GROWING SMARTER TOGETHER AWARDS PROGRAM
MODIFIED

The Association of Bay Area Governments' (ABAG) *Growing Smarter Together* Awards Program showcases planning and development at the local level that advance smart or "focused" growth in the Bay Area. The Awards recognize excellence in planning and development by local governments, who demonstrate a significant commitment to achieving the regional planning goals of the Bay Area vision and focused growth principles being advanced in the FOCUS Initiative.

The awards program showcases county and city/town program/project oriented work and elected officials, who have taken actions that demonstrate a significant commitment to achieving the regional planning goal of "complete communities." The awards single out counties and cities and towns that meet the day-to-day needs of residents and promote conservation efforts that protect vital natural, scenic, and agricultural resource areas. There is also a distinguished leadership category which honors an elected official. Individual local governments or groups of jurisdictions working in partnership may submit nominations for the regional *Growing Smarter Together* Awards.

Submittals are due by 5 p.m. on Friday, March 4, 2011.
