disclosure Agreement”), and from and upon the execution and delivery of such a Substitute Continuing Disclosure Agreement, accompanied by an opinion of Disclosure Counsel, that such Substitute Continuing Disclosure Agreement requires the provision by the Borrower of the information required to be provided with respect to such Series of Bonds by Rule 15c2-12, including the provision of Annual Reports with respect to such Series of Bonds, then any and all obligations of the Issuer to provide continuing disclosure under the Original Continuing Disclosure Agreement with respect to such series of Bonds would cease and be of no further force and effect.

The above described provisions of the Original Continuing Disclosure Agreement having been satisfied with respect to the 2009 Series A-2 Bonds, in order to provide for such a Substitute Continuing Disclosure Agreement with respect to the 2009 Series A-2 Bonds, pursuant to the Financing Agreement, the Borrower, the Dissemination Agent and the Trustee covenant and agree as follows:

Nothing in this Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Borrower chooses to include any information in any

The Dissemination Agent and the Trustee shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Borrower agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses including attorneys fees (whether incurred before trial, at trial, on appeal or in any bankruptcy or arbitration proceeding) incurred in performing its duties hereunder and in defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's negligence or willful misconduct. The obligations of the Borrower under this Section shall survive resignation or removal of the Dissemination Agent and the Trustee and payment of the Bonds. The Dissemination Agent shall have no obligation or liability for the accuracy or completeness of any Annual Report or report of Listed Event or Events provided in accordance with Sections 3 and 5 hereunder, and no obligation to review or make any determination of materiality made in accordance with Section 5 hereunder. The Dissemination Agent and the Trustee shall have no duty or obligation to review any information provided to them hereunder and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Borrower, the Bondholders, or any other party.
